The Lady Elizabeth Simon and Schuster

Packed with stunning revelations, this is the inside story of The Queen Mother from the New York Times bestselling author who first revealed the truth about Princess Diana Queen Elizabeth The Queen Mother has been called the "most successful queen since Cleopatra." Her personality was so captivating that even her arch-enemy Wallis Simpson wrote about "her legendary charm." Portrayed as a selfless partner to the King in the Oscar-winning movie *The King's Speech*, The Queen Mother is most often remembered from her later years as the smiling granny with the pastel hats. When she died in 2002, just short of her 102nd birthday, she was praised for a long life well lived. But there was another side to her story. For the first time, Lady Colin Campbell shows us that the untold life of the Queen Mother is far more fascinating and moving than the official version that has been peddled ever since she became royal in 1923. With unparalleled sources—including members of the Royal Family, aristocrats, and

friends and relatives of Elizabeth herself—this mesmerizing account takes us inside the real and sometimes astonishing world of the royal family.

The Ordeal of Elizabeth Marsh Henry Holt and Company (BYR) Softbound - New, softbound print book.

Beautiful in God's Eyes HarperElement

In this remarkable reconstruction of an eighteenth-century woman's extraordinary and turbulent life, historian Linda Colley not only tells the story of Elizabeth Marsh, one of the most distinctive travelers of her time, but also opens a window onto a radically transforming world. Marsh was conceived in Jamaica, lived in London, Gibraltar, and Menorca, visited the Cape of Africa and Rio de Janeiro, explored eastern and southern India, and was held captive at the court of the sultan of Morocco. She was involved in land speculation in Florida and in international smuggling, and was caught up in three different slave systems. She was also a part of far larger histories. Marsh's lifetime saw new connections being forged across nations, continents, and oceans by war, empire, trade, navies, slavery, and print, and these developments shaped and distorted her own progress and the lives of those close to her. Colley brilliantly weaves together the personal and the epic in this compelling story of a woman in world history.

Living Dead Girl Harvest House Publishers

A mesmerizing novel of four generations of Southwestern women bound to a mythical legacy With its family secrets and hallowed texts containing explosive truths, *The Night Journal* suggests A. S. Byatt's *Possession* transplanted to the raw and beautiful landscape of the American Southwest. Meg Mabry has spent her life oppressed by her family's legacy—a heritage beginning with the journals written by her great-grandmother in the 1890s and solidified by her grandmother Bassie, a famous historian who published them to great acclaim. Until now, Meg has stubbornly refused to read the journals. But when she concedes to accompany the elderly and vipertongued Bassie on a return trip to the fabled land of her childhood in New Mexico, Meg finally succumbs to the allure of her great-grandmother's story—and soon everything she believed about her family is turned upside

down.

Woman Heal Thyself Foundation Press

Elizabeth I was born into a world of women. As a child, she was served by a predominantly female household of servants and governesses, with occasional visits from her mother, Anne Bolyen, and the wives who later took her place. As Queen, Elizabeth was cons

Elizabeth the Woman Harvest House Publishers

NEW YORK TIMES BESTSELLER • This "excellent, all-embracing" (The New York Times) biography of Queen Elizabeth II is a magisterial study of the woman known only from a distance—and a captivating window into her decades-long reign. From the moment of her ascension to the throne in 1952 at the age of twenty-five, Queen Elizabeth II was the object of unparalleled scrutiny. But through the fog of glamour and gossip, how well did we really know the world's most famous monarch? Drawing on numerous interviews and never-before-revealed documents, acclaimed biographer Sally Bedell Smith pulls back the curtain to show in intimate detail the public and private lives of Queen Elizabeth II, who led her country and Commonwealth through the wars and upheavals of the last twentieth and twenty-first centuries with unparalleled composure, intelligence, and grace. In *Elizabeth the Queen*, we meet the young girl who suddenly becomes "heiress presumptive" when her uncle abdicates the throne. We meet the thirteen-year-old Lilibet as she falls in love with a young navy cadet named Philip and becomes determined to marry him, even though her parents prefer wealthier English aristocrats. We see the teenage Lilibet repairing army trucks during World War II and standing with Winston Churchill on the balcony of Buckingham Palace on V-E Day. We see the young Queen struggling to balance the demands of her job with her role as the mother of two young children. Sally Bedell Smith brings us inside the palace doors and into the Queen's daily routines—the "red boxes" of documents she reviewed each day, the weekly meetings she had with twelve prime ministers, her physically demanding tours abroad, and the constant scrutiny of the press—as well as her personal relationships: with her husband, Prince Philip, the love of her life; her children and their often-

disastrous marriages; her grandchildren and friends.

Women and the Law Stories Bantam Dell Publishing Group
"Captivating." --The Washington Post Named a Best Book of Summer by Good Morning America • BuzzFeed • PopSugar • BookRiot • LifeSavvy • CT Post From "a master of historical fiction" (NPR), Karin Tanabe's *A Woman of Intelligence* is an exhilarating tale of post-war New York City, and one remarkable woman's journey from the United Nations, to the cloistered drawing rooms of Manhattan society, to the secretive ranks of the FBI. A Fifth Avenue address, parties at the Plaza, two healthy sons, and the ideal husband: what looks like a perfect life for Katharina Edgeworth is anything but. It's 1954, and the post-war American dream has become a nightmare. A born and bred New Yorker, Katharina is the daughter of immigrants, Ivy-League-educated, and speaks four languages. As a single girl in 1940s Manhattan, she is a translator at the newly formed United Nations, devoting her days to her work and the promise of world peace—and her nights to cocktails and the promise of a good time. Now the wife of a beloved pediatric surgeon and heir to a shipping fortune, Katharina is trapped in a gilded cage, desperate to escape the constraints of domesticity. So when she is approached by the FBI and asked to join their ranks as an informant, Katharina seizes the opportunity. A man from her past has become a high-level Soviet spy, but no one has been able to infiltrate his circle. Enter Katharina, the perfect woman for the job. Navigating the demands of the FBI and the secrets of the KGB, she becomes a courier, carrying stolen government documents from D.C. to Manhattan. But as those closest to her lose their covers, and their lives, Katharina's secret soon threatens to ruin her. With the fast-paced twists of a classic spy thriller, and a nuanced depiction of female experience, *A Woman of Intelligence* shimmers with intrigue and desire.

Elizabeth the Queen Ballantine Books

The definitive portrait of Queen Elizabeth II by a renowned royal biographer. As seen on Good Morning America, CNN, and the BBC Shy but with a steely self-confidence; inscrutable despite ten decades in the public eye; unflappable; devout; indulgent; outwardly reserved, inwardly passionate; unsentimental; inquisitive; young at heart. Even with her recent passing at age ninety-six, she remains a twenty-first century global phenomenon commanding unrivalled respect and affection. Sealed off during the greatest peacetime emergency of modern times, she has stuck to her own maxim: "I have to be seen to be believed." Robert Hardman, one of Britain's most acclaimed royal biographers, now wraps up the full story of one of the undisputed greats in a thousand years of monarchy. Hardman distills Elizabeth's complex life into a must-read study of dynastic survival and renewal. It is a portrait of a world leader who remains as intriguing today as the day she came to the Throne at age twenty-five. With peerless access to members of the Royal Family, staff, friends, and royal records, *Queen of Our Times* brings fresh insights and scholarship to the modern royal story. There will be no more thorough, more readable, more original book on Elizabeth II as we celebrate a life and reign that, surely, will never be equaled.

Person/a Simon and Schuster

NATIONAL BESTSELLER • The triumphant true story of a woman who rode her horse across America in the 1950s, fulfilling her dying wish to see the Pacific Ocean, from the #1 New York Times bestselling author of *The Perfect Horse* and *The Eighty-Dollar Champion* "The gift Elizabeth Letts has is that she makes you feel you are the one taking this trip. This is a book we can enjoy always but especially need now."—Elizabeth Berg, author of *The Story of Arthur Truluv* In 1954, sixty-three-year-old Maine farmer Annie Wilkins embarked on an impossible journey. She had no money and no family, she had just lost her farm, and her doctor had given her only two years to live. But Annie wanted to see the Pacific Ocean before she died. She ignored her doctor's advice to move into the county charity home. Instead, she bought a cast-off

brown gelding named Tarzan, donned men's dungarees, and headed south in mid-November, hoping to beat the snow. Annie had little idea what to expect beyond her rural crossroads; she didn't even have a map. But she did have her ex-racehorse, her faithful mutt, and her own unfailing belief that Americans would treat a stranger with kindness. Annie, Tarzan, and her dog, Depeche Toi, rode straight into a world transformed by the rapid construction of modern highways. Between 1954 and 1956, the three travelers pushed through blizzards, forded rivers, climbed mountains, and clung to the narrow shoulder as cars whipped by them at terrifying speeds. Annie rode more than four thousand miles, through America's big cities and small towns. Along the way, she met ordinary people and celebrities—from Andrew Wyeth (who sketched Tarzan) to Art Linkletter and Groucho Marx. She received many offers—a permanent home at a riding stable in New Jersey, a job at a gas station in rural Kentucky, even a marriage proposal from a Wyoming rancher. In a decade when car ownership nearly tripled, when television's influence was expanding fast, when homeowners began locking their doors, Annie and her four-footed companions inspired an outpouring of neighborliness in a rapidly changing world.

Queen of Our Times Random House Trade Paperbacks

Elizabeth Woodville is undoubtedly a historical character whose life no novelist would ever have dared invent. She has been portrayed as an enchantress; as an unprincipled advancer of her family's fortunes and a plucky but pitiful queen in Shakespeare's histories. She has been alternatively championed and vilified by her contemporaries and five centuries of historians, dramatists and novelists, but what was she really life? In this revealing account of Elizabeth's life David Baldwin sets out to tell the story of this complex and intriguing woman. Was she the malign influence many of her critics held her to be? Was she a sorceress who bewitched Edward IV? What was the fate of her two sons, the 'Princes in the Tower'? What did she, of all people, think had become of them, and why did Richard III mount a campaign of vilification against her? David Baldwin traces Elizabeth's career and her influence on the major events of her husband Edward IV's reign, and in doing so he brings to life the personal and domestic politics of Yorkist England and the elaborate ritual of court life.

View our feature on Sarah Gristwood's Elizabeth &

Leicester. Though the story has been told on film—and whispered in historic gossip—this is the first book in almost fifty years to solely explore the great queen's attachment to her beloved Robert Dudley, the Earl of Leicester. Fueled by scandal and intrigue, their relationship set the explosive connection between public and private life in sixteenth-century England in bold relief. Why did they never marry? How much of what seemed a passionate obsession was actually political convenience? Elizabeth and Leicester reignites this 400-year-old love story in a book for anyone interested in Elizabethan literature.

Watch the Lady U of Nebraska Press

From Anne Barnhill, the author of *At the Mercy of the Queen*, comes the gripping tale of Mary Shelton, Elizabeth I's young cousin and ward, set against the glittering backdrop of the Elizabethan court. Mistress Mary Shelton is Queen Elizabeth's favorite ward, enjoying every privilege the position affords. The British queen loves Mary like a daughter, and, like any good mother, she wants her to make a powerful match. The most likely prospect: Edward de Vere, Earl of Oxford. But while Oxford seems to be everything the queen admires: clever, polished and wealthy, Mary knows him to be lecherous, cruel, and full of treachery. No matter how hard the queen tries to push her into his arms, Mary refuses. Instead, Mary falls in love with a man who is completely unsuitable. Sir John Skydemore is a minor knight with little money, a widower with five children. Worst of all, he's a Catholic at a time when Catholic plots against Elizabeth are rampant in England. The queen forbids Mary to wed the man she loves. When the young woman, who is the queen's own flesh and blood, defies her, the couple finds their very lives in danger as Elizabeth's wrath knows no bounds.

The Night Journal Simon and Schuster

Esther was in the right place at the right time. When God's guiding hand made her queen over a foreign race, she used her influence to save her people. Women of every age and walk of life will discover how to—cultivate an abiding trust in God depend wholly upon God in prayer prepare for and persist in the assignments God gives As women are obedient to God's leading, they will find strength and inner beauty flowing through them as

they positively affect the lives of those around them.

Elizabeth, the Woman Harvest House Publishers

In her analysis of the cultural construction of gender in early America, Elizabeth Reis explores the intersection of Puritan theology, Puritan evaluations of womanhood, and the Salem witchcraft episodes. She finds in those intersections the basis for understanding why women were accused of witchcraft more often than men, why they confessed more often, and why they frequently accused other women of being witches. In negotiating their beliefs about the devil's powers, both women and men embedded womanhood in the discourse of depravity. Puritan ministers insisted that women and men were equal in the sight of God, with both sexes equally capable of cleaving to Christ or to the devil. Nevertheless, Reis explains, womanhood and evil were inextricably linked in the minds and hearts of seventeenth-century New England Puritans. Women and men feared hell equally but Puritan culture encouraged women to believe it was their vile natures that would take them there rather than the particular sins they might have committed. Following the Salem witchcraft trials, Reis argues, Puritans' understanding of sin and the devil changed. Ministers and laity conceived of a Satan who tempted sinners and presided physically over hell, rather than one who possessed souls in the living world. Women and men became increasingly confident of their redemption, although women more than men continued to imagine themselves as essentially corrupt, even after the Great Awakening.

Mary Me Harper Collins

The names Elizabeth Eckford and Hazel Bryan Massery may not be well known, but the image of them from September 1957 surely is: a black high school girl, dressed in white, walking stoically in front of Little Rock Central High School, and a white girl standing directly behind her, face twisted in hate, screaming racial epithets. This famous photograph captures the full anguish of desegregation—in Little Rock and throughout the South—and an epic moment in the civil rights movement. In this gripping book, David Margolick tells the remarkable story of two separate lives unexpectedly braided together. He explores how the haunting picture of Elizabeth and Hazel came to be taken, its significance in the wider world, and why, for the next half-century, neither

woman has ever escaped from its long shadow. He recounts Elizabeth's struggle to overcome the trauma of her hate-filled school experience, and Hazel's long efforts to atone for a fateful, horrible mistake. The book follows the painful journey of the two as they progress from apology to forgiveness to reconciliation and, amazingly, to friendship. This friendship foundered, then collapsed—perhaps inevitably—over the same fissures and misunderstandings that continue to permeate American race relations more than half a century after the unforgettable photograph at Little Rock. And yet, as Margolick explains, a bond between Elizabeth and Hazel, silent but complex, endures.

Lady Into Woman St. Martin's Press

The Heart of a Woman Who Prays HarperCollins

An artist in glass and light, Angel has loved with passion and fire - - and learned the true depths of sadness when what she loved was taken from her. When she first meets Miles Hawkins -- a solitary, distant man -- their mutual mistrust seems insurmountable. Hawk has never known what Angel has freely enjoyed, having experienced only cruelty and betrayal from the women in his life. But Angel is willing to risk everything that proud, silent Hawk cannot, as she strives to bring truth and love to a tormented soul who believes in neither. Yet giving her heart again could be a gamble with stakes too high and too painful for her to endure -- for she fears that, by loving Hawk, she will surely lose him.
