Essentials of Swedish Grammar Hachette UK

This compact volume offers an integrated guide to the major grammatical concepts needed for writing and speaking Swedish.

Polish Tutor: Grammar and Vocabulary Workbook (Learn Polish with Teach Yourself) McGraw-Hill Education

Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

A Swedish grammar for Englishmen, with exercises, reading lessons in prose and verse, dialogues, and a copious vocabulary Innovative Language Learning

Intermediate Swedish: A Grammar and Workbook combines an accessible intermediate reference grammar and related exercises in one volume that covers most of the topics that students might expect to deal with in their second year of learning Swedish. The book follows on naturally from and complements its companion volume, Basic Swedish. Each of the 26 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book presents the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text which outlines an aspect of Swedish culture and, in nearly all cases, exemplifies and consolidates the grammar topic examined in the unit. Features include: * clear grammatical explanations with examples in Swedish and English * vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance * cross-references to other units * over 100 exercises with a key to all the correct answers. The book is suitable both for independent study and for class use. It can be

used by intermediate students and those who have grasped the basics of grammar and vocabulary.

A full color version is also available. Look for ISBN 978-1540452900. From English to Swedish 1 & 2 is a series of textbooks for English speaking students who would like to learn Swedish. The first book covers level A1 and the second book level A2 of the European CEFR-scale. Unlike most Swedish textbooks they provide vocabulary lists, grammar explanations, and text commentaries in English. To help the reader learn Swedish pronunciation, a series of videos linked to the first book is available on YouTube (see <https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The texts of the two books tell the story of an American girl who comes as an exchange student to live in a Swedish family. She struggles to learn Swedish and adapt to Swedish culture, but in the process runs into a number of culture clashes, all based on the authors' real life experiences. ◆ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of

the 2,000 most frequent words of the Swedish language as defined by Språkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary.

Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book! " (Amazon, Spain)

Beginner's Swedish with Online Audio Simon and Schuster

Learn Swedish - Level 2: Absolute Beginner Hippocrene Books

Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 *Swedish: A Comprehensive Grammar* is an award-winning complete reference guide to modern Swedish grammar. Systematic and accessible, the volume is organised to

promote a thorough understanding of Swedish grammar, presenting the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon, and an extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Now in its third edition, the text has been comprehensively updated to conform to new standards set in the description of language and to reflect the recommendations of the Language Council of Sweden. It offers an improved layout, completely revised index and more user-friendly paragraph structure. Continuing the tradition of previous editions, the emphasis remains fixed on Swedish in everyday communication, drawing on modern corpus material, the internet and the media to provide high frequency words and expressions. Examples have been modernised throughout and new content takes account of recent trends resulting from the increasing democratisation of written Swedish. Features include: detailed treatment of grammatical structures and parts of speech a wealth of examples from present-day Swedish particular attention to areas of confusion and difficulty for learners Swedish/English contrasts highlighted throughout the book chapters on word formation, orthography and punctuation. *Swedish: A Comprehensive Grammar* is the most thorough and detailed Swedish grammar available in English and is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types. *Beginner's Swedish* Routledge

A Simplified Grammar of the Swedish Language is a great work of reference on the historical development of the Scandinavian languages and a theoretical description of the grammatic structure of the Swedish language. This is a great reference book for scholars and students of linguistics.

Learn Swedish: Must-Know Swedish Slang Words & Phrases Innovative Language Learning

In this entertaining and groundbreaking book, Dr. Paul Pimsleur, creator of the renowned Pimsleur Method, the world leader in audio-based language learning, shows how anyone can learn to speak a foreign language. If learning a language in high school left you bruised, with a sense that there was no way you can learn another language, *How to Learn a Foreign Language* will restore your sense of hope. In simple, straightforward terms, Dr. Pimsleur

will help you learn grammar (seamlessly), vocabulary, and how to practice pronunciation (and come out sounding like a native). The key is the simplicity and directness of Pimsleur's approach to a daunting subject, breaking it down piece by piece, demystifying the process along the way. Dr. Pimsleur draws on his own language learning trials and tribulations offering practical advice for overcoming the obstacles so many of us face. Originally published in 1980, *How to Learn a Foreign Language* is now available on the 50th anniversary of Dr. Pimsleur's publication of the first of his first audio courses that embodied the concepts and methods found here. It's a fascinating glimpse into the inner workings of the mind of this amazing pioneer of language learning.

Basic Swedish Psychology Press

Functional and fun, this course offers full pronunciation guides, grammar summaries, dialogues, cultural notes, vocabulary charts, and irregular verb tables. Ideal for complete language study from comprehension, to speaking and writing skills, to understanding the culture.

3-Minute Swedish Createspace Independent Publishing Platform
Is there a distinctly Swedish national character? Are Swedes truly shy, unemotional, conflict-avoiding, melancholy, and dour? *Swedish Mentality*, the English translation of the hugely successful book published in Sweden in 1989, considers the reality behind the myth. The author, Åke Daun, is a respected ethnologist who is sometimes referred to as the "guru" of Swedish character. In recent years, it has become popular to discuss Swedishness and Swedish identity. The advent of the European Union and the increasing presence of immigrant refugees in Sweden have fueled public debate on the distinctiveness of Swedish culture. Daun, however, goes beyond stereotype, drawing upon statistics gathered over more than a decade of research. The result is an entertaining and engagingly written book. Throughout, Daun quotes from interviews with native Swedes and immigrants as well as from travel accounts, folklore, and proverbs. We learn why some Swedes might prefer to walk up a flight of stairs rather than share an elevator with a neighbor and why some gain satisfaction from walking alone in the woods or going fishing. Daun describes a range of factors influencing Swedish character, including population composition, rural background, and even climate. He recognizes behavioral

variations related to gender, age, class, and region, and he considers subtleties of individual character as well. Swedish Mentality should interest a wide array of readers, whether of Swedish descent or not.

From English to Swedish 1 Teach Yourself
