"The Curse of Capistrano" by Johnston McCulley. Published by DigiCat. DigiCat publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each DigiCat edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**The Peripheral** Simon and Schuster

YOU JUST CAN'T KEEP A GOOD CORPSE DOWN If the dead could come back for just one night, would we want them to? Meet the Haskins, a seemingly normal suburban family, as they prepare for the annual macabre holiday known as "Dead Day" - when the deceased rise from the grave from sunset to sunrise. Some come back to reunite with family and friends, others for one last night of debauchery, still others with only one thing on their decomposing minds: revenge. From writer Ryan Parrott (OBERON, VOLITION, Power Rangers) and artist Evgeniy Bornyakov (DESCENDENT, YOU ARE OBSOLETE) comes an unnerving tale of existential horror with grave consequences.

*Change of Heart* MSU Press

In this striking new novel by the critically acclaimed author of Allegedly and Monday's Not Coming, Tiffany D. Jackson tells the story of three Brooklyn teens who plot to turn their murdered friend into a major rap star by pretending he's still alive. Brooklyn, 1998. Biggie Smalls was right: Things done changed. But that doesn't mean that Quadir and Jarrell are cool letting their best friend Steph's music lie forgotten under his bed after he's murdered—not when his rhymes could turn any Bed Stuy corner into a party. With the help of Steph's younger sister Jasmine, they come up with a plan to promote Steph's music under a new rap name: the Architect. Soon, everyone wants a piece of him. When his demo catches the attention of a hotheaded music label rep, the trio must prove Steph's talent from beyond the grave. As the pressure of keeping their secret grows, Quadir, Jarrell, and Jasmine are forced to confront the truth about what happened to Steph. Only, each has something to hide. And with everything riding on Steph's fame, they need to decide what they stand for or lose all that they've worked so hard to hold on to—including each other. "Jackson scores a bullseye with her passionate homage to Black city life in the late '90s." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List")

**Paprika** Routledge

Community/Public Health Nursing: Promoting the Health of Populations, 4th Edition focuses on the issues and responsibilities of contemporary community/public health nursing. Its emphasis on working with populations combined with the unique "upstream" preventive approach prepares the reader to assume an active role in caring for the health of clients in community and public settings. Plus, the new full-color design highlights special

features and enhances content. Features photo-novellas to engage students and demonstrate applications of important community health nursing concepts. Provides detailed case studies that emphasize community aspects of all steps of the nursing process to promote the community perspective in all health situations. Examines issues of social justice and discusses how to target inequalities in arenas such as education, jobs, and housing to prepare students to function in a community-focused health care system. Demonstrates the use of theoretical frameworks common to community and public health nursing showing how familiar and new theory bases can be used to solve problems and challenges in the community. Illustrates real-life situations with highlighted Clinical Examples depicting today's community/public health care. Discussion of Levels of Prevention presented within the Case Studies address specific applications for each level. Provides Learning Activities at the end of each chapter to challenge students to apply chapter material outside the classroom. Includes a disaster management and preparedness chapter to examine this important new area of concern and responsibility in community health. Offers content on forensic nursing to explore this new subspecialty in community health. Summarizes research study findings pertinent to chapter topics in Research Highlights boxes. Highlights specific ethical issues in Ethical Insights boxes. Presents Healthy People 2010 objectives in feature boxes in appropriate chapters. Provides a Media Resources section at the front of each chapter that details the numerous Evolve components available to students. Chapter outline added to the front of chapters makes locating information in the chapter easier.

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

**Futureproof Your Career and Company** Holt Paperbacks

A Boob's Life explores the surprising truth about women's most popular body part with vulnerable, witty frankness and true nuggets of American culture that will resonate with everyone who has breasts—or loves them. Author Leslie Lehr wants to talk about boobs. She's gone from size AA to DDD and everything between, from puberty to motherhood, enhancement to cancer, and beyond. And she's not alone—these are classic life stages for women today. At turns funny and heartbreaking, A Boob's Life explores both the joys and hazards inherent to living in a woman's body. Lehr deftly blends her personal narrative with national history, starting in the 1960s with the women's liberation movement and moving to the current feminist dialogue and what it means to be a woman. Her insightful and clever writing analyzes how America's obsession with the female form has affected her own life's journey and the psyche of all women today. From her prize-winning fiction to her viral New York Times Modern Love essay, exploring the challenges facing contemporary women has been Lehr's life-long passion. A Boob's Life, her first project since breast cancer treatment, continues this mission, taking readers on a wildly informative, deeply personal, and utterly relatable journey. No matter your gender, you'll never view this sexy and sacred body part the same way again.

**The Curse of Capistrano** Dreamspinner Press

A New York Times bestseller The original graphic novel adapted into the film Blue Is the Warmest Color, winner of the Palme d'Or at the 2013 Cannes Film Festival In this tender, bittersweet, full-color graphic novel, a young woman named Clementine discovers herself and the elusive magic of love when she meets a confident blue-haired girl named Emma: a lesbian love story for the ages that bristles with the energy of youth and rebellion and the eternal light of desire. First published in France by Glénat, the book has won several awards, including the Audience Prize at the Angoulême International Comics Festival, Europe's largest. The live-action, French-language film version of the book, entitled Blue Is the Warmest Color, won the Palme d'Or at the Cannes Film Festival in May 2013. Directed by director Abdellatif Kechiche and starring Lea Seydoux and Adele Exarchopoulos, the film generated both wide praise and controversy. It will be released in the US through Sundance Selects/IFC Films. Julie Maroh is an author and illustrator originally from northern France. "Julie Maroh, who was just 19 when she started the comic, manages to convey the excitement, terror, and obsession of young love—and to show how wildly teenagers swing from one extreme emotion to the next ... Ultimately, Blue Is the Warmest Color is a sad story about loss and heartbreak, but while Emma and Clementine's love lasts, it's exhilarating and sustaining." —Slate.com "A beautiful, moving graphic novel." —Wall Street Journal "Blue Is the Warmest Color captures the entire life of a relationship in affecting and honest style." —Comics Worth Reading "Delicate linework conveys wordless longing in this graphic novel about a lesbian relationship." —New York Times Book Review (Editor's Choice) "A tragic yet beautifully wrought graphic novel." —Salon.com "Love is a beautiful punishment in Maroh's paean to confusion, passion, and discovery ... An elegantly impassioned love story." —Publishers Weekly (STARRED REVIEW) "A lovely and wholehearted coming-out story ... the illustrations are infused with genuine, raw feeling. Wide-eyed Clementine wears every emotion on her sleeve, and teens will understand her journey perfectly." —Kirkus Reviews "The electric emotions of falling in love and the difficult process of self-acceptance will resonate with all readers ... Maroh's use of color is deliberate enough to be eye-catching in a world of grey tones, with Emma's bright blue hair capturing Clementine's imagination, but is used sparingly enough that it supports and blends naturally with the story." —Library Journal (STARRED REVIEW) "It's not just the French who have a better handle on sexy material than Americans -- Canadians do, too ... Who's publishing it? Not an American publishing house but by Arsenal Pulp Press, a Canadian independent." —Los Angeles Times

**Sapphire Blue** W B Saunders Company

An electric tale of apocalypse, sex and time travel from one of the Caribbean's most extraordinary cultural figures.

**Life Will Be the Death of Me** Henry Holt and Company (BYR)

"Futureproof or die". In this digital age, it's not just a catchy phrase but a stark reality. Artificial intelligence is infiltrating into our companies and our jobs. The Digital Natives are storming the workplace. The Gig Economy is changing not only who gets the job done but also where, when and how. These three powerful forces - nourished by the digital revolution - are gaining momentum and are expected to peak over the next decade. The rate of disruption and extinction is accelerating. Companies, and industries are going bust. Jobs and skills are becoming irrelevant. Is your career futureproof? Is your company futureproof? This book will help. Written in a storyteller tone and sprinkled with interesting anecdotes and memorable tales, this page-turning read offers actionable insights and proven steps on how you can stay ahead of the curve and flourish in the future. The book has three sections. The Section I dives deep into each trend: Artificial Intelligence, Digital Natives, and the Gig Economy. You will learn... - How

powerful are these trends? - Why should you pay attention to them? - How will they impact your career and the company over the next decade? The Section II outlines the five ways to futureproof your career. You will learn how to become... - A fully unleashed human to thrive in the era of AI - A catalyst for change to set you apart from your peers - An alchemist to transform ordinary into extraordinary - A captain with nerves of steel to navigate through turbulent times ahead - A futurist to predict and prepare for the future The section III outlines the five ways to futureproof your company. You will learn how to... - Transform your business digitally to lead - Infuse purpose that guides your company as the true North - Unleash the spirit of innovation to be a disruptor - Inspire learning to groom the workforce of tomorrow - Enjoy expedition by engaging your employees

**Blue Is the Warmest Color** Aftershock Comics

Media and Society is an established textbook, popular worldwide for its insightful and accessible essays from leading international academics on the most pertinent issues in the media field today. With this updated edition, David Hesmondhalgh joins James Curran and a team of leading international scholars to speak to current issues relating to media and gender, media and democracy, sociology of news, the global internet, the political impact of the media, popular culture, the effects of digitisation on media industries, media and emotion, and other vital topics. The media are in a state of ferment, and are undergoing far-reaching change. The sixth edition tries to make sense of the media's transformation, and its wider implications. Purely descriptive accounts date fast, so the emphasis has been on identifying the central issues and problems arising from media change, and on evaluating its wider consequences. What is judged to be the staple elements of the field has evolved over time, as well as becoming more international in orientation. Yet the overriding aim of the book - to be useful to students - has remained constant. This text is an essential resource for all media, communication and film studies students who want to broaden their knowledge and understanding of how the media operates and affects society across the globe.

**Freaky Friday** Hachette UK

Widely acknowledged as Yasutaka Tsutsui's masterpiece, Paprika unites his surreal, quirky imagination with a mind-bending narrative about a psychiatric institute that has developed the technology to invade people's dreams. When prototype models of a dream-invading device go missing at the Institute for Psychiatric Research, it transpires that someone is using them to drive people insane. Threatened both personally and professionally, brilliant psychotherapist Atsuko Chiba has to journey into the world of fantasy to fight her mysterious opponents. As she delves ever deeper into the imagination, the borderline between dream and reality becomes increasingly blurred, and nightmares begin to leak into the everyday realm. The scene is set for a final showdown between the dream detective and her enemies, with the subconscious as their battleground, and the future of the waking world at stake.

**A Boob's Life** Abrams

Instant #1 New York Times Bestseller A People Book of the Week, Book of the Month Club selection, and Best of Fall in Good Housekeeping, PopSugar, The Washington Post, New York Post, Shondaland, CNN, and more! "[A] quirky, big-hearted novel...Wry, wise, and often laugh-out-loud funny, it's a wholly original story that delivers pure pleasure." —People From the #1 New York Times bestselling author of A Man Called Ove comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can't fix their own marriage. There's a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment's only bathroom, and you've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

**The McGraw-Hill Guide** Penguin

The New York Times bestseller "The Shadow of the Wind is ultimately a love letter to literature, intended for readers as passionate about storytelling as its young hero." —Entertainment Weekly (Editor's Choice) "One gorgeous read." —Stephen King Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War, and Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.

**The Shadow of the Wind** Penguin

The story draws you in from the first scene and never releases its hold until the final sentence. 5 of 5 nymphs Scandalous Minx @ Literary Nymphs With secondary characters that are just as strongly written and a story that runs smoothly this engrossing story will keep the reader's attention till the very last page. 5 of 5 stars Lydia @ Rainbow Reviews Change of Heart: Book One As a young gay man—and a werepanther—all Jin Rayne yearns for is a normal life. Having fled his past, he wants nothing more than to start over, but Jin's old life doesn't want to let him go. When his travels bring him to a new city, he crosses paths with the leader of the local were-tribe. Logan Church is a shock and an enigma, and Jin fears that Logan is both the mate he fears and the love of his life. Jin doesn't want to go back to the old ways, and mating would irrevocably tie him to them. But Jin is the mate Logan needs at his side to help him lead his tribe, and he won't give Jin up so easily. It will take time and trust for Jin to discover the joy in belonging to Logan and how to love without restraint.

Gwen’s life has been a rollercoaster since she discovered she was the Ruby, the final member of the secret time-traveling Circle of Twelve. In between searching through history for the other time-travelers and asking for a bit of their blood (gross!), she’s been trying to figure out what all the mysteries and prophecies surrounding the Circle really mean. At least Gwen has plenty of help. Her best friend Lesley follows every lead diligently on the Internet. James the ghost teaches Gwen how to fit in at an eighteenth century party. And Xemerius, the gargoyle demon who has been following Gwen since he caught her kissing Gideon in a church, offers advice on everything. Oh, yes. And of course there is Gideon, the Diamond. One minute he’s very warm indeed; the next he’s freezing cold. Gwen’s not sure what’s going on there, but she’s pretty much destined to find out.

*Tangy Tart Hot and Sweet* Bloomsbury Publishing USA

Bill Carter, executive producer of CNN’s docuseries *The Story of Late Night* and host of the *Behind the Desk: Story of Late Night* podcast, details the chaotic transition of *The Tonight Show* from host Jay Leno to Conan O’Brien—and back again. In 2010, NBC’s CEO Jeff Zucker, had it all worked out when he moved Jay Leno from behind the desk at *The Tonight Show*, and handed the reins over to Conan O’Brien. But his decision was a spectacular failure. Ratings plummeted, affiliates were enraged—and when Zucker tried to put everything back the way it was, that plan backfired as well. No one is more uniquely suited to document the story of a late-night travesty than veteran media reporter and bestselling author, Bill Carter. In candid detail, he charts the vortex that sucked in not just Leno and O’Brien—but also Letterman, Stewart, Fallon, Kimmel, and Ferguson—as frantic agents and network executives tried to manage a tectonic shift in television’s most beloved institution.

*Grease* HarperCollins

The wild, true story of the Mutiny, the hotel and club that embodied the decadence of Miami’s cocaine cowboys heyday—and an inspiration for the blockbuster film, *Scarface*... In the seventies, coke hit Miami with the full force of a hurricane, and no place attracted dealers and dopers like Coconut Grove’s Mutiny at Sailboat Bay. Hollywood royalty, rock stars, and models flocked to the hotel’s club to order bottle after bottle of Dom and to snort lines alongside narcos, hit men, and gunrunners, all while marathon orgies burned upstairs in elaborate fantasy suites. Amid the boatloads of powder and cash reigned the new kings of Miami: three waves of Cuban immigrants vying to dominate the trafficking of one of the most lucrative commodities ever known to man. But as the kilos—and bodies—began to pile up, the Mutiny became target number one for law enforcement. Based on exclusive interviews and never-before-seen documents, *Hotel Scarface* is a portrait of a city high on excess and greed, an extraordinary work of investigative journalism offering an unprecedented view of the rise and fall of cocaine—and the Mutiny—in Miami.
