Breach of Trust Northernblues Books

The true story of the leaking of the Pentagon Papers, the event which inspired Steven Spielberg's feature film *The Post* In 1971 former Cold War hard-liner Daniel Ellsberg made history by releasing the Pentagon Papers - a 7,000-page top-secret study of U.S. decision-making in Vietnam - to the New York Times and Washington Post. The document set in motion a chain of events that ended not only the Nixon presidency but the Vietnam War. In this remarkable memoir, Ellsberg describes in dramatic detail the two years he spent in Vietnam as a U.S. State Department observer, and how he came to risk his career and freedom to expose the deceptions and delusions that shaped three decades of American foreign policy. The story of one man's exploration of conscience, *Secrets* is also a portrait of America at a perilous crossroad. "[Ellsberg's] well-told memoir sticks in the mind and will be a powerful testament for future students of a war that the United States should never have fought." -The Washington Post "Ellsberg's deft critique of secrecy in government is an invaluable contribution to understanding one of our nation's darkest hours." - Theodore Roszak, San Francisco Chronicle

Inheritance Bloomsbury Publishing USA

Christopher Fulton's journey began with the death of Evelyn Lincoln, late secretary to President John F. Kennedy. Through Lincoln, crucial evidence ended up in Christopher's hands—evidence that was going to be used to facilitate a new future for America. But the U.S. government's position was clear: that evidence had to be confiscated and classified, and the truth hidden away from the public. Christopher was sent to federal prison for years under a sealed warrant and indictment. The *Inheritance*, Christopher's personal narrative, shares insider information from his encounters with the Russian Government, President Ronald Reagan, Donald Trump, the Clinton White House, the U.S. Justice Department, the Secret Service, and the Kennedy family themselves. It reveals the true intentions of Evelyn Lincoln and her secret promise to Robert Kennedy—and

Christopher's secret promise to John F. Kennedy Jr. The *Inheritance* explodes with history-changing information and answers the questions Americans are still asking, while pulling them through a gauntlet of some of the worst prisons this country has to offer. This book thrillingly exposes the reality of American power, and sheds light on the dark corners of current corruption within the executive branch and the justice and prison systems. Agency Tales from FDR to the Kennedy Assassination to the Reagan Era TrineDay

An in-depth look at the assassination of the beloved civil rights leader discusses the events leading up to the killing, Malcolm X's beliefs, his enemies, theories surrounding his assassination, and the aftermath of the killing

JFK: From Parkland to Bethesda Skyhorse

Here is the myth-shattering expose which reveals the truth behind the assassination of Dr. Martin Luther King, Jr. "Dramatic new evidence confirming the innocence of James Earl Ray and identifying the actual killers of Martin Luther King, Jr". -- Executive Intelligence Review. Shocking and controversial revelations from James Earl Ray's attorney. On April 4th, 1968, Dr. Martin Luther King, Jr. stepped out onto the balcony of the Lorraine Motel in Memphis, Tennessee, and into his killer's line of fire. One shot ended Dr. King's life and forever changed the course of American history -- setting into motion a massive cover-up that has withstood a quarter-century of scrutiny. Now, after 18 years of intensive investigation, William F. Pepper tears away the veil of subterfuge that has hidden the truth of King's death -- proving the innocence of convicted assassin James Earl Ray and revealing the evil conspiracy behind the murder of our nation's greatest civil rights leader. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Kennedy, Johnson, and the Origins of the Vietnam War Destiny BetrayedJFK, Cuba, and the Garrison Case

Rogue State and its author came to sudden international attention when Osama Bin Laden quoted the book publicly in January 2006, propelling the book to the top of the bestseller charts in a matter of hours. This book is a revised and updated version of the edition Bin Laden referred to in his address. The Presidency, Assassination, and Lasting Legacy of John F. Kennedy Union Square Press

The victory of Richard Nixon in the US presidential election of 1968 swung on an "October Surprise"— a treasonous plot engineered by key figures in the Republican Party to keep the South Vietnamese government away from peace talks in Paris, costing thousands of American lives. There is growing evidence that the CIA was deeply involved in illegal domestic operations targeting Daniel Ellsberg, and in the Watergate break-ins during Nixon's 1972 campaign, which ultimately led to his downfall. CIA Director Richard Helms' relationship with Watergate burglar E. Howard Hunt was much closer than previously disclosed and the CIA agent inside the plot was sent on a double agent mission by American intelligence after he got out of prison. Drawing on newly-declassified files and previously-unpublished documents, *Dirty Tricks* debunks the myths around Watergate and deepens our understanding of the "dirty tricks" that undermined democracy during the Nixon years and destroyed public trust in politics during the seventies. These scandals turn on the covert action of two powerful interest groups—the senior CIA officers around Helms, and the key advisers around Nixon – in this chilling story of political espionage and deception.

The Girl on the Stairs Zebra Books

Reconstructs the authors' search for the truth about the Kennedy assassination and charges the Los Angeles Police Department and the FBI with closing their eyes to a sinister conspiracy

Beneath the Mask of Holiness Bloomsbury Publishing USA

A clear-headed, deeply researched, and convincing critique of the Warren Commission's investigation into the murder of President John F. Kennedy and its deliberate attempt to deceive the public with its "lone gunman" finding. First paperback edition--in time for the 50th anniversary of the assassination in November 2013.

The Ultimate Kennedy Assassination Compendium Skyhorse Publishing, Inc.

Why is What's My Line? TV star and Pulitzer-Prize-nominated investigative reporter Dorothy Kilgallen one of the most feared journalists in history? Why has her threatened exposure of the truth about the JFK assassination triggered a cover-up by at least four government agencies and resulted in abuse of power at the highest levels? Denial of Justice—written in the spirit of bestselling author Mark Shaw's gripping true crime murder mystery, *The Reporter Who Knew Too Much*—tells the inside story of why Kilgallen was such a threat leading up to her unsolved murder in 1965. Shaw includes facts that have never before been published, including eyewitness accounts of the underbelly of Kilgallen's private life, revealing statements by family members convinced she was murdered, and shocking new information about Jack Ruby's part in the JFK assassination that only Kilgallen knew about, causing her to be marked for danger. Peppared with additional evidence signaling the potential motives of Kilgallen's arch enemies J. Edgar Hoover, mobster Carlos Marcello, Frank Sinatra, her husband Richard, and her last lover, Denial of Justice adds the final chapter to the story behind why the famous journalist was killed, with no investigation to follow despite a staged death scene. More information can be found at www.thedorothykilgallenstory.com.

The JFK Assassination and the U.S. Media Simon and Schuster

An investigation of the assassination of Robert Kennedy details the events of June 5, 1968, and discusses evidence suggesting that convicted assassin Sirhan Sirhan did not act alone and may have been part of a conspiracy.

Orders to Kill Simon and Schuster

Destiny Betrayed JFK, Cuba, and the Garrison Case Skyhorse
The Promise and the Dream Post Hill Press

After more than fifty years of new evidence and new theories, the Warren Commission's claim that Lee Harvey Oswald acted alone and without clear motive in assassinating John F. Kennedy, has become a wheezing jalopy running on missing and broken parts and fueled with lies. And yet the U.S. media continue to support its findings as the only "factual" explanation for the murder of JFK. Why does the media marginalize and even ridicule more plausible conspiracy theories when the majority of American people long

ago wrote off the Warren Report as a cover-up? See *No Evil* analyzes the built-in biases of the U.S. corporate media, exposes its complicity in the whitewashing, and advocates for the broadest possible investigation into the key players who may have been responsible for the Crime of the Twentieth Century, including the CIA, Organized Crime, and Israel. This book is meant for readers who seek the truth no matter where it leads.

I Was a Teenage JFK Conspiracy Freak Random House Incorporated

This is the true story of betrayal at the nation's highest level. Unfolding with the suspenseful pace of a *le Carre* spy thriller, it reveals the personal motives and secret political goals that combined to cause the Watergate break-in and destroy Richard Nixon. Investigator Len Colodny and journalist Robert Gettlin relentlessly pursued the people who brought down the president. Their revelations shocked the world and forever changed our understanding of politics, of journalism, and of Washington behind closed doors. Dismantling decades of lies, *Silent Coup* tells the truth.

Blood in the Water Trine Day

Fred Litwin recounts how he became a JFK conspiracy freak at eighteen, and then slowly moved to believe that Lee Harvey Oswald was the lone assassin. *I Was a Teenage JFK Conspiracy Freak* demonstrates how the left and right have used the JFK assassination to drive home myths about power in America. There is also the persecution of a gay man prosecuted for conspiring to kill Kennedy, the ugly story of Oliver Stone's homophobic film JFK, an exposé of conspiracy nonsense on the Canadian Broadcasting Corporation, a look at how the Soviets tried to influence American public opinion that CIA was behind the murder, and the incredible secret why some JFK assassination documents must remain locked up. And a whole lot more. PRAISE FOR I WAS A TEENAGE JFK CONSPIRACY FREAK "As a young man growing up in the heyday of Kennedy assassination theorizing, Fred Litwin believed a conspiracy killed JFK. And then he grew, and he studied and he researched. The result is this volume, a thorough, cogent and meticulously argued case for a lone assassin. A seasoned conspiracy skeptic will learn new things here, and a conspiracy believer open to looking at the other side could do no better than this volume." - John McAdams, Associate Professor of Political Science at Marquette University and author of JFK Assassination

Logic: How to Think about Claims of Conspiracy "This is a great book for conspiracy buffs—and, more important, for those who debunk such theories. Fred Litwin does a terrific job in blowing up the myriad JFK assassination scenarios, not least in completely demolishing The Fifth Estate's decades-long efforts to "uncover" the truth. The CBC's lead investigative show is revealed here to be more than slightly unhinged." -J.L. Granatstein, Author of *Who Killed Canadian History?* "In Fred Litwin's marvelous book, he charts how he went from an early skeptic to someone dedicated to dissecting their arguments and carefully tearing them apart. He puts the final nail in the coffin of all the conspiracy theorists, who develop new ones as old theories are proven wrong.

Everyone still concerned with JFK's death and thinks it's a mystery must read this book. They will be glad they did." -Ronald Radosh, Professor Emeritus of History at CUNY, opinion columnist for *The Daily Beast* and co-author of *A Safe Haven: Harry S. Truman and the Founding of Israel* "Mr. Litwin's book is the best in many, many years in dealing with the truth about this horrendous piece of history...and exposing the fakirs, cons and opportunists who often call themselves 'historians.' A fine presentation!" -Hugh Aynesworth, Author of *November 22, 1963: Witness to History and JFK: Breaking the News*
Rush to Judgment Zed Books

The man convicted of assassinating Martin Luther King, Jr., speaks out about the assassination, proclaiming his innocence and arguing that it was in fact the FBI that plotted to kill the leader of the civil rights movement

Watergate, Deep Throat, and the CIA Random House Incorporated Documents the origin of American involvement in the Vietnam War and how the policies in the Eisenhower, Kennedy, and Johnson administrations led to war.

Evidence for the Plot to Kill JFK TrineDay

Spiritual writer Thomas Merton is the most influential American Catholic author of the twentieth century. Despite appearances to the contrary, in 1966 he was a troubled, lonely monk. Only when the suffering Merton fell madly in love with a student nurse, a forbidden, erotic affair condemned by the Catholic Church, would he discover whether his devotion to God was stronger than his dedication to the woman he called "a miracle in my life." Truly an inspirational story based on Merton's personal journals, new information and sources such as fellow monks, *Beneath the Mask*

of Holiness presents a unique portrayal of the famous man, one never revealed in its entirety before.

Malcolm X National PressBooks

In *A Lie Too Big to Fail*, longtime Kennedy researcher (of both JFK and RFK) Lisa Pease lays out, in meticulous detail, how witnesses with evidence of conspiracy were silenced by the Los Angeles Police Department; how evidence was deliberately altered and, in some instances, destroyed; and how the justice system and the media failed to present the truth of the case to the public. Pease reveals how the trial was essentially a sham, and how the prosecution did not dare to follow where the evidence led. *A Lie Too Big to Fail* asserts the idea that a government can never investigate itself in a crime of this magnitude. Was the convicted Sirhan Sirhan a willing participant? Or was he a mind-controlled assassin? It has fallen to independent researchers like Pease to lay out the evidence in a clear and concise manner, allowing readers to form their theories about this event. Pease places the history of this event in the context of the era and provides shocking overlaps between other high-profile murders and attempted murders of the time. Lisa Pease goes further than anyone else in proving who likely planned the assassination, who the assassination team members were, and why Kennedy was

deemed such a threat that he had to be taken out before he became President of the United States.

How the US and Israel Conspired to Ambush the USS Liberty Feral House

“A fascinating, elegiac account” of the bond between two of the Civil Rights Era’s most important leaders—from the journalist and author of *Strange Fruit* (Chicago Tribune). With vision and political savvy, Martin Luther King, Jr. and Robert F. Kennedy set the United States on a path toward fulfilling its promise of liberty and justice for all. In *The Promise and the Dream*, Margolick examines their unique bond, both in life and in their tragic assassinations, just sixty-two days apart in 1968. Through original interviews, oral histories, FBI files, and previously untapped contemporaneous accounts, Margolick offers a revealing portrait of these two men and the mutual assistance, awkwardness, antagonism, and admiration that existed between them. MLK and RFK cut distinct but converging paths toward lasting change. Even when they weren’t interacting directly, they monitored and learned from one another. Their joint story, a story each man took pains to hide during their lives, is not just gripping history but a window into the challenges we continue to face in America. Complemented by

award-winning historian Douglas Brinkley’s foreword and more than eighty revealing photos by the foremost photojournalists of the period, *The Promise and the Dream* offers a compelling look at one of the most consequential but misunderstood relationships in our nation’s history.

Poisoned Fruit of JFK's Assassination Ballantine Books

In *The Skorzeny Papers*, the author reveals the details of the post-World War II activities of former SS Commando Otto Skorzeny. Considered by British and American Allied forces as “the most dangerous man in Europe,” Skorzeny planned and led numerous daring missions throughout the war. The story in this book was extracted by Major Ganis from Skorzeny’s personal papers. The evidence reveals that Skorzeny gradually and methodically became involved in US intelligence and covert operations during the Cold War. But Skorzeny’s network had a greater point of destiny in November 1963, when it was utilized to carry out the most tragic mission in history. This story would have been lost had Skorzeny not kept meticulous records of his businesses and contacts, which were fronts for US covert activity. In the end, *The Skorzeny Papers* reveal the intriguing web of secret organizations and people linked to the events culminating in the assassination of President John F. Kennedy.
