*Goodnight Moon Cloth Book Box*  
 HarperCollins

Millions of children have been lulled to sleep by this classic bedtime tale. Now paired with a cuddly plush bunny, it is the perfect way to say "goodnight."

[Goodnight Moon](#) HarperFestival

A beautiful anniversary edition of the classic bedtime story with shiny gold cover flourishes - the ideal gift and perfect for sharing at bedtime to sooth small children to sleep. Featuring a look at the fascinating story behind the creation of one of the most famous children's books in the world, beloved by Michelle Obama and Neil Gaiman alike, as well as tips on how to get your child to sleep. In a great green

room a little bunny is tucked up snugly and safely in bed and is getting ready to say goodnight to all the familiar things in his room, one by one. Margaret Wise Brown's comforting, rhythmic text accompanied by the warmth of Clement Hurd's classic mid-century illustrations make Goodnight Moon a timeless picture book, which is known and loved around the world.

*In the Great Green Room* HarperCollins  
 It's time to say goodnight, and on each soft page of this classic bedtime book, the quiet words and pictures will lull a child to sleep.

*Goodnight Moon Board Book and Rattle*  
 Harper Collins

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations

combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, Goodnight Moon is a must for every bookshelf and a time-honored gift for baby showers and other special events.

Goodnight Moon Book and CD Harper  
Collins

Generations of children have made Goodnight Moon a favorite among bedtime stories. Now the popular board book edition is packaged with cuddly bunny slippers in an easy-to-carry tote that will be a treasure to keep and a wonderful gift for every young child.

Bumble Bugs and Elephants HarperCollins  
A little bunny keeps running away from his mother in an imaginative and imaginary game of verbal hide-and-seek; children will be profoundly comforted by this lovingly steadfast mother who finds her child every time. The Runaway Bunny, first published in 1942 and never out of print, has indeed become a classic. Generations of readers have fallen in love with the gentle magic of its reassuring words and loving pictures.

**The Upstairs House** Macmillan

From kittens to cows to bowls of mush, the familiar images from his father's illustrations inspired Thacher Hurd with the idea for Goodnight Moon 123. These comforting images find new expression in this counting companion to the classic bedtime book.

The Goodnight Moon Room HarperCollins

This unique package includes a "Goodnight Moon" classic board book plus an adorable soft bunny rattle. Full color.

Goodnight Moon HarperFestival

The important thing about The Important Book -- is that you let your child tell you what is important about the sun and the moon and the wind and the rain and a bug and a bee and a chair and a table and a pencil and a bear and a rainbow and a cat (if he wants to). For the important thing about The Important Book is that the book goes on long after it is closed. What is most important about many familiar things -- like rain and wind, apples and daisies -- is suggested in rhythmic words and vivid pictures. 'A perfect book . . . the text establishes a word game which tiny children will accept with glee.' -- K.

Goodnight Moon, by Margaret Wise Brown  
HarperCollins

A timeless bedtime story paired with a calming nightlight -- a safe and gentle way to say "goodnight."

Goodnight Moon Board Book & Bunny  
Festival

"Leonard S. Marcus... has masterfully written about a fascinating woman who in her short life changed literature for the very young. I was thoroughly enchanted."--Eric Carle Nearly fifty years after her sudden death at the age of forty-two, Margaret Wise Brown remains a legend and an enigma. Author of Goodnight Moon, The Runaway Bunny, and dozens of other children's classics, Brown all but invented the picture book as we know it today. Combining poetic instinct with a profound empathy for small children, she understood a child's need for security, love, and a sense of being at home in the world. Yet, these were comforts that had eluded her. Her sparkling presence and her unparalleled success as a legendary children's book author masked an insecurity that left her restless and vulnerable. In this authoritative and moving biography, Leonard S. Marcus, who had access to never-before-published letters and family papers, portrays Brown's complex character and her tragic, seesaw life. Colorful, thoughtful, and insightful, Margaret Wise Brown is both a portrayal of a woman whose stories still speak to millions and a portrait of New York in the

1930s and 1940s, when the literary world blossomed and made history.

Goodnight Earth Harper Collins

In the great green room, tucked away in bed, is a little bunny. "Goodnight room goodnight moon" Goodnight Moon is one of the most enduring and beloved children's books of all time. This classic of modern children's literature is read and reread to countless children every night worldwide. Goodnight Moon, The Runaway Bunny, and My World together form a wonderful trio of books for any child about to embark on a lifelong love of reading.

Take any child Over the Moon.

Goodnight Moon Board Book & Baby Socks  
HarperCollins

Captures the exceptional life, imagination, and passion of the author of "Goodnight Moon," drawing on unpublished manuscripts, songs, personal letters, and diaries that the author discovered in the attic of Margaret Wise Brown's sister.

The Important Book HarperCollins

In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room--to the picture of the three little bears sitting in chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one-- he says goodnight. In this classic of modern children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day.

Generations of children have begged to hear this story before bed. Now children can add a new element to their bedtime routine by flipping the tape and listening to the original Goodnight Moon lullaby on the reverse side. In a new, beautifully designed reusable pouch, this wonderful recording of the classic bedtime story and the special bonus of the soothing, original lullaby composed especially for this recording is just right for sleepyheads. American Bookseller's Pick of the Lists 1995

**Goodnight Moon 123** Sterling

A Wall Street Journal writer's conversation-changing look at how reading aloud makes adults and children smarter, happier, healthier, more successful and more closely attached, even as technology pulls in the other direction. A miraculous alchemy occurs when one person reads to another, transforming the simple stuff of a book, a voice, and a bit of time into complex and powerful fuel for the heart, brain, and imagination. Grounded in the latest neuroscience and behavioral research, and drawing widely from literature, The Enchanted Hour explains

the dazzling cognitive and social-emotional benefits that await children, whatever their class, nationality or family background. But it's not just about bedtime stories for little kids: Reading aloud consoles, uplifts and invigorates at every age, deepening the intellectual lives and emotional well-being of teenagers and adults, too. Meghan Cox Gurdon argues

that this ancient practice is a fast-working antidote to the fractured attention spans, atomized families and unfulfilling ephemera of the tech era, helping to replenish what our devices are leaching away. For everyone, reading aloud engages the mind in complex narratives; for children, it's an irreplaceable gift that

builds vocabulary, fosters imagination, and kindles a lifelong appreciation of language, stories and pictures. Bringing together the latest scientific research, practical tips, and reading recommendations, *The Enchanted Hour* will both charm and galvanize, inspiring readers to share this invaluable, life-altering tradition with the people they love most.
