Outlook for English 5. Student's Cambridge University Press

This critical history covers 70 years of two major UCLES / Cambridge ESOL international exams: the First Certificate in English (FCE) and the Certificate in Advanced English (CAE). The story begins with the development and first sitting of the FCE (then called the Lower Certificate in English)

in 1939. The book then traces subsequent developments, including the initiation of FCE under its current name in 1975, the introduction of CAE in 1991, as well as reviews, major revisions, and modifications, leading to the update of FCE and CAE for December 2008. On the way, the history attempts to balance theory and practice, fact and opinion, insider and outsider perspectives, recurring themes and key innovations. We see the scale of the FCE and CAE exams grow from an initial candidature of just 144, to make a significant contribution to Cambridge ESOL's current total of over two million candidates in 130 countries.

English Grammar Practice-First Certificate in English Cambridge University Press

Cambridge English First 5 contains four tests for the Cambridge English First exam, also known as First Certificate in English (FCE). The syllabus for the Cambridge English: First (FCE) exam has changed, and this product is no longer suitable preparation material. Colour visual material for Paper 5 is included with each test. Student's Books with and without answers, a Teacher's Book and an Audio CD set are also available.

New Progress to First Certificate Self-study Student's Book Oxford University Press, USA

First certificate requires students to be familiar with B2 level phrasal verbs. Throughout the exam they spring up in the listenings, the readings and key word transformation in the use of English section of the test. Students are expected to be able to produce some of them in the writing part of the exam. This small booklet puts together phrasal verbs expected to be acquired at a B2 level. What's more, common grammar structures are recycled over and over again.

Authentic Examination Papers from Cambridge ESOL Cambridge University Press

This book is for you if you've never taught Cambridge First Certificate before, you want to know the most efficient techniques for getting your students through the exam, even if you've taught it before or you want to be able to advertise your services as an expert in First Certificate. The best way to learn to teach Cambridge First Certificate, is to take students through an entire course. Most schools I've worked at don't offer much in the way of additional training. You're just expected to get on with it. When I taught First, Advanced and PET, I was bumbling along with the books just trying to stay one answer further ahead than the students. Even if you're experienced at teaching general English, you can end up feeling like you've just stepped off the TEFL course. Learning along the way means you won't always be able to see around every little corner. With this book, you'll have everything you need to teach the exam the way your students deserve.

Authentic Examination Papers from Cambridge ESOL Cambridge English

These examination papers for the 2015 revised Cambridge English: Advanced (CAE) exam provide the most authentic exam preparation available, allowing candidates to familiarise themselves with the content and format of the exam and to practise useful exam techniques. The Student's Book

Cambridge First Certificate in English 3 Student's Book with answers Cambridge English

In part four of the first certificate exam, you are expected to be able to paraphrase, that is, express the same idea in two different ways. This part of the exam is to test your use of English and your grammar. Students should prepare themselves on being tested on conditionals, comparatives, superlatives, noun to adjective or verb and vice versa, phrasal verbs, verbs + their corresponding prepositions, gerunds and infinitives among others.

Cambridge English Advanced 5 Student's Book without Answers Cambridge University Press
