 Intersecting Interregionalism: Regions, Global Governance ...
 There is a strong tendency in the field to treat regions as coherent units actors in an interregional relationship, and such simplified notions

about 'regions' and 'regional organisations' necessarily result in superficial and misleading understandings of interregionalism.

 Intersecting Interregionalism. Regions, Global Governance ...
 Intersecting Interregionalism moves beyond narrow understandings of regions and interregionalism that dominate the research field by focusing on the polymorphous nature of the concepts under study, theoretical advances and the empirical challenges ahead. Written by leading experts in the field, the ultimate aim of the book is to contribute to a more relevant and nuanced comparative research agenda on interregionalism in Europe and elsewhere.
