Learn the rules for conducting fair and effective meetings of such organizations as clubs, corporations, and city councils. This handy guide, in simple language, covers motions, voting procedures, the functions of officers, and more. Sample passage: "The member desiring to make a motion gets the chairman's attention by raising his hand or standing up or calling: 'Mr. Chairman.' When given the floor, he begins: 'I move that...' and states his proposal as simply and clearly as possible. If the motion is in order, the chairman asks: 'Will anyone second this motion?' and gives the floor to the first member indicating a wish to do so. This member says simply: 'I second the motion.' If no one is willing to second the motion, the chairman declares that 'the motion is dropped for want of a second' and proceeds with the next order of business. If the motion is seconded, it enters the discussion stage."

Designed for today's businesses, clubs, unions, boards, societies, churches, and other organizations, Robert's Rules of Order will help readers conduct meetings with civility and efficiency. Henry M. Robert published his first Robert's Rules of Order in 1876, and literally within days of its printing, began making changes for future printings. Now, a professional parliamentarian has continued this tradition by updating Robert's classic manual for

today's needs. Easy to read, understand, and apply, this new edition eliminates outdated footnotes and cross-references. It focuses on typical organizational meetings and includes a unique chart for beginners as well as experts. It is the essential tool for organizations of every type and size—a classic guide designed especially for modern readers.
