NATIONAL JEWISH BOOK AWARD WINNER • Visually and emotionally rich, MetaMaus is as groundbreaking as the masterpiece whose creation it reveals. In the pages of MetaMaus, Art Spiegelman re-enters the Pulitzer prize-winning Maus, the modern classic that has altered how we see literature, comics, and the Holocaust ever since it was first published twenty-five years ago. He probes the questions that Maus most often evokes—Why the Holocaust? Why mice? Why comics?—and gives us a new and essential work about the creative process. Compelling and intimate, MetaMaus is poised to become a classic in its own right.

From Derf Backderf, the bestselling author of My Friend Dahmer, comes the tragic and unforgettable story of the Kent State shootings† On May 4, 1970, the Ohio National Guard gunned down unarmed

college students protesting the Vietnam War at Kent State University. In a deadly barrage of 67 shots, 4 students were killed and 9 shot and wounded. It was the day America turned guns on its own children—a shocking event burned into our national memory. A few days prior, 10-year-old Derf Backderf saw those same Guardsmen patrolling his nearby hometown, sent in by the governor to crush a trucker strike. Using the journalism skills he employed on My Friend Dahmer and Trashed, Backderf has conducted extensive interviews and research to explore the lives of these four young people and the events of those four days in May, when the country seemed on the brink of tearing apart. Kent State: Four Dead in Ohio, which will be published in time for the 50th anniversary of the tragedy, is a moving and troubling story about the bitter price of dissent—as relevant today as it was in 1970.

Winner of the Orange Prize for Fiction In the spring of 1946, Evelyn Sert stands on the deck of a ship bound for Palestine. For the twenty-year-old from London, it is a time of adventure and change when all things seem possible. Swept up in the spirited, chaotic churning of her new, strange country, she joins a kibbutz, then moves on to the teeming metropolis of Tel Aviv, to find her own home and a group of friends as eccentric and disparate as the city itself. She falls in love with a man who is not what he seems when she becomes an unwitting spy for a nation fighting to be born. This book opens with Portrait of the Artist as a Young %@&*, creating vignettes of the people, events, and comics that shaped Art Spiegelman. It traces the artist's evolution from a MAD-comics obsessed boy in Rego Park, Queens, to a neurotic adult examining the effect of his parents' memories of Auschwitz on his own son. The second part presents a facsimile of Breakdowns, the long-sought after collection of the artist's comics of the 1970s, the book that triggers these memories. Breakdowns established the mode of formally sophisticated comics that transformed the medium, and includes the prototype of Maus, cubist experiments, an essay on humor, and the definitive genre-twisting pulp story "Ace Hole-Midget Detective." Pulling all this together is an illustrated essay that looks back at the sixties as the artist pushes sixty, and explains the obsessions that brought these works into being. Poignant, funny, complex, and innovative, Breakdowns alters the terms of what can be accomplished in a memoir.

It is one of the poorest neighborhoods in a city whose law enforcement is already stretched thin, devoid of forensic resources and rife with corruption. So when the eviscerated bodies of preteen boys begin to appear in the dump heaps, there is no one to seek justice on their behalf. In the rainy summer of 1997, two Jesuit priests take the matter of protecting their flock into their own hands. Father Gus Saenz is a respected forensic anthropologist, one of the few in the Philippines, and has been tapped by the Director of the National Bureau of Investigations as a backup for police efforts.
