Shadow Forge Books

The explosive new book from the master of the modern espionage thriller and Sunday Times bestseller James Swallow. _____ In modern espionage, every action has a reaction. One wrong move could sink an entire region into turmoil - even war. Ex-MI6 operative Marc Dane understands this better than anyone. Dedicating his life to protecting the country means he's collected enemies, and a lot of them. But for those hellbent on bringing the West to its knees, each failed plot has one thing in common: The Rubicon Group, the elite private intelligence agency, and Dane's employer. Destroy Rubicon, and the world order falls with it. With the clock ticking, Dane, along with sniper partner Lucy Keyes, must unpick a monstrous and deadly conspiracy that stretches from the marinas of Monaco to the mountains of Mozambique - one that threatens not only Rubicon, but ultimately the lives of millions of innocent civilians. And time is fast running out. . . . Dark secrets of the past, a decades-long quest for revenge, and a brutal conspiracy of lies all collide in ROGUE - the explosive new novel by the bestselling author of Nomad and Exile. _____ PRAISE FOR JAMES SWALLOW'S ESPIONAGE THRILLERS: 'Unputdownable' - WILBUR SMITH 'Britain's answer to Jason Bourne' - DAILY MAIL 'Explosive' - IRISH EXAMINER

A Memoir 2000 AD Books

"THE BOOK CHINA DOESN'T WANT YOU TO READ."—CNN A riveting insider's story of how the Party and big money work in China today, by a man who, with his wife, Whitney Duan, rose to the zenith of power and wealth—and then fell out of favor. She was disappeared four years ago. News of this book led to a phone call from Whitney, proof that she's alive. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that feat with the creation of one of Beijing's premier hotels. They

were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This is both Desmond's story and Whitney's, because she has not been able to tell it herself.

24: Deadline Forge Books

Since its original publication twenty years ago Rian Malan's classic work of narrative nonfiction *My Traitor's Heart* has earned its author comparisons to masters of literary nonfiction like Michael Herr and Ryszard Kapuscinski. *The Lion Sleeps Tonight* is Malan's remarkable chronicle of South Africa's halting steps and missteps, taken as blacks and whites try to build a new country. Some of the essays previously appeared in a collection published only in South Africa, *Resident Alien*, but others are collected here for the first time. The collection comprises twenty-three pieces; the title story investigates the provenance of the world famous song "The Lion Sleeps Tonight," which Malan traces back to a Zulu singer named Solomon Linda who recorded a song called "Mbube" in the 1930s, which went on to be covered by Pete Seeger, REM, and Phish, and was incorporated into the musical "The Lion King." In other stories, Malan follows the trial of Winnie Mandela and plunges into the explosive controversy over President Mbeki's AIDS policies of the 1990s. The stories, combined with Malan's sardonic interstitial commentary, offer a brilliantly observed portrait of contemporary South Africa. **Outlaw** Simon and Schuster

The race-against-time thriller about a deadly man-made virus, the far-right terrorist group planning to release it - and the one man who must stop them before millions are killed. From the Sunday Times bestselling author of *Nomad* comes *Shadow*, the most talked about pandemic thriller of 2020 - for fans of Gregg Hurwitz's *Into The Fire* and *The Eyes of Darkness* by Dean Koontz.

_____ A ruthless far-right terrorist is broken out of captivity. A mysterious bio-scientist with a terrible secret is abducted. A lethal virus threatens millions of lives across Europe and the Middle East. In a race against time that spans the globe, ex-MI6 officer Marc Dane and his partner Lucy Keyes are bound together in a desperate battle to stop the release of a deadly virus that will kill millions. Operating outside the law and with only their survival instincts, their resolve and morals will be tested in a desperate fight against the sinister forces that lie behind this evil pandemic conspiracy. What price would you pay to stop a global catastrophe? Praise for the James Swallow's thrillers: 'Unputdownable. A must-read' Wilbur Smith 'Britain's answer to

Jason Bourne' Daily Mail 'An ultra fast paced, worldwide chase to stop a madman, while leaving the reader breathless' Choice 'Explosive' Irish Examiner 'This is edge of the seat stuff that is terrifyingly real in places' Closer 'A killer of a thriller' Weekend Sport

The thrilling Sunday Times bestseller Forge Books

The explosive new book by the bestselling author of *The Mountbattens*.

Airside Bonnier Zaffre Ltd.

A highly anticipated memoir by Gabriel Byrne, the award-winning star of over 80 films, *Walking with Ghosts* is an exquisite portrait of an Irish childhood and a remarkable journey to Hollywood and Broadway success. "Make no mistake about it: *Walking with Ghosts* is a masterpiece. A book that will wring out our tired hearts. It is by turns poetic, moving, and very funny. You will find it on the shelf alongside other great Irish memoirs including those by Frank McCourt, Nuala O'Faolain and Edna O'Brien." —Colum McCann As a young boy growing up in the outskirts of Dublin, Gabriel Byrne sought refuge in a world of imagination among the fields and hills near his home, at the edge of a rapidly encroaching city. Born to working class parents and the eldest of six children, he harbored a childhood desire to become a priest. When he was eleven years old, Byrne found himself crossing the Irish Sea to join a seminary in England. Four years later, Byrne had been expelled and he quickly returned to his native city. There he took odd jobs as a messenger boy and a factory laborer to get by. In his spare time, he visited the cinema where he could be alone and yet part of a crowd. It was here that he could begin to imagine a life beyond the grey world of 60s Ireland. He reveled in the theatre and poetry of Dublin's streets, populated by characters as eccentric and remarkable as any in fiction, those who spin a yarn with acuity and wit. It was a friend who suggested Byrne join an amateur drama group, a decision that would change his life forever and launch him on an extraordinary forty-year career in film and theatre. Moving between sensual recollection of childhood in a now almost vanished Ireland and reflections on stardom in Hollywood and Broadway, Byrne also courageously recounts his battle with addiction and the ambivalence of fame. *Walking with Ghosts* is by turns hilarious and heartbreaking as well as a lyrical homage to the people and landscapes that ultimately shape our destinies.

I Am Pilgrim Macmillan

'A terrific thriller' James Patterson 'A new benchmark for the modern spy thriller' Peter James 'Excellent . . . packed with relentless pace and hard-edged thrills' James Swallow *Black 13* is the brilliant first novel in the Scott Pearce series from Adam

Hamdy. In this addictive and fast-paced thriller, ex-MI6 officer Pearce is about to show us that in a world where there is no loyalty to the nation state, it's time to burn the espionage rule book. An exiled agent. A growing threat. A clandestine war. The world is changing beyond recognition. Radical extremists are rising and seek to enforce their ideology globally. Governments, the military and intelligence agencies are being outmanoeuvred at every step. Borders are breaking down. Those in power are puppets. The old rules are obsolete. To fight this war a new doctrine is needed. In a world where nothing is at it seems, where trust is gone, one man will make the difference. Meet Ex-MI6 agent and man in exile, Scott Pearce. It's time to burn the espionage rule book. Watch Pearce light the fire.

Nomad 02. Exile Simon and Schuster

'PROOF THAT THE SPY GENRE IS FLOURISHING IN THE 21ST CENTURY' Guardian 'I know for certain that there is a mole somewhere within the intelligence services . . . His codename is Nobody . . .' Solomon Vine is a spy on a fast track to the top. But when a prisoner is shot in unexplained circumstances on his watch, only suspension and exile beckon. Three months later, MI6's Head of Station in Istanbul is violently abducted from his home. With the Service in lockdown, uncertain of who can be trusted, thoughts turn to the missing man's oldest friend: Solomon Vine. On the run and determined to clear his name, Vine tries to uncover the truth. But his investigation soon reveals that there's much more at stake than the life of a single spy... 'Compelling, intense and sharply authentic' James Swallow, bestselling author of *Nomad* 'A supremely confident debut' Daily Mail 'Authentic, mysterious, fraught with deception, betrayal, and uncertain allegiances' Jason Matthews, author of *Red Sparrow* 'Such a smart, pacey, twisty thriller. Tremendous!' C.J. Tudor, author of *The Chalk Man*

Devils in Exile Zaffre

This "scintillating story superbly told" (The Times, London) explores the adventurous life of the stylish and scandalous Elizabeth Chudleigh, Duchess of Kingston—a woman whose infamous trial was bigger news in British society than the American War of Independence—and provides a clear-eyed and fascinating look into the sumptuous Georgian Era. As maid of honor to the Princess of Wales, Elizabeth Chudleigh enjoyed a luxurious life in the inner circle of the Hanoverian court. With her extraordinary style and engaging wit, she both delighted and scandalized the press and public. She would later even inspire William Thackeray when he was writing his classic *Vanity Fair*, providing the inspiration for the alluring social climber Becky Sharp. But Elizabeth's real story is more complex and surprising than anything out of fiction. A clandestine, candlelit wedding to the young heir to an earldom, a second marriage to a duke, a lust for diamonds, and an electrifying appearance at a masquerade ball in a gossamer dress—it's no wonder that Elizabeth's eventual trial was a sensation. Charged with bigamy, an accusation she vehemently fought against, Elizabeth refused to submit to public humiliation and retire quietly. "A superb, gripping, decadent, colorful biography that brings an extraordinary woman and a whole world blazingly to life" (Simon Sebag Montefiore, New York Times bestselling author), The Duchess Countess is perfect for fans of *Bridgerton*, *Women of Means*, and *The Crown*.

The Lion Sleeps Tonight Kendall Ryan

The Sunday Times bestseller - a thrilling new adventure in Simon Scarrow's acclaimed *Eagles of the Empire* series. Perfect for readers of Conn Iggulden and Bernard Cornwell. READERS CAN'T GET ENOUGH OF SIMON SCARROW'S BOOKS! 'I could not put it down' ***** - AMAZON REVIEW 'Awesome read . . . '***** - AMAZON REVIEW 'A storytelling master . . . I loved this novel and can't wait for the next' ***** - AMAZON REVIEW 'If you have read the previous books, you already know how good they are . . . If you have not read any of these books, then get started!' ***** - AMAZON REVIEW A.D. 57. Battle-scarred veterans of the Roman army Tribune Cato and Centurion Macro return to Rome. Thanks to the failure of their recent campaign on the eastern frontier they face a hostile reception at the imperial court. Their reputations and future are at stake. When Emperor Nero's infatuation with his mistress is exploited by political enemies, he reluctantly banishes her into exile. Cato, isolated and unwelcome in Rome, is forced to escort her to Sardinia. Arriving on the restless, simmering island with a small cadre of officers, Cato faces peril on three fronts: a fractured command, a deadly plague spreading across the province...and a violent insurgency threatening to tip the province into blood-stained chaos. IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW ROME! MORE PRAISE FOR SIMON SCARROW'S NOVELS 'Scarrow's [novels] rank with the best' Independent 'Blood, gore, political intrigue' Daily Sport 'Always a joy' The Times **Hard Times for These Times** Grove Press

The incredible, pulse-pounding international thriller from the Sunday Times bestselling master of the modern espionage novel,

James Swallow. _____ A vicious Serbian gang whose profits come from fake nuclear weapons. A disgraced Russian general, with access to the real thing. A vengeful Somali warlord, with a cause for which he'd let the world burn. A jaded government agency, without the information to stop him. Only one man sees what's coming: Marc Dane. And even he might not be able to prevent it... Racing breathlessly from uncharted CIA prisons to the skyscrapers of Dubai, from storm-beaten oil rigs off the African coast to the ancient caverns beneath the city of Naples, Marc Dane returns in this pulse-pounding action thriller from the internationally bestselling author of *NOMAD*.

Rogue Yale University Press

A terrible threat from the depths of the dark net. A devastating betrayal at the heart of a covert strike force. A deadly pursuit across a digital battlefield. A ruthless terrorist fuelled by revenge. As devastating attacks unfold across the globe, Marc Dane must call on all his skills and ingenuity to track down the mysterious figure behind it all - a faceless criminal known only as "Madrigal". Before they plunge the world into war.

The Normal Heart Simon and Schuster

The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There i detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

A Novel Open Road Media

Dramatizes the onset of the AIDS epidemic in New York City, the agonizing fight to get political and social recognition of it's problems, and the toll exacted on private lives. 2 acts, 16 scenes, 13 men, 1 woman, 1 setting.

The Duke and Duchess of Windsor in Exile Macmillan

Beleaguered businessman Kevin Tyler's life is imploding: he's spent months setting up a deal to open an office in Northern Germany, risking everything he owns to push the project through - but at the last possible moment, his partners renege on the agreement when another party sweeps in with a better offer. Left high and dry, Tyler knows he is going home to bankruptcy and an uncertain future. And to add insult to injury, an overbooked flight sees him bumped off the last plane home, leaving him behind to wait out a storm until the next departure the following morning. Stranded in the airside zone of a remote municipal airport, Kevin's luck seems to have run out - until he stumbles upon a bag of money that could be the solution to all his woes. There's just one problem - the money is part of a conspiracy of blackmail and murder, and those involved are willing to do anything to keep it...

Walking with Ghosts Bonnier Publishing Fiction Ltd.

The 1960s was a tumultuous period in the history of Greece, as its democracy fell under the forced establishment of a military dictatorship. The regime of the colonels was the culmination of national division and hostility between communist forces and right wing militants. It was in these extraordinary times that British historian Richard Clogg witnessed the 1967 coup, while living in Athens and researching modern Greek history. Following his abrupt immersion in Greek politics and political activism, Clogg went on to a joint appointment at the School of Slavonic and East European Studies (SSEES) and King's College, London. At SSEES, he uncovered the contested history of nationalist funding in academia and postings. After publishing his controversial book *Politics and the Academy*, Clogg moved to St Antony's College, Oxford. *Greek to Me: A Memoir of Academic Life* is an engrossing tale of academic and political intrigue, spanning Clogg's time in Greece and in the Department of Byzantine and Modern Greek Studies at King's College London. Through extensive personal archives of his fascinating adventures, Clogg exposes the secretive fields of academia and university politics as well as providing unique eyewitness accounts of modern Greek history.

How Religion Evolved and Why It Endures Headline

A New York Times Notable Book for 2011 One of The Economist's 2011 Books of the Year People speak different languages, and always have. The Ancient Greeks took no notice of anything unless it was said in Greek; the Romans made everyone speak Latin; and in India, people learned their neighbors' languages—as did many ordinary Europeans in times past (Christopher Columbus knew Italian, Portuguese, and Castilian Spanish as well as the classical languages). But today, we all use translation to cope with the diversity of languages. Without translation there would be no world news, not much of a reading list in any subject at college, no repair manuals for cars or planes; we wouldn't even be able to put together flat-pack furniture. Is That a Fish in Your Ear? ranges across the whole of human experience, from foreign films to philosophy, to show why translation is at the heart of what we do and who we are. Among many other things, David Bellos asks: What's the difference between translating unprepared natural speech and translating Madame Bovary? How do you translate a joke? What's the difference between a native tongue and a learned one? Can you translate between any pair of languages, or only between some? What really goes on when world leaders speak at the UN? Can machines ever replace human translators, and if not, why? But the biggest question Bellos asks is this: How do we ever really know that we've understood what anybody else says—in our own language or in another? Surprising, witty, and written with great joie de vivre, this book is all about how we comprehend other people and shows us how, ultimately, translation is another name for the human condition.

A Novel Bonnier Zaffre Ltd.

It has, improbably, been called uncommonly lucid, even riveting by The New York Times, and it was a finalist for the 2004 National Book Awards nonfiction honor. It is a literally chilling read, especially in its minute-by-minute description of the events of the morning of 9/11 inside the Twin Towers. It is The 9/11 Commission Report, which was, before its publication, perhaps one of the most anticipated government reports of all time, and has been since an unlikely bestseller. The official statement by the National Commission on Terrorist Attacks Upon the United States—which was instituted in late 2002 and chaired by former New Jersey Governor Thomas Kean—it details what went wrong on that day (such as intelligence failures), what went right (the heroic response of emergency services and self-organizing civilians), and how to avert similar future attacks. Highlighting evidence from the day, from airport surveillance footage of the terrorists to phone calls from the doomed flights, and offering details that have otherwise gone unheard, this is an astonishing firsthand document of contemporary history. While controversial in parts—it has been criticized for failing to include testimony from key individuals, and it completely omits any mention of the mysterious collapse of WTC 7—it is nevertheless an essential record of one of the most transformational events of modern times.

Eclipse Melville House

In December 2013, David Satter became the first American journalist to be expelled from Russia since the Cold War. The Moscow Times said it was not surprising he was expelled, "it was surprising it took so long." Satter is known in Russia for having written that the apartment bombings in 1999, which were blamed on Chechens and brought Putin to power, were actually carried out by the Russian FSB security police. In this book, Satter tells the story of the apartment bombings and how Boris Yeltsin presided over the criminalization of Russia, why Vladimir Putin was chosen as his successor, and how Putin has suppressed all opposition while retaining the appearance of a pluralist state. As the threat represented by Russia becomes increasingly clear, Satter's description of where Russia is and how it got there will be of vital interest to anyone concerned about the dangers facing the world today.
