NOOK Tablet Little, Brown Books for Young Readers
 When you open the box for your brand-new NOOK Tablet, you'll find Barnes & Noble's latest 7-inch media device to hit the market, a USB cable, power adapter, and a "Quick Start Guide" that tells you how to turn it on. But to really take advantage of all the content and features the device has to offer, you'll need a little more. NOOK Tablet: Out of the Box gets you up and running beyond the first "Slide to unlock" screen to unlock all of your media from the cloud in the palm of your hand. The new NOOK Tablet gives you immediate access to online music, movies, and the best of HD entertainment, wherever you are, as long as you know where to find it and how to consume it. With NOOK Tablet: Out of the Box, you'll jump right in to reading full-color magazines, newspapers, comics, interactive NOOK Kids books, beautiful PagePerfect titles, and your entire personal B&N library in the NOOK Reading App. Then, go beyond your own media to experience integrated email, games, Android apps, and lightning-fast web browsing. This intuitive, easy-to-follow ebook opens the world of possibilities made possible by the NOOK Tablet, right out of the box.
The Unofficial Beginners Guide Doing Everything from Watching Movies, Downloading Apps, Finding Free Books, Emailing, and More! John Wiley & Sons
 The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

David Busch's Canon EOS R5/R6 Guide to Digital Photography is your all-in-one comprehensive resource and reference for the exciting new Canon EOS R5 and R6 full-frame mirrorless cameras. Enthusiasts can choose between the super-high resolution of the R5's 45-megapixel sensor, or the superior low-light performance and action-friendly high-capacity buffer of the 20-megapixel R6. Both cameras boast continuous shooting up to 20 frames per second, in-body image stabilization, and 1,053 Dual-Pixel II phase-detection AF points for lightning-fast, precise autofocus. Their high-resolution OLED electronic viewfinders provide a bright, clear view. Three available adapters make it easy to supplement your R-mount lenses with a broad selection of legacy Canon EF and EF-S optics. The EOS R5 and R6 have wireless connectivity to allow linking to a computer and iOS or Android smart device, high-definition 4K and Full HD movie-making capabilities, and a versatile swiveling touch-screen LCD. With this book in hand, you can quickly apply all these advanced features to your

digital photography, while boosting your creativity to take great photographs with your Canon EOS R5 or R6.
 Filled with detailed how-to steps and full-color illustrations, *David Busch's Canon EOS R5/R6 Guide to Digital Photography* covers all this upscale camera's features in depth, from taking your first photos through advanced details of setup, exposure, lens selection, lighting, and more, and relates each feature to specific photographic techniques and situations. Also included is the handy "roadmap" chapter, an easy-to-use visual guide to the camera's features and controls. Learn when to use each option and, more importantly, when not to use them, by following the author's recommended settings for every menu entry. With best-selling photographer and mentor David Busch as your guide, you'll quickly have full creative mastery of your camera's capabilities, whether you're shooting on the job, as an advanced enthusiast, or are just out for fun. Start building your knowledge and confidence, while bringing your vision to light with the Canon EOS R5/R6 today.

 Using nook is a unique resource that goes beyond the manual and includes comprehensive information on locating third-party books and other specialty topics. It provides tutorials for doing basic tasks and is comprised of valuable tips on how to get the most from the device rather than focusing purely on basic usability. The author, Jim Cheshire, has been entrenched in nook research and use since he first heard about the new device. He has delved into every aspect of it, hacked it, tweaked it, etc. Even before getting his hands on one, he researched it and listened to the experts

discuss its use. He is an early adopter and firm believer in the product and doesn't hesitate to make the claim that it is here to stay. Jim is a published Que author, an avid reader, and a self-proclaimed nook expert.

A James Patterson Presents Novel From the #1 New York Times and USA Today bestselling author of the Stalking Jack the Ripper series comes a new blockbuster series... Two sisters. One brutal murder. A quest for vengeance that will unleash Hell itself... And an intoxicating romance. Emilia and her twin sister Vittoria are streghe -- witches who live secretly among humans, avoiding notice and persecution. One night, Vittoria misses dinner service at the family's renowned Sicilian restaurant. Emilia soon finds the body of her beloved twin...desecrated beyond belief. Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost-even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems...

Note: This is the 3rd edition. If you need the 2nd edition for a course you are taking, it can be found as a "other format" on amazon, or by searching its isbn: 1534970746 This gentle introduction to discrete mathematics is written for first and second year math majors, especially those who intend to teach. The text began as a set of lecture notes for the discrete mathematics course at the University of Northern Colorado. This course serves both as an introduction to topics in discrete math and as the "introduction to proof" course for math majors. The course is usually taught with a large amount of student inquiry, and this text is written to help facilitate this. Four main topics are covered: counting, sequences, logic, and graph theory. Along the way proofs are introduced, including proofs by contradiction, proofs by induction, and combinatorial proofs. The book contains over 470 exercises, including 275 with solutions and over 100 with hints. There are also Investigate! activities throughout the text to support active, inquiry based learning. While there are many fine discrete math textbooks available, this text has the following advantages: It is written to be used in an inquiry rich course. It is written to be used in a course for future math teachers. It is open source, with low cost print editions and free electronic editions. This third edition brings improved exposition, a new section on trees, and a bunch of new and improved exercises. For a complete list of changes, and to view the free electronic version of the text, visit the book's website at discrete.openmathbooks.org

In Life Code: The New Rules for Winning in the Real World, six-time New York Times #1 best-selling author Dr. Phil McGraw abandons traditional thinking and tells you the ugly truth about the users, abusers, and overall "bad guys" we all have in our lives. He also reveals the secrets of how they think and how they get to and exploit you and those you love. You'll gain incredible insight into these negative people, which he refers to as BAITERS (Backstabbers, Abusers, Imposters, Takers, Exploiters, Reckless), and you'll gain the tools to protect yourself from their assaults. Dr. Phil's new book gives you the "Evil Eight" identifiers so you can see them coming from a mile away, as well as their "Secret Playbook," which contains the "Nefarious 15" tactics they use to exploit you and take what is yours mentally, physically, socially and professionally. Life Code then focuses on you and your playbook, which contains the "Sweet 16" tactics for winning in the real world. Edgy, controversial and sometimes irreverent, Dr. Phil again abandons convention to prepare you to claim what you deserve and claim it now. You take flying lessons to learn to fly, swimming lessons to learn to swim, and singing lessons to learn to sing. So, why not take winning lessons to learn to win?
