Simone Veil, the former French lawyer and politician who became the first President of the European Union, was born Simone Jacob in 1927. In *A Life*, she describes in vivid detail a childhood of happiness and innocence spent in Nice that came to an abrupt end in 1944 when, at the age of 17, she was deported with her family to concentration camps. Though she survived, her mother, father, and brother all died in captivity. After the liberation of Auschwitz and upon her return to France, Veil studied law and political science and later became Minister for Health under the government of Jacques Chirac. It was there that she fought a successful political battle to introduce a law legalizing abortion in France. She was elected the first female President of the European Parliament and later returned to French government as Minister for Social Affairs. Over her many years of service, Veil was a bastion of social progress and a powerful individual symbol for the advancement of women's rights around the world. Veil was one of France's most beloved public figures, most admired for her personal and political courage. Her memoir, published here in English for the first time, is a sincere and candid account of an extraordinary life and career, reflecting both her humanity and her determination to improve social standards at home and maintain economic and political stability in Europe. In the wake of her passing in 2017, this translation of her memoir stands as a fitting tribute to an unparalleled life of survival, selflessness, and unwavering public service.

Un secret - Philippe Grimbert (Fiche de lecture) A&C Black

A short, sleek novel of encounters set in the witching hours of Tokyo between midnight and dawn, and every bit as gripping as Haruki Murakami's masterworks *The Wind-Up Bird Chronicle* and *Kafka on the Shore*. At its center are two sisters: Yuri, a fashion model sleeping her way into oblivion; and Mari, a young student soon led from solitary reading at an anonymous Denny's into lives radically alien to her own: those of a jazz trombonist who claims they've met before; a burly female "love hotel" manager and her maidstaff; and a Chinese prostitute savagely brutalized by a businessman. These "night people" are haunted by secrets and needs that draw them together more powerfully than the differing circumstances that might keep them apart, and it soon becomes clear that Yuri's slumber—mysteriously tied to the businessman plagued by the mark of his crime—will either restore or annihilate her. *After Dark* moves from mesmerizing drama to metaphysical speculation, interweaving time and space as well as memory and perspective into a seamless exploration of human agency—the interplay between self-expression and understanding, between the power of observation and the scope of compassion and love. Murakami's trademark humor, psychological insight, and grasp of spirit and morality are here distilled with an extraordinary, harmonious mastery. "Eyes mark the shape of the city. Through the eyes of a high-flying night bird, we take in the scene from midair. In our broad sweep, the city looks like a single gigantic creature—or more, like a single collective entity created by many intertwining organisms. Countless arteries stretch to the ends of its elusive body, circulating a continuous supply of fresh blood cells, sending out new data and collecting the old, sending out new consumables and collecting the old, sending out new contradictions and collecting the old. To the rhythm of its pulsing,

all parts of the body flicker and flare up and squirm. Midnight is approaching, and while the peak of activity has indeed passed, the basal metabolism that maintains life continues undiminished, producing the basso continuo of the city's moan, a monotonous sound that neither rises nor falls but is pregnant with foreboding." —from *After Dark*

Small Country Haus Publishing

Evelina Cooper, the niece of the great Sherlock Holmes, is poised to enjoy her first Season in London Society. But there's a murderer to deal with—not to mention missing automatons, a sorcerer, and a talking mouse. In a Victorian era ruled by a council of ruthless steam barons, mechanical power is the real monarch and sorcery the demon enemy of the Empire. Nevertheless, the most coveted weapon is magic that can run machines—something Evelina has secretly mastered. But rather than making her fortune, her special talents could mean death or an eternity as a guest of Her Majesty's secret laboratories. What's a polite young lady to do but mind her manners and pray she's never found out? But then there's that murder. As Sherlock Holmes's niece, Evelina should be able to find the answers, but she has a lot to learn. And the first decision she has to make is whether to trust the handsome, clever rake who makes her breath come faster, or the dashing trick rider who would dare anything for her if she would only just ask. Praise for *A Study in Silks* "This book has just about everything: magic, machines, mystery, mayhem, and all the danger one expects when people's loves and fears collide. I can't wait to return to the world of Evelina Cooper!"—Kevin Hearne, *New York Times* bestselling author of *The Iron Druid Chronicles* "As Sherlock Holmes's niece, investigating murder while navigating the complicated shoals of Society—and romance—in an alternate Victorian England, Evelina Cooper is a charming addition to the canon."—Jacqueline Carey, *New York Times* bestselling author of the *Kushiel's Legacy* series "Holloway takes us for quite a ride, as her plot snakes through an alternate Victorian England full of intrigue, romance, murder, and tiny sandwiches. Full of both thrills and frills."—Nicole Peeler, author of the *Jane True* series "A Study in Silks is a charming, adventurous ride with a heroine who is both clever and talented. The brushes with the Sherlock Holmes mythos only add to the fun

of this tale, and readers are bound to fall in love with Evelina and the London she inhabits.”—Philippa Ballantine, author of *Geist* “In *A Study in Silks*, Emma Jane Holloway has created a wonderful reimagining of the Sherlock Holmes mythos set in a late-Victorian Britain ruled by nefarious industrial titans called steam barons. Holloway’s clever writing, attention to detail, and sublime characters forge a fascinating world that combines brass-plated steampunk technology with magic. By turns a coming-of-age story, a gas-lamp thriller, and a whimsical magical fantasy, *A Study in Silks* is the premiere novel of an author to watch.”—Susan Griffith, author of the *Vampire Empire* series “Holloway stuffs her adventure with an abundance of characters and ideas and fills her heroine with talents and graces, all within a fun, brisk narrative.”—Publishers Weekly “Splendid . . . The characters are thoroughly charming and the worldbuilding is first-rate.”—RT Book Reviews (four stars)

A Life Hodder Education

"Extraordinary...Rich in irony and regret...[the] people and settings are vividly realized and his prose [is] compelling in its simplicity." THE WALL STREET JOURNAL As the world slips into the throes of war in 1939, young Maciek's once closeted existence outside Warsaw is no more. When Warsaw falls, Maciek escapes with his aunt Tania. Together they endure the war, running, hiding, changing their names, forging documents to secure their temporary lives—as the insistent drum of the Nazi march moves ever closer to them and to their secret wartime lies.

Fugitive Pieces. [In verse. By F. Greensted. Second edition.] lePetitLitteraire.fr

After being horribly disfigured during the war and sent to a hospital on the outskirts of Paris, Officer Adrien F. forms a special bond with the other soldiers dealing with pain and reconstructive surgery, and when a gorgeous woman joins their group, he learns that hope, humor, and humanity can exist in even the darkest of hours. Reprint.

Un secret de Philippe Grimbert Open Book Publishers

The novel follows the Jewish family of Maxime & Tania Nathan during the years leading up to the 2nd world war, the Nazi occupation, and the post-war years where the 2nd born son Philippe learns of his parents tragic past in during WW2 France. -- A 2007 film was directed and written by Claude Miller. The screenplay was based on this 2004 novel. -- Psychoanalyst Philippe Grimbert, b. 1948, "has to re-imagine almost all of [the story] -- he wasn't there, and neither was his main source, [an old family friend] Louise ... As if his parents' story wasn't enough, there's more, a coda of sorts -- though Grimbert can barely go there. There's a second family tragedy, one that a grown Grimbert is much closer to, but he can't do much more than describe what happens in a brief paragraph, wondering what the last words his father had murmured into his mother's ears were,

unable to bring himself to consider much more surrounding that act [of committing suicide]. ... Grimbert ... is perilously close to presenting a well-rounded course of psychotherapeutic sessions, brought to their conclusion, getting it all into the open, going through it, putting the pieces in place ... 'Un Secret' is a well-presented, deeply unsettling, and fascinating story." - (<http://www.complete-review.com/reviews/modfr/grimbert.htm>). -- "Twenty years after his mother and father jumped to their deaths from a balcony, Philippe Grimbert has written a gripping novel about the hidden memories that dominated their lives. / A colossal bestseller in Europe, [Un Secret]/Memory is the story of a family haunted by the secret of their past: an illicit love affair, a lost child, and a devastating betrayal dating back to the Second World War. / "The day after my fifteenth birthday, I finally learned what I had always known..." / Growing up in postwar Paris as the sickly only child of glamorous athletic parents, the narrator invents for himself a make-believe older brother, stronger and more brilliant than he can ever be. It is only when the boy begins talking to an old family friend that he comes to realize that his imaginary sibling had a real predecessor: a half brother whose death in the concentration camps is part of a buried family secret that he was intended never to uncover." - (http://www.readinggroupguides.com/guides_M/memory1.asp). -- "At 15, a violent altercation with a schoolroom bully over a lesson on Holocaust victims results in the revelation of his origins: Grimbert, the narrator's family's name, was once Grinberg, and the story of his parents' romantic retreat to the country during the war is shattered by a heartbreaking story of betrayal and sacrifice in occupied France. For Grimbert, the aftermath of WWII forced survivors into prisons of their own memories and denial, bound together by an impossible grief." - (Editorial Review, Publishers Weekly vol. 254 iss. 45, p. 35 (c) 11/12/2007). *Philippe Grimbert, Le secret : dossier pédagogique* Vintage Canada THE SUNDAY TIMES TOP 10 BESTSELLER. WINNER OF THE 2015 COSTA FIRST NOVEL AWARD. THE BRITISH BOOK AWARDS BOOK OF THE YEAR 2016. A brilliantly unsettling and atmospheric debut full of unnerving horror - 'The Loney is not just good, it's great. It's an amazing piece of fiction' Stephen King Two brothers. One mute, the other his lifelong protector. Year after year, their family visits the same sacred shrine on a desolate strip of coastline

known as the Loney, in desperate hope of a cure. In the long hours of waiting, the boys are left alone. And they cannot resist the causeway revealed with every turn of the treacherous tide, the old house they glimpse at its end . . . Many years on, Hanny is a grown man no longer in need of his brother's care. But then the child's body is found. And the Loney always gives up its secrets, in the end. 'This is a novel of the unsaid, the implied, the barely grasped or understood, crammed with dark holes and blurry spaces that your imagination feels compelled to fill' Observer 'A masterful excursion into terror' The Sunday Times

Philippe Grimbert, Un secret Fichesdelecture.com

Lou Bertignac has an IQ of 160 and a good friend called Lucas, who gets her through the school day. At home her father cries in secret in the bathroom and her mother hasn't been out of the house properly for years. But Lou is about to change her life - and that of her parents - for good, all because of a school project she decides to do about the homeless. Through the project Lou meets No, a teenage girl living on the streets. As their friendship grows, Lou cannot bear that No is still on the streets when she goes back home - even if it is to a home that is saddened and desolate. So she asks her parents if No can come to live with them. To her astonishment, her parents - eventually - agree. No's presence forces Lou and her parents to finally face the sadness that has enveloped them. But No has disruptive as well as positive effects. Can this shaky newfound family continue to live together? A tense, brilliant novel tackling the true meaning of home and homelessness.

The Loney Nathan

From mass murder to genocide, slavery to colonial suppression, acts of atrocity have lives that extend far beyond the horrific moment. They engender trauma that echoes for generations, in the experiences of those on both sides of the act. Gabriele Schwab reads these legacies in a number of narratives, primarily through the writing of postwar Germans and the descendents of Holocaust survivors. She connects their work to earlier histories of slavery and colonialism and to more recent events, such as South African Apartheid, the practice of torture after 9/11, and the "disappearances" that occurred during South American dictatorships. Schwab's texts include memoirs, such as Ruth Kluger's *Still Alive* and Marguerite Duras's *La Douleur*; second-generation accounts by the children of Holocaust survivors, such

as Georges Perec's *W*, Art Spiegelman's *Maus*, and Philippe Grimbert's *Secret*; and second-generation recollections by Germans, such as W. G. Sebald's *Austerlitz*, Sabine Reichel's *What Did You Do in the War, Daddy?*, and Ursula Duba's *Tales from a Child of the Enemy*. She also incorporates her own reminiscences of growing up in postwar Germany, mapping interlaced memories and histories as they interact in psychic life and cultural memory. Schwab concludes with a bracing look at issues of responsibility, reparation, and forgiveness across the victim/perpetrator divide.

Creative Multilingualism: A Manifesto Grasset

Souvent les enfants s'inventent une famille, d'autres racines. Le narrateur de ce livre, lui, s'est inventé un frère aîné, beau et athlétique, à l'image de ses parents. Or ce grand frère rêvé a peut être une origine, plus réelle et tragique qu'il ne l'imagine. Un secret familial qu'il va découvrir. Ce grand classique contemporain a obtenu en 2004 le prix Goncourt des lycéens.

Haunting Legacies LePetitLittéraire

"Maintenant que j'ai appris à le connaître, je l'aime et il m'effraie tout à la fois. Lui et sa mère vont trop loin, mais tous deux ont eu raison de mes résistances..." Une simple annonce sur les murs de la faculté a sorti Louis de sa léthargie pour le précipiter sur la plage de son enfance à la rencontre d'une mère et de son fils, deux êtres hors du commun qui vont bouleverser sa vie et l'amener à affronter ce qui dormait au plus profond de lui-même.

Un secret de Philippe Grimbert Hogarth

Already an international sensation and prize-winning bestseller in France, an evocative coming-of-age story of a young boy, a lost childhood and a shattered homeland. SHORTLISTED FOR THE ALBERTINE PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ESQUIRE • LONGLISTED FOR THE ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN FICTION • LONGLISTED FOR THE ASPEN WORDS LITERARY PRIZE Burundi, 1992. For ten-year-old Gabriel, life in his comfortable expatriate neighborhood of Bujumbura with his French father, Rwandan mother and little sister Ana, is something close to paradise. These are carefree days of laughter and adventure - sneaking Supermatch cigarettes and gorging on stolen mangoes - as he and his mischievous gang of friends transform their tiny cul-de-sac into their kingdom. But dark clouds are gathering over this small country, and soon their peaceful existence will shatter when Burundi, and neighboring Rwanda, are brutally hit by civil war and genocide. A novel of extraordinary power and beauty, *Small Country* describes an end of innocence as seen through the eyes of a child caught in the maelstrom of history. Shot through with shadows and light, tragedy and humor, it is a stirring tribute not only to a dark chapter in Africa's past, but also to the bright days that preceded it.

Philippe Grimbert est psychanalyste. Il a précédemment publié trois essais, Psychanalyse de la chanson (Les Belles Lettres 1996), Pas de fumée sans Freud (Armand Colin 1999, Hachette Littérature 2001) et Chantons sous la psy (Hachette Littérature 2002). La petite robe de Paul, paru chez Grasset en septembre 2001, était son premier roman. Un secret est son deuxième

roman. Le Livre: Au commencement de ce roman, le narrateur raconte que, petit garçon et fils unique, il s'est inventé un frère : « J'ai longtemps eu un frère. Il fallait me croire sur parole quand je servais cette fable à mes relations de vacances, à mes amis de passage. J'avais un frère. Plus beau, plus fort. Un frère aîné, glorieux, invisible. » Ce fantôme tyrannique a hanté ses jeunes années. Entouré de silence, ployant sous une culpabilité familiale, le narrateur éprouve le besoin de raconter un passé qu'il s' imagine lisse et tranquille jusqu'à ce que Louise, vieille amie de ses parents et confidente de l'enfant, vienne tout d'un coup lui révéler un secret lourd et bouleversant. Ce frère inventé, Simon, a réellement existé et il est mort en camp de concentration avec sa mère, Hannah, la première épouse de Maxime. Soudain tout le poids de ce passé noir et caché va surgir et bouleverser la représentation du monde que s'était forgée l'enfant. Il imagine alors Maxime et Tania, ses parents, vivant leurs amours coupables. Quant aux morts sans sépulture, héros d'une tragédie trop longtemps occultée, ils vont provoquer un véritable retournement : c'est ce secret révélé qui fait naître chez le narrateur sa vocation de psychanalyste. Ici le travail d'écriture est devenu travail de deuil et l'auteur, tout en livrant sa part la plus intime, nous montre comment celui qui a souffert du silence peut devenir celui qui va en délivrer les autres.
