BALDWIN DOUGLAS

Villa Volvo Vovve Abrams

More than a decluttering guide, this book “speaks to the heart and soul of the minimalist lifestyle . . . a must-have manual for serenity in the modern world!” (Anne Sage, author of *Sage Living*). For anyone looking to declutter, organize, and simplify, author Erin Boyle shares practical guidance and personal insights on small-space living and conscious consumption. At once

pragmatic and philosophical, *Simple Matters* is an essential manual for anyone who wants to bring more purpose and sustainability to their daily lives. Boyle demonstrates how the benefits of “living small” are accessible to us all—whether we’re renting a tiny apartment or purchasing a three-story house. Filled with personal essays, projects, and helpful advice on how to be inventive and resourceful in a tight space, *Simple Matters* shows that living simply is about making do with less and ending up with more: more free time, more time with loved ones, more savings, and more things of beauty.

[The Gentle Art of Swedish Death Cleaning](#) Penguin UK

Life is a journey and like most of journeys leaves behind emotional memories as well A LOT of stuffy clutter... Time to get back your living spaces has come! Learn how to free yourself from useless personal belongings by downsizing and organizing your home in just 10 minutes a day per 30 days! Because your happiness is that of your loved ones... How many times entering your house, office or any other living space of your day-to-day activities, find yourself pretending not to see ALL THAT MESS around you? The room just doesn't feel as spacious as it used to, you might think... Would you like to do something (maybe tomorrow?) but the memories (and laziness...) connected to those things will just hold you... Everyone's life, for different reasons, leads us to buy, receive and gather an incredible amount of things. Things, which over time broke, were no longer used and then set aside. This is why these accumulate on the bottom of the wardrobes, in the closets, on the shelves of bookcases and in any corner of our house. But one day someone will have to throw them away...and rest assured that this won't be an easy nor emotionless task to your loved ones... The practice of starting to clean up yours stuff as you approach your later years is quite common in Scandinavia, where it is lived without embarrassment or taboo, but rather as a sign of great civilization. This noble practice, the Swedish Death Cleaning that has come to the forefront in recent years, provides you with a systematic approach and most effective strategies to get rid of your mess by decluttering your life, home and living spaces, making your later stages as smooth and stress-free as possible. Contrary to what one might think, the conceptual framework behind the Swedish Death Cleaning is in itself not limited to a specific age alone, as

persons of different ages can also learn from its concept of minimalism and live a clutter-free life. Designed, optimized and arranged in a 30 days challenge, this workbook will provide you with unmatched daily step-by-step guide taking you through the whole process of death cleaning in just 10 minutes a day. You'll get access to easy and proven day-by-day best practices that will exactly shows you the activities and exercises to be carried out, as well as when and how to perform them. All this by helping you with the essential and powerful daily checklists featured in this book to assist you implementing your decluttering process to a healthy and happy life. Here is what you'll learn: Introduction to the noble art of Death Cleaning, what is it and the importance of starting it to a Happier Life regardless of age; The importance of decluttering in the Stress and Financial management; Tips and strategies to declutter your useless stuff overcoming clutter emotions; Stop hoarding unnecessary items and live an essential and happier life; The detailed 30 days challenge that will guide you through a step-by-step process to declutter your life, day by day, week by week, room by room and item by item; Learn and apply mind decluttering techniques; You know it's time to take responsibility for the things you own taking care of them before they become a burden to your friends and family. Always remember that what your loved ones will need are your memories not just piled junks! Are you ready to get rid of clutter once and for all? Don't let things take control of your life! Scroll up and hit the BUY NOW button and join the 30 days Challenge to get back your life!

Lagom Hardie Grant Publishing

Lagom (pronounced lah-gom) is a Swedish word that means 'not

too much and not too little but just the right amount'. It's about achieving a happy and healthy balance in all aspects of your life, setting realistic goals and living within your means. Be kind to yourself and simplify your life. Think Lagom.

The House on the Strand Simon and Schuster

Join the happiness revolution! The author of the New York Times bestseller *The Little Book of Hygge* offers more inspiration and suggestions for achieving greater happiness, by practicing Lykke (LOO-ka)—pursuing and finding the good that exists in the world around us every day. While the Danes are the happiest people on the planet, happiness isn't exclusively Danish; cultures around the world have their own unique approaches to leading a contented, fulfilled life. For his work at the Happiness Research Institute in Copenhagen, Meik Wiking travels the globe from Dubai to Finland, Rio de Janeiro to Bhutan, South Korea to the United States, to discover the secrets of the very happiest people. In *The Little Book of Lykke*, Meik identifies the six factors that explain the majority of differences in happiness across the world—togetherness, money, health, freedom, trust, and kindness—and explores what actions we can take to become happier. As he reveals, we can deepen our blissfulness and contentment with little adjustments in our behavior, whether it's eating like the French (sitting around a table and savoring our time) or dancing the tango like Argentinians in Buenos Aires. With his trademark warmth and wit, Meik explores the happiness gap for parents, how much money you really need to buy happiness, how we can be healthier without having to go to the gym, how we can learn to build trust and collaboration, how we can help ourselves by helping others, and why our expectations often

outweigh our reality. Weaving together original research and personal anecdotes, *The Little Book of Lykke* is a global roadmap for joy that offers a new approach to achieving everyday happiness that not only improve our own lives, but help us build better communities and a better world.

Hygge and Lagom Headline Home

Discover contemporary interiors inspired by natural landscapes. Discover contemporary interiors inspired by natural landscapes. Modern pastoral interiors are about embracing the pared-back lifestyle of living in the country, taking nature as the main point of inspiration. Use colors, textures, and details to create a home in which to unwind—a retreat from the rest of the world. Niki Brantmark explores various takes on this simple, informal style. The graphical look is striking, reminiscent of exposed landscapes: think whitewashed ceilings, rugged stone surfaces, and striking black features, softened by cozy soft furnishings and fresh plants and flowers. Savanna style introduces warmer hues, featuring painted wood and reds, oranges, and browns in textiles, furniture, and collectibles. Nordic interiors take in the best of the Scandinavian landscape—clean white backdrops against sleek designs—while those inspired by forest and mountain streams are filled with rich, deep greens and blues, combined with traditional patterns and features, such as log burners, wood paneling, and woven rugs. The stunning photography for this book takes in locations across Scandinavia and the United States, and all evoke an ideal, rural life, adapted to modern living.

Lagom Cider Mill Press

Discover the Swedish tradition of fika—the twice-daily coffee break—in this illustrated guide with facts, quotes, tips, and

twenty sweet and savory recipes. Swedes are among the happiest people in the world—and for good reason. They know how to savor life’s little pleasures. And there’s nothing they enjoy more than taking a break—sometimes twice a day—to spend with friends over a delicious treat and a rich cup of coffee. The Little Book of Fika is your introduction to this time-honored ritual. With these traditional Swedish recipes, insightful quotes, and more, you’ll know why the Swedish love to say “Lagon ar bast” (Just the right amount is best).

The Little Book of Scandi Living Andrews McMeel Publishing
 FOOD AND CULTURE is the market-leading text for the cultural foods courses, providing information on the health, culture, food, and nutrition habits of the most common ethnic and racial groups living in the United States. It is designed to help health professionals, chefs, and others in the food service industry learn to work effectively with members of different ethnic and religious groups in a culturally sensitive manner. Authors Pamela Goyan Kittler and Kathryn P. Sucher include comprehensive coverage of key ethnic, religious, and regional groups, including Native Americans, Europeans, Africans, Mexicans and Central Americans, Caribbean Islanders, South Americans, Chinese, Japanese, Koreans, Southeast Asians, Pacific Islanders, Greeks, Middle Easterners, Asian Indians, and regional Americans.

INTERNATIONAL BESTSELLER • 2 MILLION+ COPIES SOLD
 WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and

lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days.

“Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day? What’s your ikigai?

Lagom CICO Books

Perfect for fans of *The Little Book of Hygge* and *Norwegian Wood*, find the balance in life that is just right for you. Let Lola A. Åkerström, Editor-in-chief of *Slow Travel Stockholm*, be your

companion to all things lagom. As the Swedish proverb goes, 'Lagom är bäst' (The right amount is best). Lagom sums up the Swedish psyche and is the reason why Sweden is one of the happiest countries in the world with a healthy work-life balance and high standards of living. Lagom is a way of living that promotes harmony. It celebrates fairness, moderation and being satisfied with and taking proper care of what you've got, including your well-being, relationships, and possessions. It's not about having too little or too much but about fully inviting contentment into our lives through making optimal decisions. Who better than Lola A. Åkerström to be your lagom guide? Sweden-based Lola is an award-winning writer, photographer, and editor-in-chief of Slow Travel Stockholm and she offers us a unique vantage point when it comes to adopting elements of a lagom lifestyle. Full of insights and beautiful photographs, taken by Lola herself, this authentic book will help you make small, simple changes to your every day life - whether that's your diet, lifestyle, money, work or your home - so you can have a more balanced way of living filled with contentment.

The Scandinavian Guide to Happiness Hachette UK
A Swedish doctor shares the secrets of Nordic health and happiness in this short guide to living a longer life. The Nordic Guide to Living 10 Years Longer is a pragmatic little book that channels the simple, healthy lifestyle of Scandinavia. Swedish doctor Bertil Marklund covers broad ground in just over one-hundred pages, providing a comprehensive guide to lifestyle choices, including sleep, diet, exercise, and the negative impact of stress; he also introduces the concept of lagom, a Swedish take on moderation. We can all adopt the ten tips outlined in the

book without completely rethinking the way we live. With his practical advice, Dr. Marklund gives you the power to make a difference in your own life—today, and in the future.

Hygge Greystone Books Ltd

Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living,

features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

Lagom Ten Speed Press

The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret

drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

The Little Book of Lykke CICO Books

Happiness is just around the corner with this practical guide from the internationally bestselling author of *The Little Book of Hygge*. Some people and even countries are simply happier than others. Meik Wiking, founder of the world's first Happiness Research Institute, has spent years crossing the globe to discover what makes people happy or unhappy and learn what each of us can do to improve our own well-being. In *The Key to Happiness* he shares the scientific results of this quest, identifying the six building blocks of happiness; togetherness, money, health, kindness, trust and freedom. By incorporating a healthy balance of all six, each of us can live happier, more purposeful and satisfied lives. While Meik has travelled across the globe to discover the secrets of the world's happiest people, this book shows us that you can be just as happy where you are. 'An inspiring and highly engaging exploration of what really makes us happy, all underpinned by the latest research' Dr Mark Williamson, Director of Action for Happiness 'A wonderful guide to happy living. It's based on hard evidence and written with a wonderful sense of fun' Richard Layard, Centre for Economic Performance, LSE and author of *Happiness* **Previously published as *The Little Book of Lykke***

Lagom Hachette+ORM

Discover *lagom*—the Swedish idea of balance, harmony, beauty, and sufficiency. Our love affair with all things Scandinavian shows

no signs of letting up. Having embraced the Danish concept of *hygge*, we're now looking to Sweden and one of their essential philosophies, *lagom*. It's best described as "not too much, not too little; just the right amount," which, in practice, is balance—and isn't that what we're all looking for? In this delightful book, Elisabeth Carlsson, a Swede who has been living in the UK for many years, lets us in on the secrets of the enviable Swedish lifestyle and shows us how we can all be a little more *lagom*. She explains what *lagom* means to the Swedish and then explores how it can relate to all areas of our life, starting with our separation of work and home and how we manage our time. She suggests taking a more balanced approach to how we eat, never depriving ourselves but not overindulging and avoiding waste. Elisabeth also explains what makes a home more *lagom* in style and function and how we can take care of it sustainably. We also need to appreciate and look after our bodies with moderate exercise and care. *Lagom* has the potential to change our approach to life as a whole, and help us realize that what's good for the world can also be good for us, too. Filled with advice and ideas, this thoughtful guide provides the key to a *lagom* way of living—healthy, harmonious, and happy.

The Book of Lagom Thomson Brooks/Cole

Uncover the secrets of the Swedish philosophy of life called *Lagom* – meaning 'just enough'. At its core is the idea that we can strike a healthy balance with the world around us without having to make extreme changes, and without denying ourselves anything.

Live Laugh Lagom Geotraveler Media

Lagom is a Swedish idea of "just enough." You learn how to live

your life with not too little, but not too much either. This is the key to true success and happiness, and we are going to explore exactly how to make this happen in this guidebook.

The Little Book of Fika LYS förlag

An inviting exploration of "the new *hygge*": the Swedish concept of *lagom*—finding balance in moderation—featuring inspiration and practical advice on how to find a happy medium in life, home, work, and health. Following the cultural phenomena of *fika* and *hygge*, the allure of Scandinavian culture and tradition continues in the Swedish concept of *lagom*. From home design and work-life balance, to personal well-being and environmental sustainability, author Anna Brones presents valuable Swedish-inspired tips and actionable ways to create a more intentional, healthy lifestyle. Instead of thinking about how we can work less, *lagom* teaches us to think about how we can work better. *Lagom at home* is about finding balance between aesthetics and function, focusing on simplicity, light, and open spaces. Health and wellness in *lagom* is a holistic approach for the body and mind, including connecting more in person, caring for self, managing stress, keeping active, and embracing enjoyment in daily routine. *Live Lagom* inspires us to slow down and find happiness in everyday balance.

The Lagom Life Simon and Schuster

An illustrated lifestyle cookbook on the Swedish tradition of *fika*--a twice-daily coffee break--including recipes for traditional baked goods, information and anecdotes about Swedish coffee culture, and the roots and modern incarnations of this cherished custom. Sweden is one of the world's top coffee consuming nations, and the twice-daily social coffee break known as *fika* is a cherished

custom. Fika can be had alone or in groups, indoors or outdoors, while traveling or at home. A time to take a rest from work and chat with friends or colleagues over a cup and a sweet treat, fika reflects the Swedish ideal of slowing down to appreciate life's small joys. In this adorable illustrated cookbook, Anna Brones and Johanna Kindvall share nearly fifty classic recipes from their motherland—from cinnamon buns and ginger snaps to rhubarb cordial and rye bread—allowing all of us to enjoy this charming tradition regardless of where we live.

[The Art of Simple Living](#) CICO Books

Bring Hygge into your home this year with this beautiful and essential guide to the globally celebrated Danish art of happiness 'At these times it is crucial for me to have hygge. Hygge time with family and friends, hygge moments with myself and a

hyggelig home. It's small moments that money cannot buy you, finding the magic in the ordinary.' _____ Whether it's listening to the rain with a cup of tea, or going on a long walk with a loved one, hygge can be harnessed all around us. We all know the feeling of hygge instinctively, but few of us ever manage to capture it for more than a moment. Now Danish actress and hygge aficionado Marie Tourell Söderberg has travelled the length and breadth of her home country to create the perfect guide to cooking, decorating and enjoying yourself, inspired the hygge way. Full of beautiful photographs and simple, practical steps and ideas to make your home comforting and content, this book is the easy way to introduce hygge into your life. 'Pretty, homey and intimate, scattered with reflections from ordinary Danes' GUARDIAN
