Mystic Ascension Press

What is a rite of passage, and why make one? What do I have to do to prepare, and who will I choose to help me? After accomplishing my goals, how do I create my Celebration? Where will I hold my Celebration, who will I invite? Making a rite of passage is a challenging experience—one you can surely achieve with the help of a few people who are close to you. In this book you will find everything you need to begin. "At the moment of stepping through the Gateway, I felt so loved! I felt that every girl should have the opportunity to experience a Gateway Celebration! At thirteen, I took on the three-month challenge of this personal initiation. Through it, I came to understand myself. I understood what it meant to be connected to a great network of strong women.- Now I see that the work I did then has created a life-long root structure for me. I know that, should I need help, all I have to do is reach out to my community." Hilary Melcher Chapman, Girl's Gateway initiate
 "Frederica Chapman is a woman of creativity, courage, and optimism, and while most of us pay little or no attention to ritual, she believes in the power of ritual to guide our lives." Jane Burdick, Feldenkrais practitioner, and Girl's Gateway mentor
 As busy as girls are these days, the author writes, suggesting that they take time out to think about their life as a story, to discover more possibilities, and out of these possibilities to make better choices for themselves. She encourages girls to choose a circle of friends and older women to Celebrate their moment of becoming a young woman. This book supports the tendency of adolescent girls to want to do things differently and more independently. It supports them as they experience the many changes that naturally occur for anyone moving from childhood to young adulthood. It supports their sense of responsibility. With step by step guidance, a girl learns about girls rites of passage from other cultures, about imagining the possible challenges she could set for herself, choosing and working with her mentors, setting a date, creating an invitation, and choosing a location for her Celebration. It includes a chapter on the use of symbols in the planning of her initiation ritual, as well as a complete list of resource materials - books and videos - that pertain to girls' initiations. The book is both informative and fun, inspiring a sense of PLAY throughout the initiation process, and in preparing for the completing Celebration.

"There is no other book even remotely like this. Deeply into the Bone is an exceptional, imaginative book on the topic of rites and the shaping of human life. Grimes is one of the few people who ably combines scholarly disciplines and perspectives with firsthand narratives, literary essays, films and observations of general culture. He is unquestionably a first-rate author and thinker, and this is an unquestionably magnificent book."—Lawrence Hoffman, author of *Covenant of Blood* "Deeply into the Bone is guaranteed to change our minds about ritual. Using a global and ethnic array of rites new and old, Grimes shows that contrary to popular belief, the ritual marking of life passages is anything but universal. By teaching us how to think comparatively we see that rites of passage are enduring rituals not for their uniformity, but because they serve as cornerstones for cultural and spiritual creativity and innovation."—Madeline Duntley, College of Wooster

Rules, Procedures, Prayers of the Catholic Church Vintage Canada
 Named "One of the 100 best books ever published in Canada" (The Literary Review of Canada), *Rites of Spring* is a brilliant and captivating work of cultural history from the internationally acclaimed scholar and writer Modris Eksteins. Dazzling in its originality, witty and perceptive in unearthing patterns of behavior that history has erased, *Rites of Spring* probes the origins, the impact and the aftermath of World War I—from the premiere of Stravinsky's ballet *Le Sacre du Printemps* in 1913 to the death of Hitler in 1945. "The Great War," Eksteins writes, "was the psychological turning point...for modernism as a whole. The urge to create and the urge to destroy had changed places." In this extraordinary book, Eksteins goes on to chart the seismic shifts in human consciousness

brought about by this great cataclysm through the lives and words of ordinary people, works of literature, and such events as Lindbergh's transatlantic flight and the publication of the first modern bestseller, *All Quiet on the Western Front*. *Rites of Spring* is a remarkable and rare work, a cultural history that redefines the way we look at our past and toward our future.

The Shaping of the Reformed Baptismal Rite in the Sixteenth Century Princeton University Press
 Stravinsky in Context offers an alternative to chronological biography. Thirty-five short, specially commissioned essays explore the eventful life-tapestry from which Stravinsky's compositions emerged. The opening chapters draw on new research into the composer's childhood in St. Petersburg. Stravinsky's early, often traumatic upbringing is examined in depth, particularly in the context of his brother Roman's death, and religious sensibilities within the family. Further essays consider Stravinsky's years in exile at the centre of dynamic and ever-evolving cultural environments, the composer constantly refining his idiom and re-defining his aesthetics against a backdrop of world events and personal tragedy. The closing chapters review new material regarding Stravinsky's complicated relationship with the Soviet Union, whilst also anticipating his legacy from the varied perspectives of publishing, research and even - in the iconic example of *The Rite of Spring* - space exploration. The book includes previously unpublished images of the composer and his family.

Interview with an Exorcist USCCB Publishing

A collection of ice cream, frozen treat and dairy dessert recipes by San Francisco's popular Bi-Rite Creamery emphasizes the use of farm-fresh, seasonal ingredients and includes such flavor options as Balsamic Strawberry, Honey Lavender and Orange-Cardamom. 20,000 first printing.

As parents, we all want our boys to grow up to be happy, healthy and successful. For this to happen, it's vital we understand their world, their challenges, and how our relationship with them must change as they become young men. Using real-life examples, parenting expert Dr Arne Rubinstein clearly explains the risks teenagers face today, including drugs, alcohol, technology and peer group pressure. He then shows how you can equip your son to make safe and sensible choices. Whether you're a single mum of a happy-go-lucky eight-year old, or the parent of a troubled teen, *The Making of Men* is a practical, commonsense guide to helping your son transition from a boy to a young man who is motivated and inspired. 'Funny, encouraging, gritty and real.' Steve Biddulph, bestselling author of *Manhood and Raising Boys*

Historical accounts of Jewish violence—particularly against Christians—have long been explosive material. Some historians have distorted these records for anti-Semitic purposes. Others have discounted, dismissed, or simply ignored the evidence, often for apologetic purposes. In *Reckless Rites*, Elliott Horowitz takes a new and forthright look at both the history of Jewish violence since late antiquity and the ways in which generations of historians have grappled with that history. In the process, he has written the most wide-ranging book on Jewish violence in any language, and the first to fully acknowledge and address the actual anti-Christian practices that became part of the playful, theatrical violence of the Jewish festival of Purim. He has also examined the different ways in which the book of Esther, upon which the festival is based, was used by Jews and Christians over the centuries—whether as an ancient mirror of modern tribulations or as the scriptural basis for anti-Semitic claims regarding the bloodthirstiness of the Jews. *Reckless Rites* reassesses the historical interpretation of Jewish violence—from the alleged massacre of thousands of Christians in seventh-century Jerusalem to later medieval attacks on Christian symbols such as the crucifix, transgressions that were often committed in full knowledge that their likely consequence would be death. A book that calls for major changes in the way that Jewish history is written and conceptualized, *Reckless*

Rites will be essential reading for scholars and students of history, religion, and Jewish-Christian relations.

Deeply Into the Bone Wm. B. Eerdmans Publishing

This facsimile edition collects all 19 issues of 'Art-Rite' magazine, edited by art critics Walter Robinson and Edit DeAk from 1973 to 1978. Robinson, DeAk and a third editor, Joshua Cohn, met as art history students at Columbia University, and were inspired to found the magazine by their art criticism teacher, Brian O'Doherty. 'Art-Rite', cheaply produced on newsprint, served as an important alternative to the established art magazines of the period. 'Art-Rite' ran for only five years, and published only 19 issues. But in that time the magazine featured contributions from hundreds of artists, a list that now reads like a who's-who of 1970s art: Yvonne Rainer, Gordon Matta-Clark, Alan Vega (Suicide), William Wegman, Nancy Holt, Jack Smith, Dorothea Rockburne, Robert Morris, Adrian Piper, Laurie Anderson, Carolee Schneemann and Carl Andre; critics such as Lucy Lippard contributed writing. Through its single-artist issues and its thematic issues on performance, video and artists' books, 'Art-Rite' championed the new art of its era.

Symbolical Masonry Oxford University Press

Do you feel stuck in life, not knowing how to make it more successful? Do you wish to become more popular? Are you craving to earn more? Do you wish to expand your horizon, earn new clients and win people over with your ideas? How to Win Friends and Influence People is a well-researched and comprehensive guide that will help you through these everyday problems and make success look easier. You can learn to expand your social circle, polish your skill set, find ways to put forward your thoughts more clearly, and build mental strength to counter all hurdles that you may come across on the path to success. Having helped millions of readers from the world over achieve their goals, the clearly listed techniques and principles will be the answers to all your questions.

The Making of Men 30 Minute Seder LLC

When Igor Stravinsky's ballet *Le Sacre du printemps* (The Rite of Spring) premiered during the 1913 Paris season of Sergei Diaghilev's Ballets Russes, its avant-garde music and jarring choreography scandalized audiences. Today it is considered one of the most influential musical works of the twentieth century. In this volume, the ballet finally receives the full critical attention it deserves, as distinguished music and dance scholars discuss the meaning of the work and its far-reaching influence on world music, performance, and culture. Essays explore four key facets of the ballet: its choreography and movement; the cultural and historical contexts of its performance and reception in France; its structure and use of innovative rhythmic and tonal features; and the reception of the work in Russian music history and theory.

The Rite of Spring at 100 Sophia

There are terrors worse than stage fright. Like falling in love. Violinist Stephen Ashbrook is passionate about three things-his music, the excitement of life in London, and his lover, Evander Cade. It's too bad that Evander only loves himself. A house party at their patron's beautiful country estate seems like a chance for Stephen to remember who he is, when he's not trying to live up to someone else's harsh expectations. Joshua Beaufort, a painter whose works are very much in demand among the right sort of people, has no expectations about this party at all. Until, that is, he finds out who else is on the guest list. Joshua swore off love long ago, but has been infatuated with Stephen since seeing his brilliant performance at Vauxhall. Now he has the chance to meet the object of his lust face to face-and more. But changing an open relationship to a triad is a lot more complicated than it seems, and while Evander's trying to climb the social ladder, Stephen's trying to climb Joshua. When the dust settles, only two will remain standing...when they're not flat on their backs. Contains three men, two beds, one erotic piercing, and the hottest six weeks of summer the nineteenth century has ever seen.

Diary of an American Exorcist Harper Collins

Presents an overview of the phenomenon of demonic possession, tracing the history, rites, and rituals of exorcism in the Catholic Church and describing one man's path which transformed him from a skeptical apprentice to a practicing exorcist.

Rites of Spring Princeton University Press

A really interesting book about Freemasonry, covering pretty much everything you could possibly want to know about the rituals, the first three degrees, the mysteries (such as the letter 'G'), the legend of Hiram Abiff, and much more. Other subjects covered include, The Emblems, The Trowel, The Two Great Pillars, Working Tools Of An Entered Apprentice, The Apron, The Hoodwink, and, The Petition For Membership.

The Roman Rite of Exorcism (Rituale Romanum). An updated, scholarly treatment of the Rite of Exorcism from a Catholic perspective. Includes simple deliverance prayers from evil spirits.

Extensive background on the history of the Rite, current rules and procedures, and traditional prayers of exorcism and deliverance. Written by Michael Freze, S.F.O., Catholic scholar and world recognized expert on demonology. The author has published a 12-book series on demonology, providing an important work in the field of demonology and the study of possession and exorcism. Destined to become a classic among the Catholic books of our era. A recent endorsement: "I have to say that of the many books I have read (having multiple degrees in theology -including my Doctorate from Columbia University) your "They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata..." is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write ... Peace, Deacon Mike Vicinanza" (April 17, 2016).

The Board of Rites and the Making of Qing China BEYOND BOOKS HUB

On 29 May 1913, at the Théâtre des Champs-Élysées in Paris, a new ballet by Diaghilev's Ballets Russes, choreographed by Vaslav Nijinsky, received its premiere. Many of the cultural big names of Paris were there, or were rumoured to have been there: Debussy, Ravel, Proust, Gertrude Stein, Picasso. When the curtain rose on a cast of frenziedly stamping dancers, a near-riot ensued, ensuring the evening would enter the folklore of modernism. While it was the dancing that triggered the mayhem, Stravinsky's score contained shocks enough, with its innovations in form, rhythm, dissonance and its sheer sonic power. The Rite of Spring would achieve recognition in its own right as a concert piece, and is now seen as one of the most influential works of the 20th century. Gillian Moore explores the cultural climate that created *The Rite*, tells the story of the creation of the music and the ballet and provides a guide to the music itself, showing how a scandalous novelty of 1913 became a 21st-century concert staple. As well as considering its influence on 20th-century classical composers, she probes *The Rite's* impact on film music (including scores for *Star Wars* and *Jaws*); its extensive influence on jazz musicians (including Charlie Parker) and by artists as diverse as Weather Report, Joni Mitchell, Frank Zappa and The Pet Shop Boys.

[Rite of Penance](#) Simon and Schuster

In this fast-paced, high-stakes debut novel, sixteen-year-old Sam McKenna discovers that becoming one of the first girls to attend a revered military academy means living with a target on her back. As Sam struggles to prove herself, she learns that a decades-old secret society is alive and active . . . and determined to force her out. Fans of Simone Elkeles and Trish Doller will love *Rites of Passage's* perfect blend of sizzling romance and edge-of-your-seat suspense.

Rites of Retaliation Dr Arne Rubinstein

The Board of Rites and the Making of Qing China presents a major new approach in research on the formation of the Qing empire (1636-1912) in early modern China. Focusing on the symbolic practices that structured domination and legitimized authority, the book challenges traditional understandings of state-formation, and argues that in addition to war making and institution building, the disciplining of diverse political actors, and the construction of political order through symbolic acts were essential undertakings in the making of the Qing state. Beginning in 1631 with the establishment of the key disciplinary organization, the Board of Rites, and culminating with the publication of the first administrative code in 1690, Keliher shows that the Qing political environment was premised on sets of intertwined relationships constantly performed through acts such as the New Year's Day ceremony, greeting rites, and sumptuary regulations, or what was referred to as *li* in Chinese. Drawing on Chinese- and Manchu-language archival sources, this book is the first to demonstrate how Qing state-makers drew on existing practices and made up new ones to reimagine political culture and construct a system of domination that lay the basis for empire.

Purim and the Legacy of Jewish Violence The RiteThe Making of a Modern Exorcist

Magic reigns supreme on the world of Cress. Giselle Villard is a party girl, while her older sister Genevieve studies arcane spells. However, it is Giselle who is granted the power to become the Mightiest Mystic her world has ever seen ... it she manages to survive.

[An Exorcist](#) Image

This is a print on demand book and is therefore non- returnable. This meticulously researched book recounts how the early sixteenth-century Reformers, steering a course between the old Latin rites on the one hand and the Anabaptist movement on the other, developed a baptismal service that they understood to be reformed according to Scripture. Hughes Oliphant Old's study shows the Reformed baptismal rite to be well thought out, pastorally sensitive, and theologically profound.
