The second revised and updated edition of Ecology and Environment - A dynamic approach by Neeraj Nachiketa is in your hands. This Hindi edition is segmented into 5 units and in the end of the units, questions from the previous year's exams are given along with practice papers having multiple choice questions for assessment. This book has been thoroughly updated with all the recent developments in the field of ecology and environment. With each passing day the topic of environment and ecology is gaining importance due to global climatic changes, carbon emissions, deforestation, Arctic and Antarctic

melting, heat waves, erratic monsoons etc. Hence it is imperative that aspirants of UPSC and state public service commission examinations have a holistic understanding of the issues involved. Features: 1. Updated with all recent Ecological and Environmental Developments 2. Comprises of previous year questions with answers 3. Practice MCQs for personal assessment 4. As per the latest UPSC-Civil Services guidelines and exam pattern *Bharat Oxford University Press, USA*

The magic wand of Vedic Mathematics that makes complex problems simple! Vedic Mathematics is an ancient technique consisting of sixteen sutras and sixteen sub-sutras. These sutras are not only important in dealing with simple arithmetic and algebraic concepts but are equally good in solving complex problems of higher algebra, trigonometry, calculus and co-ordinate geometry. In this book, renowned mathematician Rajesh Kumar Thakur lays out the unique Vedic sutras and explains their applicability in an easy-to-understand manner. Competitive examinations

today test candidates on their aptitude in algebra, arithmetic, geometry and trigonometry-all of which this book helps to hone. It will make complex problems appear simple-be it partial fraction, integration by parts or differentiation-you will be able to tackle them all easily! Read this book and learn how to solve difficult maths problems in less than 30 seconds!

Indian Edition Westland Publication Limited IFPRI's flagship report reviews the major food policy issues, developments, and decisions of 2018, and considers challenges and opportunities for 2019. This year's Global Food Policy Report highlights the urgency of rural revitalization to address a growing crisis in rural areas. Rural people around the world continue to struggle with food insecurity, persistent poverty and inequality, and environmental degradation. Policies, institutions, and investments that take advantage of new opportunities and technologies, increase access to basic services, create more and better rural jobs, foster gender

equality, and restore the environment can make rural areas vibrant and healthy places to live and work. Drawing on recent findings, IFPRI researchers and other distinguished food policy experts consider critical aspects of rural revitalization.

Kiran Institute of Career Excellence Pvt Limited This book is an outcome of sheer hard work of successful candidates. Previously, I had given thought to publish the success stories last year too but it could not materialize. Subsequently, when I came in contact with successful candidates, I realized that some had so unique journeys that I could not resist myself to give shape to the idea which was in mind since long. Again, the question arose to whom should I approach since I had known only limited number of successful candidates. In this book you will find a unique success pattern of each successful Officer. Some of them come from backward areas, some have average educational qualification, so that you may realize that successful candidates not born with a silver spoon.

Some of them were already in job, it is interesting to see how they could sale through their arduous journey and made it to the destination. Atlas Penguin

Its easily navigable TOC and reference footnotes make it handy and more efficient for readers. This ebook is the perfect solution available to you 24*7 in your pockets.

A Brief History of Modern India

G.K Publications Pvt.Limited

'Ever since you found Prerna, I lost my best friend' is what I told Saurabh. Hi, this is Keshav, and Saurabh, my best friend, flatmate, colleague and business partner, won't talk to me. Because I made fun of him and his fiancée. Saurabh and Prerna will be getting married soon. It is an arranged marriage. However, there is more cheesy romance between them than any love-marriage couple. On Karva Chauth, she fasted for him. She didn't eat all

day. In the evening, she called him and waited on the terrace for the moon and for Saurabh to break her fast. Excited, Saurabh ran up the steps of her three-storey house. But when he reached...

Arihant Publications India limited

Bharat, Gandhi Ke Bad is the Hindi translated edition of *India After Gandhi*, which documents the important events and happenings that occurred after India attained independence from British rule in 1947. Generally most the history textbooks on India cover events that from pre-historic times till the country gained independence from foreign rule, but this one takes the reader into the reality that lies hidden in the recent times. This was the era that has witnessed laying of the foundation of Indian democracy, where the fledging nation has survived several brutal attacks in the name of religion, caste, class and language. Historian Ramachandra Guha digs out a lot of facts and figures to explain the struggle and pain that the world's largest democracy has suffered after independence. He has also mentioned much details about some major protests and conflicts that haunted India after the British administrators left the country. Besides the negative turn of historical events, the book also records many of the

accomplishments that the nation has made which does make every Indian proud. Even after having faced numerous terror attacks, conflicts and controversial issues, the republic of India has survived and remains united post-independence. The book presents some famous personalities in a very different light, when describing their personal and their political lives. Moreover, Guha also does mentions some lesser-known personalities from among tribals, workers and peasants who have played a major role in making India what it is

today. The book is a result of extensive research and the lucid narration makes it an interesting to read that is easy to understand and relate to. Translator Sushant Jha has maintained the original crux of the text in this translated edition and has not attempted to overshadow what the author has actually explained in the original English version. India After Gandhi, the English version was picked as the Book of the Year by Outlook and The Economist and it went onto win the 2011 Sahitya Akademi Award. Following the popularity of this book, the author wrote a

second volume, which also has a translated called Bharat: Nehru Ke Baad. About the author: Columnist, commentator and writer, Ramachandra Gya, born in 1958, is one of India's best historians who has documented recent history. Born and brought up in Dehradun, Gya, a graduate from Delhi University and IIM Calcutta has also taught at Yale, Stanford and University of California. Among the famous books that Gya has written are: India after Gandhi, The States of Indian Cricket and This Fissured Land: An Ecological History of India.
