## KASEY GRANT

---

*A Story of Race and Wrongful Conviction in America* Macmillan  
 AN INSTANT NEW YORK TIMES BESTSELLER "Fierce and  
 unrelenting...Do yourself a favor and get lost in this beautiful  
 book!" —Tomi Adeyemi, #1 New York Times bestselling author of  
 Children of Blood and Bone Set in a kingdom where danger lurks  
 beneath the sea, mermaids seek vengeance with song, and  
 magic is a choice, Adalyn Grace's *All the Stars and Teeth* is a  
 thrilling fantasy for fans of Stephanie Garber's *Caraval* and Sarah  
 J. Maas's *Throne of Glass* series. She will reign. As princess of the  
 island kingdom Visidia, Amora Montara has spent her entire life  
 training to be High Animancer—the master of souls. The rest of  
 the realm can choose their magic, but for Amora, it's never been  
 a choice. To secure her place as heir to the throne, she must  
 prove her mastery of the monarchy's dangerous soul magic.  
 When her demonstration goes awry, Amora is forced to flee. She  
 strikes a deal with Bastian, a mysterious pirate: he'll help her  
 prove she's fit to rule, if she'll help him reclaim his stolen magic.  
 But sailing the kingdom holds more wonder—and more

peril—than Amora anticipated. A destructive new magic is on the  
 rise, and if Amora is to conquer it, she'll need to face legendary  
 monsters, cross paths with vengeful mermaids, and deal with a  
 stowaway she never expected... or risk the fate of Visidia and  
 lose the crown forever. I am the right choice. The only choice.  
 And I will protect my kingdom. An Imprint Book "Vicious and  
 alluring, *All the Stars and Teeth* is a force to be reckoned with."  
 —Hafsah Faizal, author of *We Hunt the Flame* "Jam-packed with  
 swashbuckling adventure, swoonworthy romance, and dark, lush  
 magic." —Christine Lynn Herman, author of *The Devouring Gray*  
 "If an epic sea fantasy filled with strange pirates and vengeful  
 mermaids speaks to your interests, well...we may have found  
 your favorite book ever....a tale of magic and second chances  
 that's fresh and thrilling in equal measure." —Entertainment  
 Weekly One of Buzzfeed's "Most Anticipated YA Books of 2020"  
*Zorro's Shadow* Wednesday Books

Expecting a large bonus that will expand his already lucrative  
 lifestyle, jaded London investment banker Dave Hart employs  
 morally ambiguous strategies and charm to increase his status in  
 a world where he is valued less than he believes he should be.

A backstage glimpse of the realities of the new Hollywood from

the editor of *Variety* focuses on the film releases and strategies of the summer of 1998, showing why *Godzilla* was fated to fail, how Spielberg triumphed, and more. Reprint. 25,000 first printing.

The Caballero Entangled: Amara

Welcome to Kissing Creek, where romance-themed puns and love are around every corner... Barista and pseudo-mom Audrey Miller doesn't believe in happily-ever-after—which means she definitely lives in the wrong town. But her younger siblings depend on her, which means a lifetime stuck in Kissing Creek and serving Pink Passion mochas with Chocolate Smooch donuts. Which is exactly when the town's hot new professor walks in for a coffee and into her life... Ronan Walsh is an academic walking cliché, right down to the elbow patches on his blazer. She knows his type—intelligent and charming, yet sweet as a cinnamon roll. He's the sort of man she's inevitably attracted to... and the sort of man who is always out of her league. Ronan isn't putting down roots and Audrey is definitely not going anywhere soon. And neither of them are looking for anything permanent. But in the lovestruck town of Kissing Creek, that might be all the invitation love needs... Each book in the Kissing Creek series is

The Curse of Capistrano Illustrated

Make Your Story a Movie Penguin

Gene Wolfe takes us to a future North America at once familiar and utterly strange. A young man and woman, Skip and Chelle, fall in love in college and marry, but she is enlisted in the military, there is a war on, and she must serve her tour of duty before they can settle down. But the military is fighting a war with aliens in distant solar systems, and her months in the service will be years in relative time on Earth. Chelle returns to recuperate from severe injuries, after months of service, still a young woman but not necessarily the same person—while Skip is in his forties and a wealthy businessman, but eager for her return. Still in love (somewhat to his surprise and delight), they go on a Caribbean cruise to resume their marriage. Their vacation rapidly becomes a complex series of challenges, not the least of which are spies, aliens, and battles with pirates who capture the ship for ransom. There is no writer in SF like Gene Wolfe and no SF novel like *Home Fires*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Guide to the Silent Years of American Cinema St. Martin's Press

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “what if.” Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr

once again as these heirs of famous enemies are driven together despite every reason not to be.

The Young King. the Star-Child MACMILLAN

The Fourth Edition of *Racism, Sexism, and the Media* examines how different race, ethnic, and gender groups fit into the fabric of America; how the media influence and shape everyone's perception of how they fit; and how the media and advertisers are continuously adapting their communications to effectively reach these groups. The authors explore how the rise of class/group-focused communication, resulting from the convergence of new media technologies and continued demographic segmentation of audiences, has led media outlets and advertisers to see women and people of color as influential key audiences and target markets, as well as a source of stereotypes, which may lead to media insensitivity and may help perpetuate social inequity. The Fourth Edition includes updated content on topics covered in the previous editions, and new material on: women of color, including an integrated assessment of their media experiences; new material on Muslim, Arab, and Asian groups; new technologies; and social media use and their impact

Dangerous Women 1 The Mark of Zorro

Long before Superman or Batman made their first appearances, there was Zorro. Born on the pages of the pulps in 1919, Zorro fenced his way through the American popular imagination, carving his signature letter Z into the flesh of evildoers in Old Spanish California. Zorro is the original caped crusader, the first hero to have a band called the Avengers, and the character who laid the blueprint for the modern American superhero: the mask, the alter-ego, extraordinary physical skills, and a struggle against arch-villains. Famed comics pioneer Bob Kane even wrote that “Zorro was a major influence on my creation of Batman.” In *Zorro's Shadow*, historian and Latin American studies expert Stephen J. C. Andes investigates the legends behind the mask of Zorro, revealing that the origin of America's first superhero lies in Latinx history and experience. Andes begins his investigation in Mexico City at a statue of William Lamport, the so-called “Irish Zorro,” who was burned at the stake by the Mexican Inquisition. There, he discovers new documents at the Mexican National Archives and travels to the Sonoran desert to find the birthplace of Joaquín Murrieta, a California Gold Rush bandit who many claim inspired the creation of Zorro. Based on the never-before-seen letters of Zorro creator Johnston McCulley, Andes describes how the legends around Lamport and Murrieta influenced the development of the masked hero in black, and further, how Zorro went from a real life Mexican bandito to a distinctly white, aristocratic hero. Revealing the length of Zorro's shadow on the superhero genre is a reclamation of the legend of Zorro for a multiethnic and multicultural America.

Hot, sexy suspense, spies, and captivity Sagwan Press

Reading level: 3 [orange].

Racism, Sexism, and the Media Picador

Hired by Marilyn Monroe to listen to threatening phone calls from a movie studio that wants to fire her, private investigator Nate Heller discovers a conspiracy to murder the iconic star and faces a career-ending challenge when Monroe turns up dead.

17 Tales Across Realms & Space Greenwood Publishing Group

Winner of the 2020 Medici Prize for Foreign Novel From the award-winning author of the Man Booker Prize finalist *Like a Fading Shadow*, Antonio Muñoz Molina presents a flâneur-novel tracing the path of a nameless wanderer as he walks the length of Manhattan, and his mind. De Quincey, Baudelaire, Poe, Joyce, Benjamin, Melville, Lorca, Whitman . . . walkers and city dwellers all, collagists and chroniclers, picking the detritus of their eras off the filthy streets and assembling it into something new, shocking,

and beautiful. In *To Walk Alone in the Crowd*, Antonio Muñoz Molina emulates these classic inspirations, following their peregrinations and telling their stories in a book that is part memoir, part novel, part chronicle of urban wandering. A skilled collagist himself, Muñoz Molina here assembles overheard conversations, subway ads, commercials blazing away on public screens, snatches from books hurriedly packed into bags or shoved under one's arm, mundane anxieties, and the occasional true flash of insight—struggling to announce itself amid this barrage of data—into a poem of contemporary life: an invitation to let oneself be carried along by the sheer energy of the digital metropolis. A denunciation of the harsh noise of capitalism, of the conversion of everything into either merchandise or garbage (or both), *To Walk Alone in the Crowd* is also a celebration of the beauty and variety of our world, of the ecological and aesthetic gaze that can, even now, recycle waste into art, and provide an opportunity for rebirth.

*To Walk Alone in the Crowd* St. Martin's Griffin

From award-winning investigative journalist Kyle Swenson, *Good Kids, Bad City* is the true story of the longest wrongful imprisonment in the United States to end in exoneration, and a critical social and political history of Cleveland, the city that convicted them. In the early 1970s, three African-American men—Wiley Bridgeman, Kwame Ajamu, and Rickey Jackson—were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland, Ohio. The prosecution's case, which resulted in a combined 106 years in prison for the three men, rested on the more-than-questionable testimony of a pre-teen, Ed Vernon. The actual murderer was never found. Almost four decades later, Vernon recanted his testimony, and Wiley, Kwame, and Rickey were released. But while their exoneration may have ended one of American history's most disgraceful miscarriages of justice, the corruption and decay of the city responsible for their imprisonment remain on trial. Interweaving the dramatic details of the case with Cleveland's history—one that, to this day, is fraught with systemic discrimination and racial tension—Swenson reveals how this outrage occurred and why. *Good Kids, Bad City* is a work of astonishing empathy and insight: an immersive exploration of race in America, the struggling Midwest, and how lost lives can be recovered.

*The United States Catalog* MACMILLAN

Lia and Jay's grandmother is old and in poor health. She misses her husband who has recently died. She begs her family to fetch water from the well at the abandoned family farm in the hills. After listening to their parents' words of caution about the recent volcanic activity in the area, Lia and Jay set off early in the morning to walk to the farm. On their journey the teenagers meet a variety of people and when they return, it is not just the well water that they bring back to the city.

*A Fairy-Tale and Fantasy Past* Springer

From stories that take you to the stars, to stories that span into other times and realms, to stories set in the magical now, *Reclaim the Stars* takes the Latin American diaspora to places fantastical and out of this world. Follow princesses warring in space, haunting ghost stories in Argentina, mermaids off the coast of the Caribbean, swamps that whisper secrets, and many more realms explored and unexplored; this stunning collection of seventeen short stories breaks borders and realms to prove that stories are truly universal. *Reclaim the Stars* features both

bestselling and acclaimed authors as well as two new voices in the genres: Vita Ayala, David Bowles, J.C. Cervantes, Zoraida Córdova, Sara Faring, Romina Garber, Isabel Ibañez, Anna-Marie McLemore, Yamile Saied Méndez, Nina Moreno, Circe Moskowitz, Maya Motayne, Linda Raquel Nieves Pérez, Daniel José Older, Claribel A. Ortega, Mark Oshiro and Lilliam Rivera.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**How a Mexican Legend Became America's First Superhero**

New York : Macmillan

How was American culture disseminated into Britain? Why did many British citizens embrace American customs? And what picture did they form of American society and politics? This engaging and wide-ranging history explores these and other questions about the U.S.'s cultural and political influence on British society in the post-World War II period.

*The Cumulative Book Index* Farrar, Straus and Giroux

A collection of seven short stories celebrates dangerous women, both heroines and villains, and includes contributions by George R.R. Martin, Carrie Vaughn, and Lawrence Block.

*The Gross Square Fish*

For many, the middle ages depicted in Walt Disney movies have come to figure as the middle ages, forming the earliest visions of the medieval past for much of the contemporary Western (and increasingly Eastern) imagination. The essayists of *The Disney Middle Ages* explore Disney's mediation and re-creation of a fairy-tale and fantasy past, not to lament its exploitation of the middle ages for corporate ends, but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation. What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture's fascination with the middle ages.
