The Convoluted Universe: Book 3 Rodale

It seems to us that some people are getting to know the Galactic Federation of Light. Therefore, we decided writing some books about it. This one is the first. May it serve you. You personally!

Principles of Pleiadian Spirituality Red Wheel/Weiser

The first volume of the Starseed Trilogy: Intuitive knowledge featuring a startling new view of human evolution.

New Pleiadian Wisdom for a World in Chaos Red Wheel/Weiser

For the first time in history, a Pleiadian group has invited a human couple to join an interplanetary team to assist in human evolution. Laarkmaa is a loving group of Pleiadians who are dedicated to the evolution of humanity. Cullen Baird Smith and Pia Smith Orleane, acting as Ambassadors to the Pleiadians, bring Laarkmaa's inspiring and heartwarming messages of hope, love, and peace to all who are willing to listen. Smith and Orleane share

Laarkmaa's wisdom from public gatherings and recorded conversations about the illusion of time, the future of technology, our innate ability to heal ourselves, and information about who is here to guide us through these auspicious times. These conversations bring revelatory insights about human emotions, telepathic communication, and our own divinity. The Pleiadians tell us that we have a choice in changing the course of our own evolution. Will we make the right choice? "A riveting journey into the depths of the human soul with an encouraging message that there is still hope for humans, if we choose to act wisely and listen to the voice of love." Cheryl Fracasso, Association for Humanistic Psychology "This is one of the most thought provoking books I've read in years. It presents powerful insights and observations of our situation on earth, and practical information about how to move toward a brighter future for humanity. I can't wait to see what's in their next book." Kent Noonan, President, En-Lightened Science for Conscious Living "This is a remarkable account of what some psychologists call an exceptional human experience. The messages are articulate, provocative, and hopeful. Readers may agree or disagree with the authors' perspective, but they will never get bored while reading this book." Stanley Krippner, Ph.D., Author, *Mysterious Minds: The Neurobiology of Psychics, Mediums, and Other Extraordinary People*

The Celestine Prophecy Simon and Schuster

Pleiadians on Autism brings to light channeled information from the Pleiadian point of view that reveals new knowledge about autism. It provides unusual and remarkable information about who the autistics are and their significant roles on planet Earth. It also tells Alexandra's personal story and

illustrates her relationship with the Pleiadians. This book is intended to support brave parents who dare to open up their hearts and minds to new concepts. Only your heart can tell you if this information is for you.

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Laarkmaa, a wise and loving group of Pleiadians, presents their marvelous help in the last of the Wisdom From the Stars Trilogy. In this book Laarkmaa gives us the guidelines and their suggestions for moving through our own evolution and ascension with flexibility, flow, and grace.

Explaining the changing structures of our world and offering ways to prepare for this transition, the Manual provided by these interstellar friends helps humanity to move beyond the illusion of the third dimension into a greater multidimensional perspective of reality. Important topics covered in this book include healing, a comprehensive description of consciousness, suggestions for an Ascension Diet, a surprising definition of the dark, Cosmic Weather and the effects of light, and a wonderful description of unconditional love. The final chapter leads us into the secrets of manifestation.

Pleiadian Perspectives on Human Evolution Harper Collins

As a multi-dimensional time traveler, Jason Quitt has experienced the past, the present and the future. From ancient Egypt and Atlantis to our possible pre and post apocalyptic future he has been a witness to our un-recorded history. Within the pages of "Forbidden Knowledge" you will learn who we are and how mainstream archaeologists, scientists and historians have been swept up in a fabricated storyline. Our world isn't what we think it is. It's a world once fought and protected by other worldly and dimensional beings. An ascension process is taking place on our planet today that is awakening our consciousness to peer beyond the veils of our known reality. We are once again remembering our place in the universe as multi-dimensional beings who are having a physical experience on planet Earth.

Comes the Awakening Ozark Mountain Publishing

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Pleiadians are moving into a new era. Through the opening of a new multidimensional timeframe, a pure light frequency has activated the sacred timing of an important aspect of their commitment to us as a human race. This is what the Pleiadians refer to as fulfilling the Promise that was set in place lifetimes ago. Now is the time for them to reveal to us as a human race the sacred aspects of who we are and what we need to do to become fully realized and fulfill our role on our Earth plane. The energy of this Promise holds the key to our further awakening and the unfolding of our self-realization process on a multidimensional level. This Promise activates the revelations of understanding and knowledge to be given to all those who are seekers of Truth--information that will help us to understand this transition and the role we need to play to fully open ourselves to our magnificence. A series of blessed revelations align you to a deeper natural aspect of your own humanness and spirituality. The Pleiadian Promise also includes six channeled audio files that give you a direct experience with the Pleiadians through multidimensional levels of light initiations.

Matryoshkas in Therapy Hay House, Inc

Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. Earth: Pleiadian Keys to the Living Library is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they entice us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times.

In 1945 when the atomic bombs were dropped in WWII, our "protectors" and "watchers" in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and

assist her in her ascension. They couldn't interfere from the "outside", but maybe they could influence from the "inside". So the call went out for volunteers to come and help. "Earth is in trouble - who wants to volunteer?" The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the "Source" and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. * Characteristics of the Three Waves of Volunteers * The Difficulties being Experienced by First-Timers * How the Shift is affecting the Physical Body * The Roles of ETs and Light Beings in the Shift * Keepers of the Grid * The Separation of the Old and New Earth * What is the New Earth? * What is the Significance of 2012?

Loyalty to Your Soul establishes Spiritual Psychology as a paradigm-altering frontier. It initiates a radical shift at the core of contemporary psychological thought by unveiling a technology for using everyday life experiences as rungs on the ladder of spiritual evolution. This book is uniquely suited for anyone seeking to discover and cross the bridge that spans the waters between life referenced in material reality and life lived within the context of spiritual reality. Loyalty to Your Soul shows you how to first gain access to, and then gradually learn to live from, that sacred place inherent within everyone referred to by the authors as the Authentic Self—a place where emotional suffering ceases and profound peace and love are present. While many people have written about such an inner state, Ron and Mary Hulnick show you how to travel there . . . and what to anticipate once you arrive. The radical technology they introduce empowers readers to transform challenging or negative human experiences into direct experiences of the Soul.
