Lo chiamano il diavolo.
Quando mi sono
imbattuta in lui il mio

primo giorno alla Loyola Academy, ero sicura che non potesse essere vero. Era l'uomo più bello che avessi mai visto nella vita reale. Non sapevo che fosse anche il più crudele. Sono passata dall'essere stordita a sbalordita nel momento in cui i suoi occhi cinici si sono posati su di me. Non so dire che cosa gli abbia fatto desiderare di punirmi. Ma da quel giorno in poi, il meditabondo uomo solitario non ha desiderato altro che tormentarmi. Vorrei odiarlo, e qualche volta, lo faccio. Ma buona o cattiva che sia, l'attenzione di qualcuno non era mai stata così dolce. Che cosa fai, se hai una fastidiosa cotta per il tuo bullo? Peggio ancora, che cosa fai se è anche il tuo insegnante?

Garber's sweeping tale of two sisters who escape their ruthless father when they enter the dangerous intrigue of a legendary game. Scarlett has never left the tiny island where she and her beloved sister, Tella, live with their powerful, and cruel, father. Now Scarlett's father has arranged a marriage for her, and Scarlett thinks her dreams of seeing Caraval, the far-away, once-a-year performance where the audience participates in the show, are over. But this year, Scarlett's long-dreamt of invitation finally arrives. With the help of a mysterious sailor, Tella whisks Scarlett away to the show. Only, as soon as they arrive, Tella is kidnapped by Caraval's mastermind organizer, Legend. It turns out that this season's Caraval revolves around Tella, and whoever finds her first is the winner. Scarlett has been told that everything that happens during Caraval is only an elaborate performance. But she nevertheless becomes enmeshed in a game of love, heartbreak, and magic with the other players in the game. And whether Caraval is real or not, she must find Tella before the five nights of the game are over, a

dangerous domino effect of consequences is set off, and her sister disappears forever.

«Remov'd from human eyes»: Madness and Poetry 1676-1774

Andrews McMeel Publishing

Eleven years before Uncle Tom's Cabin fanned the fires of abolition in North America, an aristocratic Cuban woman told an impassioned story of the fatal love of a mulatto slave for his white owner's daughter. So controversial was Sab's theme of miscegenation and its parallel between the powerlessness and enslavement of blacks and the economic and matrimonial subservience of women that the book

was not published in Cuba until 1914, seventy-three years after its original 1841 publication in Spain. Also included in the volume is Avellaneda's Autobiography (1839), whose portrait of an intelligent, flamboyant woman struggling against the restrictions of her era amplifies the novel's exploration of the patriarchal oppression of minorities and women.

She doesn't drink or swear, and she has the appropriate number of cardigans in her wardrobe. Abby believes she has enough distance from the darkness of her past, but when she arrives at college with her best friend, her path to a new beginning is quickly challenged by Eastern University's Walking One-Night Stand. Travis Maddox, lean, cut, and covered in tattoos, is exactly what Abby wants—and needs—to avoid. He spends his nights winning money in a floating fight ring, and his days as the ultimate

college campus charmer. Intrigued by Abby's resistance to his appeal, Travis tricks her into his daily life with a simple bet. If he loses, he must remain abstinent for a month. If Abby loses, she must live in Travis's apartment for the same amount of time. Either way, Travis has no idea that he has met his match.

Since its initial publication in 1990, this book has become a key work of contemporary feminist theory, and an essential work for anyone interested in the study of gender, queer theory, or the politics of sexuality in

culture. This is the text where the author began to advance the ideas that would go on to take life as "performativity theory," as well as some of the first articulations of the possibility for subversive gender practices. Overall, this book offers a powerful critique of heteronormativity and of the function of gender in the modern world.

The years 1676 and 1774 marked two turning points in the social and legal treatment of madness in England. In 1676, London's Bethlehem Hospital expanded in grand new premises, and in 1774 the Madhouses Act attempted to limit confinement of the insane. This study explores almost a century of the English history of madness through the texts of five poets who were considered mentally troubled according to contemporary standards: James Carkesse, Anne

Finch, William Collins, Christopher Smart and William Cowper were hospitalized, sequestered or exiled from society. Their works cope with representations of insanity, medical definitions or practices, imputed illness, and the judging eye of the 'sane other', shedding new light on the dis/continuities in the notion of madness of this period.

This book first published in 1973 offers a broad survey of the study of symbolic ideas and behaviour. The study of symbolism is popular nowadays and anthropologists have made substantial contributions to it. Raymond Firth has long been internationally known for his field research in the Solomons and Malaysia, and for his theoretical work on kinship, economics and religion. Here from a new angle, he has produced a broad survey of the study of symbolic ideas and behaviour. Professor Firth examines definitions of symbol. He traces the history of scientific inquiry into the symbolism of religious cults, mythology and dreams back into the eighteenth century. He compares some modern approaches to symbolism

in art, literature and philosophy with those in social anthropology. He then cites examples in anthropological treatment of symbolic material from cultures of varying

sophistication. Finally he offers dispassionate analyses of symbols used in contemporary Western situations - from hair-styles to the use and abuse of national flags;

from cults of Black Jesus to the Eucharistic rite. In all this Professor Firth combines social and political topicality with a scholarly and provocative theoretical inquiry.
