 the world really need
 another uke book? We
 think it does - you see,
 many experienced
 beginner/intermediate
 ukulele players grow
 frustrated by their
 inability to understand
 and follow the music they

play. Instead of blindly
 following the chords on
 the page, they want to be
 able to 'hear and feel' the
 music they play in the
 same way an experienced
 musician does! This is
 where Next Level Ukulele
 comes in - simply follow
 the step-by-step method
 in this book (with over
 100 play-along tracks

 play - you can go beyond
 basic ukulele playing, and

begin to think, hear and feel like a real musician. Next Level Ukulele comes with over 100 play-along backing tracks demonstrating most of the examples in the book. These are used to teach you to hear and recognise all of the most common things you hear in the songs you play - chords, chord progressions, keys and key changes, common rhythmic patterns and more. Playing along with these 'live band feel' backing tracks is also the perfect way to practice your uke

playing at home and become totally confident when you make music with others - whether it's as a solo performer, in a uke band or club, at open mic nights or impromptu sing-alongs and jam sessions. Next Level Ukulele shows you how to: Learn to play 'by ear'. This is how many musicians can work out and play songs they've never even played before! Learn how to develop the skills you need to eventually be able to do this Understand and recognise the common

elements we see in the popular ukulele repertoire - major and minor chords and keys, different rhythms and time signatures, 'seventh' chords, common chord sequences, key changes, 'borrowed' chords and much more Recognise common song forms and structures like the 12 bar blues, 'IV' chord chorus songs, and song based on simple repeating chord patterns (makes it much easier to learn and remember songs you want to play) Learn to 'feel the rhythm' and nail

common rhythmic feels and strumming patterns - including swing rhythms, shuffles, 'train' rhythms, waltz time and more
 Perfect if: - You want to improve your ukulele playing skills, feel more confident when playing with other musicians, and simply enjoy your playing more - You'd like to become one of those players who can hear songs and work them out simply by using their ears! - You want to improve your ability to listen to and follow the music you play - You want

to learn some of the skills you need to jam with others (and feel comfortable and confident doing so!) - You'd like to play music and songs on the spot 'by ear' instead of always following a chord sheet - You want a deeper understanding of the music you play - You'd like to be able to recognise the common chords, chord progressions, song forms and key changes used in the popular ukulele repertoire Ready to see a dramatic boost in your ukulele and music skills?

Then grab Next Level Ukulele (with over 100 play-along practice tracks) and get started!
