We specialize in publishing classic books and have been publishing books since 2014. We now have over 500 book listings available for purchase.

Enjoy!
The Baby Party Oxford University Press
 Packed with practical teaching strategies, *Making Every Lesson Count* bridges the gap between research findings and classroom practice. Shaun Allison and Andy Tharby examine the evidence behind what makes great teaching and explore how to implement this in the classroom to make a difference to learning. They

distil teaching and learning down into six core principles - challenge, explanation, modelling, practice, feedback and questioning - and show how these can inspire an ethos of excellence and growth, not only in individual classrooms but across a whole school too. Combining robust evidence from a range of fields with the practical wisdom of experienced, effective classroom

teachers, the book is a complete toolkit of strategies that teachers can use every lesson to make that lesson count. There are no gimmicky ideas here - just high impact, focused teaching that results in great learning, every lesson, every day. To demonstrate how attainable this is, the book contains a number of case studies from a number of professionals who are successfully

embedding a culture of excellence and growth in their schools. Making Every Lesson Count offers an evidence-informed alternative to restrictive Ofsted-driven definitions of great teaching, empowering teachers to deliver great lessons and celebrate high-quality practice. Suitable for all teachers - including trainee teachers, NQTs, and experienced teachers - who want quick

and easy ways to enhance their practice and make every lesson count. *Fitzgerald's The Great Gatsby* Teacher Created Materials Students analyze The Great Gatsby using key skills for college and career readiness. Close reading of the text is required to answer text-dependent questions. Included are student pages with the text-dependent questions as well as

suggested answers.

Literature Guide

Routledge
The Beautiful and Damned, first published by Scribner's in 1922, is F. Scott Fitzgerald's second novel. It explores and portrays New York café society and the American Eastern elite during the Jazz Age before and after the Great War and in the early 1920s.[1][2] As in his other novels, Fitzgerald's characters in this novel are complex,

especially with respect to marriage and intimacy. The work generally is considered to be based on Fitzgerald's relationship and marriage with his wife Zelda Fitzgerald [This Side of Paradise](#) [Illustrated](#) Teacher Created Materials The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel The Great Gatsby) utilizes an outside narrator to tell the story of a

wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On the surface, Paula would not seem to be the type of

girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence. In his world, responsible older men (like his uncle

Robert) hold the reins of government and business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks he is doing right now. Just as he sees in himself the undeveloped kernel of a future leader, he sees in Paula the

kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him, and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that ". . . He had a confident charm and a

certain brusque style, and the upper-class men who passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . .

Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege." *The Great Gatsby Close Reading and Text-Dependent Questions*

A young man newly rich tries to recapture the past and win back his former love, despite the fact that she has married The Great Gatsby by F. Scott Fitzgerald IGI Global
Presents a series of critical essays

discussing the structure, themes, and subject matter of Fitzgerald's story of the love between wealthy Jay Gatsby and the beautiful Daisy Buchanan. **String - Violin and Piano**
Wordsworth Editions
In a diverse society, the ability to cross communication barriers is critical to the success of any individual personally, professionally, and academically. With the constant acceleration of

course programs and technology, educators are continually being challenged to develop and implement creative methods for engaging English-speaking and non-English-speaking learners. Computer-Assisted Language Learning: Concepts, Methodologies, Tools, and Applications is a vital reference source that examines the relationship between language

education and technology and the potential for curriculum enhancements through the use of mobile technologies, flipped instruction, and language-learning software. This multi-volume book is geared toward educators, researchers, academics, linguists, and upper-level students seeking relevant research on the improvement of language education through the use of

technology. The Great Gatsby Novel Units, Incorporated Instead of asking literature to meet the entertainment, cultural, and of course educational needs of today's youth, Literature Activities Teens Actually Love empowers teachers to guide students in working with literature on their own terms in order to rediscover the joys it holds. Through a variety of

innovative and highly engaging projects, this book will develop a new lens through which to view literature and its study, with activities that are at once highly entertaining yet encourage higher order thinking skills and strategies. Lesson plans incorporating alternatives as diverse as Facebook and quilting show how teachers and students can bridge the technology gap by finding creative solutions to

traditional academic problems. By allowing students to use their technological skills to move from print to nonprint assessments, students will have the opportunity to explore the text with a greater degree of ownership over the process, resulting in autonomous learners. Grades 9-12 *The Great Gatsby Novel Units Student Packet* Simon and Schuster This award-winning book

continues to resonate with teachers and inspire their teaching because it focuses on the joy of reading and how it can engage and even transform readers. In a time of next generation standards that emphasize higher-order strategies, text complexity, and the reading of nonfiction, "You Gotta BE the Book" continues to help teachers meet new challenges including those of

increasing cultural diversity. At the core of Wilhelm's foundational text is an in-depth account of what highly motivated adolescent readers actually do when they read, and how to help struggling readers take on those same stances and strategies. His work offers a robust model teachers can use to prepare students for the demands of disciplinary understanding and for literacy in the real world.

The Third Edition includes new commentaries and tips for using visual techniques, drama and action strategies, think-aloud protocols, and symbolic story representation /reading manipulatives. Book Features: A data-driven theory of literature and literary reading as engagement. A case for undertaking teacher research with students. An approach for using drama and visual art

to support readers' comprehension. Guidance for assisting students in the use of higher-order strategies of reading (and writing) as required by next generation standards like the Common Core. Classroom interventions to help all students, especially reluctant ones, become successful readers. The Rosary BookCaps Study Guides THE GREAT GATSBYPURE SNOW

 When John
 Andros felt old
 he found
 solace in the
 thought of life
 continuing
 through his
 child. The dark
 trumpets of
 oblivion were
 less loud at
 the patter of
 his child's feet
 or at the
 sound of his
 child's voice
 babbling mad
 non sequiturs

to him over
 the telephone.
 The latter
 incident
 occurred
 every
 afternoon at
 three when his
 wife called the
 office from the
 country, and
 he came to
 look forward
 to it as one of
 the vivid
 minutes of his
 day. He was
 not physically
 old, but his life
 had been a
 series of
 struggles up a
 series of
 rugged hills,
 and here at
 thirty-eight
 having won
 his battles
 against ill-
 health and
 poverty he
 cherished less

than the usual
 number of
 illusions. Even
 his feeling
 about his little
 girl was
 qualified. She
 had
 interrupted his
 rather intense
 love-affair
 with his wife,
 and she was
 the reason for
 their living in
 a suburban
 town, where
 they paid for
 country air
 with endless
 servant
 troubles and
 the weary
 merry-
 goround of the
 commuting
 train. It was
 little Ede as a
 definite piece
 of youth that
 chiefly
 interested

him. He liked to take her on his lap and examine minutely her fragrant, downy scalp and her eyes with their irises of morning blue. Having paid this homage John was content that the nurse should take her away. After ten minutes the very vitality of the child irritated him; he was inclined to lose his temper when things were broken, and one Sunday afternoon when she had

disrupted a bridge game by permanently hiding up the ace of spades, he had made a scene that had reduced his wife to tears

PURE SNOW PUBLISHING
"The Great Gatsby" is, as this study concludes, "Nick's Story After All." This Critical Introduction explores the main themes, characters and symbols of "the Great Gatsby"; the quest for a new live, the preoccupation with one's place in

society, the desire for riches and the greatest dream of all human beings. In doing so it offers an interpretation which, unlike most analyses of this American Masterpiece, places Nick as the focus of Fitzgerald's attention. Tasting and grasping The great Gatsby Teacher Created Materials The Common Core State Standards initiated major changes for language arts teachers, particularly

the emphasis on "informational text." Language arts teachers were asked to shift attention toward informational texts without taking away from the teaching of literature. Teachers, however, need to incorporate nonfiction in ways that enhance rather than take away from their teaching of literature. The Using Informational Text series is designed to help. In this fourth volume

(Volume 1: Using Informational Text to Teach To Kill a Mockingbird; Volume 2: Using Informational Text to Teach A Raisin in the Sun; Volume 3: Connecting Across Disciplines: Collaborating with Informational Text), we offer challenging and engaging readings to enhance your teaching of Gatsby. Texts from a wide range of genres (a TED Talk, federal legislation, economic policy

material, newspaper articles, and 1920s political writing) and on a variety of topics (income inequality, nativism and immigration, anti-Semitism, the relationship between wealth and cheating, the Black Sox scandal and newspaper coverage, and prohibition) help students answer essential questions about F. Scott Fitzgerald's novel. Each informational text is part of a student-friendly unit,

with media links, reading strategies, vocabulary, discussion, and writing activities, and out-of-the-box class activities.
The Great Gatsby (F. Scott Fitzgerald)
Crown House Publishing
A level 5
Oxford Bookworms Library graded reader. Retold for Learners of English by Clare West. Gatsby's mansion on Long Island blazes with light, and the beautiful, the wealthy, and the famous

drive out from New York to drink Gatsby's champagne and to party all night long. But Jay Gatsby, the owner of all this wealth, wants only one thing - to find again the woman of his dreams, the woman he has held in his heart and his memory for five long years. The Great Gatsby, F. Scott Fitzgerald's masterpiece, is one of the great American novels of the twentieth century. It captures

perfectly the Jazz Age of the 1920s, and goes deep into the hollow heart of the American Dream. *A Reader's Guide* Teacher Created Materials Use this guide to familiarize students with this well-known novel and encourage them to connect the story with actual events and issues from the 1920s by completing fun, challenging activities and lessons. Readers will

enjoy analyzing this complex literary piece and revel in the life lessons they take away from it. Analyzing story elements in multiple ways, close reading and text-based vocabulary practice, and determining meaning through text-dependent questions are just a few of the many skills students will walk away with after interacting with the rigorous and appealing

cross-curricular lessons and activities in this resource. Written to support the Common Core, each activity and lesson work in conjunction with the text to teach students how to analyze and comprehend rich, complex literature. Pearson UK *Tales of the Jazz Age* (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to

subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either Metropolitan Magazine (New York), Saturday Evening Post, Smart Set, Collier's, Chicago Sunday Tribune, or Vanity Fair.
