Conflict in South Sudan and the Challenges Ahead

Congressional Research Service Summary

South Sudan, which separated from Sudan in 2011 after almost 40 years of civil war, was drawn into a devastating new conflict in late 2013, when a political dispute that overlapped with

preexisting ethnic and political fault lines turned violent.

Conflict in South Sudan and the Challenges Ahead

Following the signing of the Cessation of Hostilities Agreement on 21 December 2017, conflict activity in South Sudan has reduced. This period in South Sudan corresponds to the dry season, when the conflict is usually expected to resume (ACLED, November 2017), however, the totals of monthly fatalities since the agreement have remained significantly

lower than in the same period last year (see ...)
