**The Concorde Story by Peter March - Goodreads** The Concorde Story Story Series The Concorde Story is an attractive picture-led account with a short but authoritative text supported by a comprehensive selection of 80 colour and black and white photographs showing Concorde at all stages of its life. Peter R. March's narrative covers the background (how it came about, from drawing board to first flight); testing times (development flying and proving the aircraft); the fight for survival (political and airline problems); into service (transatlantic routes with BA and Air ... The Concorde Story (Story series): Peter R. March ... A Supersonic Story follows the story of the most glamorous aeroplane ever built - told by the people whose lives she touched. We uncover rare footage telling the forgotten row between the

French and British governments over the spelling of Concorde which threatened to derail the whole project.
