### REYES MURRAY

*The Power of the Spoken Word* Editorial Alfa

In my process of forgetting some doors opened inside me and this book came to life, day after day, I face the other part of me that has your shadow stuck on your heels. I was trampling my independence for insecurities that tied me to your false image. I want you to read each line so when you try to find me, remember that I won't answer. Excuse me, I forgot to thank you because after all... Thank to you and our unsuccessful story, we will help those who don't know how to leave and cling to the wrong people by calling them: love

Even princes from faraway planets do not always remain small. Eventually they grow up and - no longer content with their tiny planet - set off once again to explore the universe anew. So the Little Prince, now a teenager, one day returns to Earth and finds himself on a lonely country road in the vast, desolate plains of Patagonia. There he meets the narrator of this novel, who rescues him and

takes him on a journey. Slowly the Prince shares the stories of his adventures, and together they begin to explore some of life's most important questions, taking readers along with them on a wonderful spiritual journey. An inspiring, life-changing book.

*The Return of the Young Prince* GENERAL PRESS

Dicen que cada cual tiene la cara que se merece. La de Gonzalo Arango no fue una: fueron dos, tres caras, tan contradictorias, tan escandalosas, tan atormentadas como su vida. La de sus primeros reportajes es la de un muchacho de pelo corto, ojos tristes y mirada dulce, de corbata y saco oscuros, con aire de seminarista recién salido del convento. La segunda, la de sus reportajes en Cromos, es la de un hippie de los años sesenta, con el pelo hasta los hombros, vestido con una gabardina. La tercera, la de sus últimos días, es la de un hombre maduro de ojos tristes, hundidos y vidriosos a causa de los trasnochos y el consumo de marihuana y ácido lisérgico. Diez años más tarde, ya cerca de su muerte, su cara es la de un profeta vestido de blanco, de aspecto apacible y con un halo místico: un rastafari melancólico, drogado con ácido; un Charles Manson rehabilitado y arrepentido del asesinato de Sharon Tate; parece un santo. Los reportajes de Gonzalo Arango son el testimonio de una época y de un estilo de hacer periodismo que los colombianos de este final de

siglo jamás podremos olvidar.

Más allá de lo que nos dice su autor en un primer plano, El Principito nos regala, en una segunda lectura, un tesoro de ideales, imágenes y símbolos que este ensayo descubre al lector para ayudarlo a comprender la magnitud de la obra. Este trabajo recoge el modelo de comportamiento que Saint-Exupéry desea por parte de los adultos en relación con la infancia. La imaginación y la voluntad del escritor se pueden entender asociadas a valores éticos: su mayor ideal es conseguir que el hombre sea cada vez más humano. El análisis del contenido simbólico plasmado en la obra también nos revela su ideología religiosa: su doctrina apunta a la salvación del alma del hombre. Por ello, en el segundo capítulo acontece la aparición de un niño extraordinario que -en pleno desierto- le pide al aviador el dibujo de un cordero -que quita los pecados del mundo-. La obra, en general, resume los objetivos más importantes de su autor: la libertad necesaria para la existencia, el amor y el razonamiento como vías para hacer reinar al hombre sobre sí mismo en comunión con los otros. “Este libro busca analizar la obra de Antoine de Saint-Exupéry desde su perspectiva histórica, personal y cultural. Destaca con luz clara los valores predominantes de El

Principito, su profundo humanismo y existencialismo, y la enseñanza suprema de que la libertad es un ejercicio de autoconocimiento que pasa por el encuentro y reconocimiento de los otros en su diferencia.” Maylen Sosa, profesora de Literatura (Universidad Francisco de Miranda, Venezuela) “Esta lectura pedagógica de El Principito nos revela que el amor por la vida es simple y espontáneo, pero también el drama que enriquece la experiencia para imaginar y descubrir el valor de los afectos y la sensibilidad.” Álvaro Márquez-Fernández, Centro de Filosofía para Niños y Niñas (Universidad Cecilio Acosta, Venezuela) “Releer El Principito es siempre sugestivo. Hacerlo de la mano de Beatriz Pineda es maravilloso.” Jaime Nubiola, profesor de Filosofía (Universidad de Navarra)

Special Free Preview! In the spirit of The Guernsey Literary and Potato Peel Pie Society and The Unlikely Pilgrimage of Harold Fry, Gabrielle Zevin’s enchanting novel is a love letter to the world of books--and booksellers--that changes our lives by giving us the stories that open our hearts and enlighten our minds. On the faded Island Books sign hanging over the porch of the Victorian cottage is the motto "No Man Is an Island; Every Book Is a World." A. J. Fikry, the irascible owner, is about to discover just what that truly means. A. J. Fikry’s life is not at all what he expected it to be. His wife has died, his bookstore is experiencing the worst sales in its history, and now his prized possession, a rare collection of Poe poems, has been stolen. Slowly but surely, he is isolating himself from all the people of Alice Island--from Lambiase, the well-intentioned police officer who’s always felt kindly toward Fikry; from Ismay, his sister-in-law who is hell-bent on saving him from his dreary self; from Amelia, the lovely and idealistic (if eccentric) Knightley Press sales rep who keeps on taking the ferry over to Alice Island, refusing to be deterred by A.J.’s bad attitude. Even the books in his store have stopped holding pleasure for him. These days, A.J. can only see them as a sign of a world that is changing too rapidly. And then a mysterious package appears at the bookstore. It’s a small package, but large in weight. It’s that unexpected arrival that gives A. J. Fikry the opportunity to make his life over, the ability to see everything anew. It doesn’t take long for the locals to notice the change overcoming A.J.; or for that determined sales rep, Amelia, to see her curmudgeonly client in a new light; or for the wisdom of all those books to become again the lifeblood of A.J.’s world; or for everything to twist again into a version of his life that he didn’t see coming. As surprising as it is moving, The Storied Life of A. J. Fikry is an unforgettable tale of transformation and second chances, an irresistible affirmation of why we read, and why we love.

*Obras completas* Walker

Rafael Arráiz Lucca abre un paréntesis en su vida de historiador y ensayista para ofrecernos este nutrido recuento de sus experiencias psicológicas y espirituales. Sintiendo que ya ha cumplido con el mundo exterior y que el destino lo ha llevado al desafío de la interioridad, el autor comparte en un lenguaje llano el proceso de desplazamientos internos que lo han hecho abreviar en fuentes tan universales como diversas de la psique y la espiritualidad. Desde la poesía; la lectura iniciática a los filósofos clásicos; sus incursiones en el budismo, el taoísmo y el hinduismo; los atisbos comparativos entre la religiosidad oriental y la cultura judeocristiana; el psicoanálisis y la psicología arquetipal; hasta el terreno más mundano del tarot, la astrología y otras vivencias esotéricas, Arráiz Lucca nos describe su íntimo recorrido por el que ha buscado trascender lo concreto y hallar la serenidad que ansían una mente y un alma inquietas. Capaces de suscitar en el lector sus mismos anhelos e intereses, y sin la pretensión de ser un tratado sobre espiritualidad, estas páginas contienen el honesto testimonio de un hombre que no ha cesado de indagar en el mundo de lo no evidente y no ha temido sumergirse "en el río subterráneo que corre por debajo de nuestras vidas".

**Directorio argentino de Internet** Createspace Independent Publishing Platform

The World War II aviator and author of The Little Prince tells his true story of flying a reconnaissance plane during the Battle of France in 1940. When the Germans first invaded France in May of 1940, the French Air Force had a mere fifty reconnaissance crews, twenty-three of which served in Antoine de Saint-Exupéry’s Group II/33. After only a few days, seventeen of the crews in Saint-Exupéry’s unit had already perished. Flight to Arras is the harrowing story of a single mission over the French town of Arras, an endeavor Saint-Exupéry realized the futility of even as he witnessed it unfolding. Filled with tension, emotion, philosophy, and historical detail, and penned by a master storyteller, this extraordinary memoir serves as a record of a little-known chapter of the Second World War, and an unforgettable portrait of the brave souls who fought despite desperate odds.

*Obra completa 9/2* Parragon

Augmented by 310 illustrations, most in color, including many close-up details of Bosch’s intricately imagined nightmare scenes, Larry Silver’s Hieronymus Bosch is the definitive book on a perennially fascinating artist. *Clásicos de la Literatura Española: 80+ Novelas, Cuentos & Dramas (Episodios Nacionales, Novelas Contemporáneas, Cuentos...)* Babelcube Inc.

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho’s charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life’s path, and, above all, following our dreams.

**El principito** SUDAMERICANA

The Power of the Spoken Word Florence Scovel Shinn - "The Power of the Spoken Word" is a collection of the most influential author's lectures, which have been gathered, made into the book and published posthumously by her student.Florence Scovel Shinn taught metaphysics in New York for many years. Her meetings were well attended and in that way she was the means of bringing the message to a considerable number of people. Her books have had a wide circulation not only in America but abroad. They seem to have a knack of finding their way to remote and unexpected places in Europe and other parts of the world. Now and again we meet someone who came into Truth through finding a Florence Shinn book in the most improbable location.

**con ilustraciones del autor** Editorial Voces de Hoy

Letter to a Hostage is a book by the author Antoine de Saint-Exupéry. Saint-Exupéry initially wrote this piece as a preface for his best friend, Léon Werth’s novel: Trente-trois jours (Thirty Three Days). Werth had been forced to take refuge in the Jura region of France during the autumn of 1940 because of his Jewish origins. His book, however, could not be published, and so the author significantly revised his preface, removing any direct references to his friend and making him anonymous within the text and a symbol for France as the hostage of the occupying forces. This version was published independently in June 1943. The work is comprised of six short chapters which reflect upon recent aspects of the author’s life (travelling to Portugal, impressions of the Sahara, living in the USA...), and combines references to his friendship with Werth and to his love for his country.

**Mandy Mouse's Birthday** Editorial Limusa

Biografía del creador de telenovelas célebres como Rolando Rivas, taxista, Piel naranja, Pobre diabla y Una voz en el teléfono, que moldearon la historia sentimental de generaciones de argentinos. Lo llamaron "el señor éxito", "el padre de la lágrima" y "el autor del amor". Escribió más de 700 títulos sin más colaboradores que su máquina Remington. Sus telenovelas fueron una verdadera factoría de galanes, parejas románticas y canciones inolvidables. Durante cuatro décadas tuvo en sus manos las emociones domésticas de las tardes y las noches. Con Rolando Rivas taxista, la ficción más recordada de la televisión argentina, conquistó al público masculino y marcó un nuevo estándar en el modo de producir y mirar tv. Se atrevió a plantear un final infeliz en Piel Naranja en vísperas de la dictadura de 1976 e impuso una palabra guaraní -"rojajju"- en el lenguaje amoroso de los años 70'. Ultimo representante de la telenovela de autor, Alberto Migré sentó las bases de una industria de los sentimientos que se volvió global. En este libro apasionante Lilita Viola construye una biografía a la medida de su personaje donde cada secreto revelado abre las puertas de un secreto mayor. Actores y actrices, directores, admiradores y amigos íntimos aportan testimonios desopilantes y conmovedores para el retrato del hombre que patentó un

modo de amar alternativo a la vida real y supo denunciar como ninguno la influencia nefasta del machismo en las relaciones humanas y el factor melodrama en los rencores que signan la política argentina.
