Sir Cumference and the Dragon of Pi

Mariner Books

#1 NEW YORK TIMES BESTSELLER •

From the author of Jurassic Park, Timeline, and Sphere comes this extraordinary thriller about airline safety, business intrigue, and a deadly cover-up. “The pacing is fast, the suspense nonstop.”—People Three passengers are dead. Fifty-six are injured. The interior cabin is virtually destroyed. But the pilot manages to land

the plane. At a moment when the issue of safety and death in the skies is paramount in the public mind, a lethal midair disaster aboard a commercial twin-jet airliner flying from Hong Kong to Denver triggers a pressured and frantic investigation. Airframe is nonstop reading, full of the extraordinary mixture of super suspense and authentic information on a subject of compelling interest that are the hallmarks of Michael Crichton. “A one-sitting read that will cause a lifetime of white-knuckled nightmares.”—The Philadelphia Inquirer “The ultimate thriller . . . [Crichton’s] stories are always page-

turners of the highest order. . . .
 [Airframe] moves like a firehouse dog chasing a red truck.”—The Denver Post
 “Dramatically vivid.”—The New York Times

Blood Meridian Penguin Group

From the bestselling author of Jurassic Park, Timeline, and Sphere comes a deeply personal memoir full of fascinating adventures as he travels everywhere from the Mayan pyramids to Kilimanjaro. Fueled by a powerful curiosity—and by a need to see, feel, and hear, firsthand and close-up—Michael Crichton's journeys have carried him into worlds diverse and compelling—swimming with mud sharks in Tahiti, tracking wild animals through the jungle of Rwanda. This is a record of

those travels—an exhilarating quest across the familiar and exotic frontiers of the outer world, a determined odyssey into the unfathomable, spiritual depths of the inner world. It is an adventure of risk and rejuvenation, terror and wonder, as exciting as Michael Crichton's many masterful and widely heralded works of fiction.

Micro Macmillan

In the vein of Jurassic Park, this high-concept thriller follows a group of graduate students lured to Hawaii to work for a mysterious biotech company—only to find themselves cast out into the rain forest, with nothing but their scientific expertise and wits to protect them. In the lush forests of Oahu, groundbreaking technology has ushered in a revolutionary era of

biological prospecting, feeding a search for priceless drugs and applications on a scale beyond anything previously imagined. In Cambridge, Massachusetts, seven graduate students at the forefront of their fields are recruited by a pioneering microbiology start-up, Nanigen MicroTechnologies, which dispatches the group to a mysterious lab in Hawaii. But once in the rainforest, the scientists are thrust into a hostile wilderness that reveals surprising dangers at every turn. Armed only with their knowledge of the natural world, they find themselves prey to a technology of radical and unbridled power An instant classic, Micro pits nature against technology in vintage Michael Crichton fashion. Completed by visionary science writer Richard Preston,

this boundary-pushing thriller melds scientific fact with pulse-pounding fiction to create yet another masterpiece of sophisticated, cutting-edge entertainment.

State of Fear Ballantine Books

From the author of Jurassic Park, Timeline, and Sphere comes a captivating thriller about a deadly extraterrestrial microorganism, which threatens to annihilate human life. Five prominent biophysicists have warned the United States government that sterilization procedures for returning space probes may be inadequate to guarantee uncontaminated re-entry to the atmosphere. Two years later, a probe satellite falls to the earth and lands in a desolate region of northeastern Arizona. Nearby, in the

town of Piedmont, bodies lie heaped and flung across the ground, faces locked in frozen surprise. What could cause such shock and fear? The terror has begun, and there is no telling where it will end.

Eaters of the Dead Ballantine Books
 “Crichton’s ultimate adventure.” —San Francisco Chronicle
 “Pirates Latitudes has the loot: Gore, sex, action....A lusty, rollicking 17th century adventure.” —USA Today

 New York Times bestselling author, the incomparable Michael Crichton (“One of the great storytellers of our age” —Newsday) takes to the high Caribbean seas for an irresistible adventure of swashbuckling pirates, lost treasure, sword fights, duplicity, and hair-breadth

escapes in the New World.

The Andromeda Evolution Macmillan
 From the bestselling author of Jurassic Park, Timeline, and Sphere comes a neurological thriller about the dangers of cutting-edge medical experimentation. Harry Benson suffers from violent seizures. So violent that he often blackouts when they take hold. Shortly after severely beating two men during an episode, the police escort Benson to a Los Angeles hospital for treatment. There, Dr. Roger McPherson, head of the prestigious Neuropsychiatric Research Unit, is convinced he can cure Benson with an experimental procedure that would place electrodes deep in his brain’s pleasure centers, effectively short-circuiting Harry’s seizures with pulses of bliss. The surgery is successful,

but while Benson is in recovery, he discovers how to trigger the pulses himself. To make matters worse his violent impulses have only grown, and he soon escapes the hospital with a deadly agenda. . .

Airframe Penguin

In this book, experts in statistics and psychometrics describe classes of linkages, the history of score linkings, data collection designs, and methods used to achieve sound score linkages. They describe and critically discuss applications to a variety of domains. They define what linking is, to distinguish among the varieties of linking and to describe different procedure for linking. Furthermore, they convey the complexity and diversity of linking by covering different areas of linking and providing diverse perspectives.
Eifelheim Charlesbridge
From the author of Jurassic Park, Timeline, and Congo comes a psychological thriller about a group of scientists who investigate a spaceship discovered on the ocean floor. In the

middle of the South Pacific, a thousand feet below the surface, a huge vessel is unearthed. Rushed to the scene is a team of American scientists who descend together into the depths to investigate the astonishing discovery. What they find defies their imaginations and mocks their attempts at logical explanation. It is a spaceship, but apparently it is undamaged by its fall from the sky. And, most startling, it appears to be at least three hundred years old, containing a terrifying and destructive force that must be controlled at all costs.

Night over Water Tor Books

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and

depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Great Train Robbery Random House

When a troubled housewife awakens one morning as a tavernkeeper in the Roman frontier town of Carnuntum around 170 A.D., she must face plague and war in

order to survive and prosper in her new life.

Dragon Teeth Vintage

#1 New York Times bestselling author Ken Follett takes to the skies in this classic novel of international suspense. Set in the early days of World War II, *Night over Water* captures the daring and desperation of ordinary people caught in extraordinary circumstances—in prose as compelling as history itself. . . . September 1939. England is at war with Nazi Germany. In Southampton, the world's most luxurious airliner—the legendary Pan Am Clipper—takes off for its final flight to neutral America. Aboard are the cream of society and the dregs of humanity, all fleeing the war for reasons of their own . . . shadowed by a danger they do not

know exists . . . and heading straight into a storm of violence, intrigue, and betrayal. . . .

The Terminal Man Vintage

Michael Crichton, the #1 New York Times bestselling author of *Jurassic Park*, returns to the world of paleontology in this recently discovered novel—a thrilling adventure set in the Wild West during the golden age of fossil hunting. The year is 1876. Warring Indian tribes still populate America's western territories even as lawless gold-rush towns begin to mark the landscape. In much of the country it is still illegal to espouse evolution. Against this backdrop two monomaniacal paleontologists pillage the Wild West, hunting for dinosaur fossils, while surveilling, deceiving and sabotaging each other in

a rivalry that will come to be known as the Bone Wars. Into this treacherous territory plunges the arrogant and entitled William Johnson, a Yale student with more privilege than sense. Determined to survive a summer in the west to win a bet against his arch-rival, William has joined world-renowned paleontologist Othniel Charles Marsh on his latest expedition. But when the paranoid and secretive Marsh becomes convinced that William is spying for his nemesis, Edwin Drinker Cope, he abandons him in Cheyenne, Wyoming, a locus of crime and vice. William is forced to join forces with Cope and soon stumbles upon a discovery of historic proportions. With this extraordinary treasure, however, comes exceptional danger, and William's newfound

resilience will be tested in his struggle to protect his cache, which pits him against some of the West's most notorious characters. A page-turner that draws on both meticulously researched history and an exuberant imagination, *Dragon Teeth* is based on the rivalry between real-life paleontologists Cope and Marsh; in *William Johnson* readers will find an inspiring hero only Michael Crichton could have imagined. Perfectly paced and brilliantly plotted, this enormously winning adventure is destined to become another Crichton classic.

When Two Feathers Fell from the Sky
HarperCollins
NATIONAL BESTSELLER • From the #1 New York Times bestselling author of *Jurassic Park* comes classic historical thriller about Victorian London's most

notorious gold heist. London, 1855, when lavish wealth and appalling poverty exist side by side, one mysterious man navigates both worlds with perfect ease. Edward Pierce preys on the most prominent of the well-to-do as he cunningly orchestrates the crime of his century. Who would suspect that a gentleman of breeding could mastermind the extraordinary robbery aboard the pride of England's industrial era, the mighty steam locomotive? Based on fact, but studded with all the suspense and style of fiction, here is a classic historical thriller, set a decade before the age of dynamite—yet nonetheless explosive...

Finalist for 2017 Mythopoeic Fantasy Award for Adult Literature For the first

time, Jo Walton's critically acclaimed, genre-defying trilogy Thessaly—The Just City, The Philosopher Kings, and Necessity—is available in softcover, in a single-volume trade paperback omnibus. The goddess Athena thought she was creating a utopia. Populate the island of Thera with extraordinary men, women, and children from throughout history, and watch as the mortals forge a harmonious society based on the tenets of Plato's Republic. Meanwhile, following his famous spurning by a nymph, Athena's ever-curious brother Apollo has decided to live a mortal human life on the island, in an effort to gain a better understanding of humanity. But as both Athena and Apollo soon discover, even the Just City is susceptible to the iron law that nothing ever happens as planned.

And there are sins in Paradise, mortal and divine, far graver than the everyday ones. In an epic encompassing sandy Mediterranean shores and the farthest reaches of the galaxy, Victorian England and Renaissance Italy, gods and humans argue, fight, love, and most of all, learn from one another, in critically-acclaimed author Jo Walton's unique exploration of the human condition, *Thessaly*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
