Founder and Global Senior Pastor of Hillsong Church and author of LIVE LOVE LEAD shows how, with God's power, you can believe and achieve a life that exceeds every earthly expectation. When you surrender control and follow God's guidance, you become empowered and equipped to do the impossible, reach higher, and go further than you could have ever imagined--giving Him all the glory. By building our lives around godly principles, surrounding ourselves with wisdom, and living for a cause greater than ourselves, we can effectively live out God's

purposes and have an enduring impact. As Brian Houston has personally discovered, when we depend on Jesus as the source for our identity, our lives can be a lasting legacy that maximize the gifts He has given each of us as unique individuals. There is More is for anyone who wants to be challenged to live with expectancy. Ephesians 3 is a call to release the immeasurable potential within you and the exceeding, abundant, and above plans and purposes of a Holy God that are beyond your greatest imagination. "Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen" (Ephesians 3:20-21).

Far too often, life's challenges and questions cause people to fight feelings of doubt and despair, as they search endlessly for hope. In *Singing in the Dark*, Ginny Owens introduces the reader to powerful ways of drawing closer to God and how the elements of music, prayer, and lament offer rich, vibrant, and joyful communion with Him,

especially on the darkest days. Ginny has gained a unique life perspective, as she has lived without sight since age three. She brings rich, biblical teaching that will encourage readers and compel them to dig deep into the beautiful songs, prayers, and poetry of Scripture—the same words through which the people of the Bible flourished in impossible circumstances. Singing in the Dark includes reflection and journaling prompts at the end of each chapter.

In Christ Alone Hal Leonard Corporation

"What is at stake is authenticity. . . . Sooner or later Christians tire of public meetings that are profoundly inauthentic, regardless of how well (or poorly) arranged, directed, performed. We long to meet, corporately, with the

living and majestic God and to offer him the praise that is his due.”—D. A. Carson

Worship is a hot topic, but the ways that Christians from different traditions view it vary greatly. What is worship? More important, what does it look like in action, both in our corporate gatherings and in our daily lives? These concerns—the blending of principle and practice—are what *Worship by the Book* addresses. Cutting through cultural clichés, D. A. Carson, Mark Ashton, Kent Hughes, and Timothy Keller explore, respectively:

- *Worship Under the Word*
- *Following in Cranmer’s Footsteps*
- *Free Church Worship: The Challenge of Freedom*
- *Reformed Worship in the Global City*

“This is not a comprehensive theology of worship,” writes Carson. “Still less is it a sociological analysis of current trends or a minister’s manual chockfull of ‘how to’ instructions.” Rather, this book offers pastors, other congregational leaders, and seminary students a thought-provoking biblical theology of worship, followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship. Running the gamut from biblical theology to historical assessment all the way to sample service sheets, *Worship by the Book* shows how local churches in diverse traditions can foster corporate worship that is God-honoring, Word-revering, heartfelt, and historically and culturally informed.

Swee Hong Lim and Lester Ruth have filled an important gap in the study of worship. *Lovin' on Jesus: A Concise History of Contemporary Worship* is the first scholarly work of its kind on this topic. Lim and Ruth trace the origins and development of what we commonly call contemporary Christian worship, exploring it thoroughly and methodically. Their research includes early recordings and interviews with many who were directly involved in the early stages. The

authors were students of James White, and their book is, in a sense, a much-needed addition to White's classic *Introduction to Christian Worship*. The thematic structure of *Lovin' on Jesus* mirrors that of White's *Introduction*, making this book exceedingly useful for students and practitioners in the study of Christian worship as a whole. This is an essential resource for all students, scholars, worship leaders, and pastors who are serious about understanding the worship they lead. "Meticulously researched, accessibly written, generous in its praise, and balanced in its critiques—this is the book for which many of us have long been waiting."

—Melanie C. Ross, Assistant Professor of Liturgical Studies, Yale Divinity School, New Haven, CT "Particularly useful for teaching is the way Lim and Ruth organize their account by practices of time, space, music, prayer, technology, and scripture. This will immediately become a required textbook for the courses I teach on Christian worship."

—Ed Phillips, Associate Professor of Worship and Liturgical Theology and Coordinator of the Initiative in Religious Practices and Practical Theology, Candler School of Theology, Atlanta, GA

"Readers will find Lim and Ruth's one-of-a-kind history convincing and rigorous. The authors show how a modern genre of Christian worship claimed its place, what it all means, and where it is heading." —Gerald Liu, Assistant Professor of Worship and Preaching, Princeton Theological Seminary, Princeton, NJ "Lovin' on Jesus is an important book for every pastor, worship leader, and worshipper. This wonderfully prepared study will help you keep your worship experience biblically centered, dynamic, and growing." —Rick Muchow, Founding Worship Pastor, Saddleback

This book analyses the most sung contemporary congregational songs (CCS) as a global music genre. Utilising a three-part music semiology, this research engages with producers, musical texts, and audiences/congregations to better understand contemporary worship for the modern church and individual Christians. Christian Copyright Licensing International data plays a key role in identifying the most sung CCS, while YouTube mediations of these songs and their associated data provide the primary texts for analysis. Producers and the production milieu are explored through interviews with some of the highest profile worship leaders/songwriters including Ben Fielding, Darlene Zschech, Matt Redman, and Tim Hughes, as well as other music industry veterans. Finally, National Church Life Survey data and a specialized survey provide insight into individual Christians' engagement with CCS. Daniel Thornton shows how these perspectives taken together provide unique insight into the current global CCS genre, and into its possible futures.

100 Reasons Why Sex Must Wait Until Marriage Sex is a mystery and unfortunately majority of those who engage in it do not fully understand the mystery behind it. The only thing most people understand about it is the pleasure derived from it and the procreation that can result from it. Many do not understand that when sex is not done within the scripturally prescribed confines of marriage, the temporary pleasure derived can lead to eternal pressure. In this book, Dr. Olukoya has

taken time to unlock some of the mysteries of sex. Considerable attention has been given to the after-effects of premarital sex to show why you should wait until marriage before engaging in it.

Steps are listed on how you can stay pure and avoid sex until marriage. Sex outside marriage is a killer and it has successfully destroyed millions of destinies. Do not let yours be next!
