Best-selling author Dr. Myles Munroe reveals the secrets of dynamic leadership that will turn your leadership potential into a potent reality. Within each of us lies the potential to be an effective leader!

Keys for Leadership Charisma Media

The inherent purpose of all men is fatherhood. Whether a man is married or single, and whether or not he has children, he is designed by God to fulfill the role of father in the lives of those around him. It is his calling to reflect the creative and cultivating nature of God. This book provides key principles and insights that

will teach you how to be a father in your personal sphere of influence. In clear and compelling terms, Dr. Munroe explains how a man can become source, nourisher, sustainer, protector, teacher, discipler, leader, head, caring one, and developer. The Fatherhood Principle provides practical guidelines for fulfilling your God-given fatherhood role by showing you... How to be the foundation of your family How to be strong even in the storms of life How to meet the needs of women How to develop the potential and gifts of children How to find your life's vision Five vital purposes of the male Discover God's original blueprint for men and step into your true purpose in life.

How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.

A Man of Purpose and Power CreateSpace

Best-selling author Myles Munroe reveals in this book the key to personal fulfillment: purpose. We must pursue purpose because our fulfillment in life depends upon our becoming what we were born to be and do. In *Pursuit of Purpose* will guide you on that path to finding God's purpose for your life.

The Spirit of Leadership Whitaker House

Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question "what will be my legacy?" is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include *The Chaos of Transition* *The Leadership Dilemma* *Living Beyond Your Generation* *The Principles of Mentoring* *PASSING IT ON* shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.

The Burden Of Freedom explains that too many people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal

and political freedom require. Simply put, *The Burden Of Freedom* should be available to every citizen and on the shelves of every high-school, college, and community library in the country.

The Holy Spirit, Governor of the Kingdom : Study Guide Whitaker House

Why are you here? Have you ever wondered why you are living here and now in this particular place and time in history? Not only is Myles Munroe a dear friend, but someone who has greatly helped to shape my understanding of the Kingdom of God.

—Matthew Crouch, CEO, Gener8Xion Entertainment Best-selling author of more than 10 life-changing books and devotionals, Dr. Myles Munroe's series on the Kingdom of God shows how your heavenly Father wants to make the earth a place of Kingdom harmony and peace—beginning within you! You will discover things about God's love and plan, such as how: Your destiny will be fulfilled right here on earth. You are created to turn the earth into a place filled with His culture! You can enjoy continuous fellowship with the Lord. Your decisions make a big difference in what happens on earth. Dr. Munroe explains how *Reclaiming God's Original Purpose for Your Life* will bring you joy, peace and abundant living. "This big idea [of reclaiming God's original purpose] is the only answer to the deep cry in the heart of every human, and it can satisfy the perpetual vacuum in the spirit of humankind," writes the author. You will find your own destiny—and an intimate relationship with God in the process!

How to Develop and Release Your Unique Gifts Whitaker House Best-selling author Dr. Myles Munroe offers daily practical and biblical advice for men. Based on two of his most popular books, *Understanding the Purpose and Power of Men* and *Understanding the Purpose and Power of Women*, this 90-day devotional will help you truly understand your God-given purpose and power as a man. Each day's reading includes teaching and encouragement, a Scripture reading from both the Old and New Testaments, and a thought for the day to draw you closer to God the Father and His purposes for you. Explore the nature and role of men as God intended, addressing such issues as: What does the Bible really teach about men and women? What does it mean to be male? What are the purpose and design of the man? How is a man uniquely different from a woman? What is a man's role as a husband and father? What are a man's sexual needs? How are men and women meant to relate to one another? How can a man build a better life for himself, his family, and the world? Through this devotional, you can strengthen your relationship with your heavenly Father as you discover how to fulfill your destiny and potential as an integral part of His eternal purposes.

Discovering the Power of Your Personal Domain Destiny Image Publishers

In *Understanding the Purpose and Power of Authority*, best-selling author Dr. Myles Munroe turns the widely accepted but counterfeit concept of authority upside down. Then, he reveals God's original intent, showing us how to live in the freedom of our own personal authority in God's great design and to respond positively to the inherent authority of others. Many people view authority as something oppressive, stifling, and even fearful. All of us hate to be controlled or manipulated. Our negative concepts and experiences of authority produce life-draining emotions—fear, distrust, suspicion, friction, defensiveness, antagonism, stress, worry, and dread. Others have a limited perspective of what authority means, believing that only people who reach a certain "level" in life can exercise it. They don't believe they could ever be called to a place of authority. The truth is, we were all created for authority, and we are all answerable to the authority of others. Authority is what we're authorized to do by our inherent purposes. You have a God-given calling to develop your own personal authority to carry out your unique purpose in life.

The Holy Spirit, the Heavenly Governor Whitaker Distribution

In *Keys for Leadership*, Dr. Munroe reveals that the one thing all leaders have in common is not education, knowledge, or networking. It is a spirit. When you think according to the spirit of leadership, you begin the process of becoming a leader. Every human being has the capacity for leadership, but most lack the understanding or will to develop it. Learn the keys for leadership, capture the spirit of leadership, and you will discover the leader within you.

Understanding the Purpose and Power of Women Whitaker House

Furo Wariboko, a young Nigerian, awakes the morning before a job interview to find that he's been transformed into a white man. In this condition he plunges into the bustle of Lagos to make his fortune. With his red hair, green eyes, and pale skin, it seems he's been completely changed. Well, almost. There is the matter of his family, his accent, his name. Oh, and his black ass. Furo must quickly learn to navigate a world made unfamiliar and deal with those who would use him for their own purposes. Taken in by a young woman called Syreeta and pursued by a writer named Igoni, Furo lands his first-ever job, adopts a new name, and soon finds himself evolving in unanticipated ways. A. Igoni Barrett's *Blackass* is a fierce comic satire that touches on everything from race to social media while at the same time questioning the values society places on us simply by virtue of the way we look. As he did in *Love Is Power, or Something Like That*, Barrett brilliantly depicts life in contemporary Nigeria and details the double-dealing and code-switching that are implicit in everyday business. But it's Furo's search for an identity—one deeper than skin—that leads to the final unraveling of his own carefully constructed story.
