...Introduction to  
Computer  
Programming with R-  
FOR 6934. Introduction  
to Computer  
Programming with R-  
FOR 6934. 1 Overview.  
This is an online course  
that will help students  
to gain a basic  
understanding of  
computer  
programming. The  
course will be taught  
using R language, so  
you will learn to use R.  
However, the  
programming  
techniques learned in

this course will be easily transferable to other computer programming languages. Introduction to Computer Programming with R-FOR 6934 In this course you will learn how to program in R and how to use R for effective data analysis. You will learn how to install and configure software necessary for a statistical programming environment and describe generic programming language concepts as they are implemented in a high-level statistical language.
