**The Egyptian** John Hunt Publishing

The third Inspector Sebag mystery “dives deeper into character than most

traditional detective yarns and is written

with wit, poignancy, and panache” (Kirkus

Reviews). Crime, suspense, and marital

woes combine in this atmospheric procedural set in the seemingly quiet Mediterranean town of Perpignan. This winter is going to be a rough one for Insp. Gilles Sebag, for he has discovered a terrible truth: his wife has been cheating on him. Bouncing between depression, whisky, and insomnia, he buries himself in work in an attempt to forget. But his investigations lead him inexorably to bigger tragedies—a woman murdered in a hotel, a depressed man who throws himself from the roof of his building, another who threatens to blow up the

neighborhood—all of them involving betrayals of some sort. Perpignan seems to be suffering from a veritable epidemic of crimes of passion. Adultery is everywhere—and each betrayal leads to another dramatic crime. “Vivid and atmospheric . . . A thoughtful, almost lyrical approach to crime fiction, which will appeal to anyone who also liked *In Her Wake*, *The Dying Detective* or *The Bird Tribunal*. Its seasonal themes are also reminiscent of Johan Theorin’s *Oland* quartet, set at a Swedish resort.” —Crime Fiction Lover “The most ambitious thematically. In it, Georget takes the stuff of existential novels and folds it into the crime genre’s formula.” —Los Angeles Review of Books “Engaging . . . The resolution is multilayered and satisfying.” —Publishers Weekly “Fans of French settings will enjoy venturing outside of Paris, and the year-end holiday provides an additional measure of atmosphere to the crimes and solutions here.” —Library Journal

*My Wife Has a Boyfriend* Graphic Arts Books

Three brothers and their relations in 19th century Russia provide the base for a

sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-

catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

### **Past Present Future** Penguin

Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethå. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethå's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently

overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jeth  show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded

conclusions while offering a revolutionary understanding of why we live and love as we do.

[Untrue: Why Nearly Everything We Believe About Women, Lust, and Infidelity is Wrong and How the New Science Can Set Us Free](#) Boruma Publishing

The beloved, bestselling classic that became the movie, *A CHRISTMAS STORY* -- humorous and nostalgic Americana, reissued in a strikingly designed paperback edition. Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant--and utterly hilarious--works of comic art. In *God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-

bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.

**Revenge of the Hotwife** HMH

From the Pulitzer Prize-winning author of *All the Light We Cannot See*, perhaps the most bestselling and beloved literary fiction of our time, comes a triumph of imagination and compassion, a soaring novel about children on the cusp of adulthood in a broken world, who find resilience, hope, and story. The heroes of *Cloud Cuckoo Land* are trying to figure out the world around them: Anna and Omeir,

on opposite sides of the formidable city walls during the 1453 siege of Constantinople; teenage idealist Seymour in an attack on a public library in present day Idaho; and Konstance, on an interstellar ship bound for an exoplanet, decades from now. Like Marie-Laure and Werner in *All the Light We Cannot See*, Anna, Omeir, Seymour, and Konstance are dreamers and outsiders who find resourcefulness and hope in the midst of peril. An ancient text—the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky—provides solace and mystery to these unforgettable characters. Doerr has created a tapestry of times and places that reflects our vast interconnectedness—with other species, with each other, with those who lived before us and those who will be here after we're gone. Dedicated to "the librarians then, now, and in the years to come," *Cloud Cuckoo Land* is a hauntingly beautiful and redemptive novel about stewardship—of the book, of the Earth, of the human heart.

*The New Partridge Dictionary of Slang and Unconventional English* Harper Collins

Delightful collection includes the General Prologue plus three of the most popular tales: "The Knight's Tale," "The Miller's Prologue and Tale," and "The Wife of Bath's Prologue and Tale." In modern English.

### **Evolutionary Perspectives on Male Anti-Cuckoldry Tactics** Crown

How to get your Fifty Shades on... For anyone who's felt...inspired...after reading *Fifty Shades of Grey*, *The Book of Kink* both entertains and enlightens, showing you the who, what, where, why, and how of kink. People everywhere are into kinky sex. For some, it's a way to spice up a withered sex life; for others, it's a way of life. No matter how or why we do it, kinky sex is as old as Adam and Eve and as commonplace as your next-door neighbor. For example, did you know: Japan organized the largest orgy ever caught on tape, featuring 500 participants? A Berlin hotel offers different rooms dedicated to kinky sex, including one with a coffin? Those who are into having sex with an armpit have a fetish called axillism? There is a university dedicated entirely to love and sex called the Loveology University? *The Book of Kink* is an entertaining and

enlightening look into all things beyond the pale when it comes to sex. Exploring everything from equipment, sex classes, sex parties, and porn to the who, what, where, when, why, and how of kink, it delves into fetishes, turn-ons, role-playing, and how the Internet has put a new spin on kinkiness. It is an X-rated romp through cultural and social history and contemporary mores. Whether you're appalled to learn that people actually do this or are relieved to find out that you're not the only one, you'll never see sex the same way again.

### [Sex Beyond the Missionary](#) Phoemixx Classics Ebooks

A complete guide to male chastity. If you are new to male chastity or have been practicing it for years, this book will guide you to a happier sex life. Everything you ever wanted to know about how to sexually tease and torment your partner. How to talk "dirty" to him. What to say, when and how to say it, even if you are shy or embarrassed. Keeping him aroused when he is away. It's all here. Has your partner been pushing you to lock his manhood up in a chastity device? Are you afraid you won't live up to his

expectations? Are you too shy, embarrassed, or uncomfortable talking “dirty” to him in bed (or any other time)? Being a KeyHolder should not be terrifying for any woman. Armed with the information in this handbook, you can become an expert at playing the chastity game. Once you know how to play, he won't stand a chance. This guide will make it easy for any woman to become a KeyHolder for her partner, or any other man, for that matter.

*Cuckold Sissy Wishes (Complete Series): The Cuckold, The Hot Wife, and The Big Black Buck* Packt Publishing Ltd  
 Venus in Furs Leopold Von Sacher-Masoch - The surrounding story concerns a man who dreams of talking to Venus almost adore whereas she wears hides. The anonymous storyteller tells his dreams to a companion, Severin, who tells him how to break himself of his interest with brutal ladies by perusing a composition, Diaries of a Suprasensual Man. This original copy tells of a man, Severin von Kusiemski, who is so charmed with a lady, Wanda von Dunajew, that he inquires to be her slave, and empowers her to treat him in continuously more corrupting ways. At to

begin with Wanda does not get it or agree to the ask, but after humoring Severin a bit she finds the points of interest of the strategy to be curiously and excitedly grasps the thought, in spite of the fact that at the same time she disdains Severin for permitting her to do so.

#### **The Complete Poems and Translations**

London ; Boston : Routledge & Kegan Paul  
 He's a dog with a phone . . . My dog sends me texts. Yeah. It's weird. When October Jones figured out he could send text messages to himself on his mobile phone, he naturally decided that the best use of this discovery was to send passive-aggressive messages to himself under the guise of his bulldog. And so the exasperating, slightly delusional, and utterly endearing Dog and his alter-ego, BatDog, were born. Texts from Dog features Dog's attempts to keep the neighborhood safe from the likes of Mr. Postman and his arch-nemesis Cat-Cat—he has managed to only smash three TVs and a patio door in the process. And in between crime fighting sprees and run-ins with the squirrel mafia, there are romantic interludes with pillows, fetch sessions gone terribly awry, and the abusive banter

only a bromance between man and his text-savvy dog can spawn. For those of us who have ever had a conversation with a pet in our heads, Texts from Dog will make you laugh out loud and perhaps even make you think twice about leaving your pet home alone for the day.

[The Singing of the Strasbourg Protestants, 1523-1541](#) Youcanprint

This book explores the part played by music, especially group singing, in the Protestant reforms in Strasbourg. It considers both ecclesiastical and 'popular' songs in the city, how both genres fitted into people's lives during this time of strife and how the provision and dissemination of music affected the new ecclesiastical arrangement.

*The Cuckold Chronicles: 13 Humiliation, Hot Wife, and Cuckold Stories* Springer

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United

States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

### **The Sarah Hung Collection Vol. 1**

Penguin

First published in the 1940s and widely condemned as obscene, *The Egyptian* outsold every other American novel published that same year, and remains a classic; readers worldwide have testified to its life-changing power. It is a full-bodied re-creation of a largely forgotten era in the world's history: an Egypt when pharaohs contended with the near-collapse of history's greatest empire. This epic tale encompasses the whole of the

then-known world, from Babylon to Crete, from Thebes to Jerusalem, while centering around one unforgettable figure: Sinuhe, a man of mysterious origins who rises from the depths of degradation to get close to the Pharaoh...

### **A Tale of Interracial Cuckolding**

Penguin

Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand,

Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning – it's rude, it's delightful, and it's a prize for anyone with a love of language. University of Chicago Press What do straight, married female revelers at an all-women's sex club in LA have in common with nomadic pastoralists in

Namibia who bear children by men not their husbands? Like women worldwide, they crave sexual variety, novelty, and excitement. In ancient Greek tragedies, Netflix series, tabloids and pop songs, we've long portrayed such cheating women as dangerous and damaged. We love to hate women who are untrue. But who are they really? And why, in this age of female empowerment, do we continue to judge them so harshly? In *Untrue*, Wednesday Martin takes us on a bold, fascinating journey to reveal the unexpected evolutionary legacy and social realities that drive female faithlessness, while laying bare our motivations to contain women who step out. Blending accessible social science and interviews with sex researchers, anthropologists, and

real women from all walks of life, *Untrue* will change the way you think about women and sex forever.

**The Book of Kink** Penguin

Although commonly believed that males are more promiscuous than females, new research has revealed that female infidelity is a common occurrence throughout the animal kingdom. *Female Infidelity and Paternal Uncertainty* is the first book to address how males deal with the consequences of female infidelity and the strategies they have evolved to try to avoid the possibility of raising an offspring they unknowingly did not sire. Each chapter deals with a specific evolved strategy developed to aid males in either limiting opportunities for their mate to be unfaithful or to 'correct' the by-products of infidelity should it occur. With sections

including mate guarding, intra-vaginal tactics and paternity assessment, this book will appeal to researchers and graduate students in behavioral biology, evolutionary psychology, human sexuality, anthropology, sociology, reproductive health and medicine.

*The Brothers Karamazov* Georgia Ivey Green

Some men just aren't able to please their women the way they need it, and when it comes down to losing their woman or sitting by while she ventures elsewhere, the cuckolds in these 13 erotic stories are forced to ponder their newfound role in the relationship. Some are humiliated by how excited they are to watch, and others are more than happy to share as long as they keep their wife happy!
