Taking over the casework of a recently disappeared attorney, Dismas Hardy and his friend, detective Abe Glitsky, tackle an unexpectedly challenging appeal to overturn the life sentence of a National Guard reservist who has been convicted for a complicated double

murder.

Studiën over de geschiedenis van de Islam in Indonesia Scribe Us Lucia works as a servant girl in Italy and is engaged to be married. But after the pox disfigures her face, she flees in shame without telling her lover. Years later, as a reknowned Amsterdam

courtesan who never goes out without her veil, Lucia is at the theater when she recognizes her long-lost fiancé, Giacomo Casanova; and she cannot resist the opportunity to encounter him again.

Based on a woman who appeared briefly in Casanova's legendary diaries, Lucia emerges as a brilliant woman who becomes every bit his match. In Lucia's Eyes is an elegant and moving story of love denied and transformed.

The story of a tempestuous love affair—and the basis for Paul Verhoeven's Oscar-nominated film—Wolkers's controversial masterpiece comes alive in a new translation. Upon its original publication in 1969, *Turkish Delight* was a sensation and a scandal. Its graphic language and explicit sex scenes had an

explosive effect, but just as revolutionary was its frank, colloquial style. The more straightlaced critics condemned the book, but readers saw a novel that reflected the way that they spoke, thought, and felt. *Turkish Delight* opens with a screed: a sculptor in his studio, raging against the love he lost and describing, in gory detail, the state of his life since she left him. Our narrator alternates between the story of his relationship with Olga—its passion and affection, but also its obsessiveness and

abuse—and the dark days that followed, as he attempts to recapture what they had when they lived together, “happy as beasts.” The two only reunite during Olga’s inexorable and tragic decline into cancer—the chemo having taken her hair and rotted her teeth, she will only eat the soft, sweet *Turkish Delight* that her ex-lover brings to her bedside. In a new translation by Sam Garrett (Herman Koch’s *The Dinner*), readers get a sense of Wolkers’s revolutionary style and

musical prose, Turkish Delight's particular balance of naked impulse and profound longing. Tin House Books gratefully acknowledges the support of the Dutch Foundation for Literature, whose generous subsidy made this new translation possible.

Marcel SelfMadeHero Zomer 1980. Tegen de achtergrond van het politieke geweld in Turkije vieren drie kleinkinderen - een communiste, een in het leven teleurgestelde historicus en een verwerende puber - hun

vakantie in het oude huis van hun grootmoeder. De grootmoeder brengt de hete zomerdagen voornamelijk boven in haar geblindeerde kamer door. Via haar herinneringen wordt langzaam maar zeker een gruwelijk geheim uit de familie blootgelegd.

Turkish Delight Penguin By the acclaimed Dutch author of *Beyond Sleep*: a thriller set in Nazi occupied Holland: "fast-moving, frighteningly real yet verging on the incredible" (Milan Kundera, author of *The*

Unbearable Lightness of Being). During the German occupation of Holland, tobaccoist Henri Osewoudt is visited by a mysterious man named Dorbeck—a man who bears a strangely striking resemblance to Osewoudt himself. Dorbeck recruits him to perform simple, but top-secret missions on orders from London. But as the assignments keep coming, they get increasingly dangerous. Soon Osewoudt is being asked to commit murder in the name of Gestapo resistance. After the war,

Osewoudt is taken for a traitor and captured. To prove his sacrifices for the Resistance, he must find the untraceable doppelgänger in an existential thriller “crackling with tension . . . bringing to mind Camus and the Sartre of *Les Chemins de la Liberté*” (The Telegraph). “Striking, suspenseful . . . Brilliant.” —The Observer

 The Messenger is a

retelling of the life of the prophet Mohammad. After Mohammad's death, his right hand and chronicler Sa'eed wonders who the prophet really was. Through testimonies of his peers he reconstructs the life of Mohammad, the messenger, from his birth to his death. Kader Abdolah portrays Mohammad as a human being, a man with dreams. The reader is granted a very contemporary and vivid image of the period in which Mohammad lived,

how he wanted to save Mecca from moral decay and how he developed from a prophet into a powerful leader.

Laughing All the Way to the Mosque ABRAMS

When he was a boy, Aga Akbar, the deaf-mute illegitimate son of a Persian nobleman, traveled with his uncle to a cave on nearby Saffron Mountain. Once there, he was to copy a three-thousand-year-old cuneiform inscription—an order of the first king of Persia—as a means of freeing himself from his

emotional confinement. For the remainder of his life, Aga Akbar used these cuneiform characters to fill a notebook with writings only he could understand. Years later, his son, Ishmael—a political dissident in exile—is attempting to translate the notebook . . . and in the process tells his father's story, his own, and the story of twentieth-century Iran. A stunning and ambitious novel by a singular literary talent, *My Father's Notebook* is at once a masterful chronicle of a

culture's troubled voyage into modernity and the poignant, timeless tale of a son's enduring love.

Handling Societal Complexity No Starch Press

The young Dutch geologist Alfred Issendorf is determined to win fame for making a great discovery. To this end he joins a small geological expedition, which travels to the far North of Norway, where he hopes to prove a series of craters were caused by meteorites, but ultimately realizes he's more likely

to drown in a fjord or be eaten by parasites.

Unable to procure crucial aerial photographs, and beset by mosquitoes and insomnia in his freezing leaky tent, Alfred becomes increasingly desperate and paranoid. Haunted by the ghost of his scientist father, unable to escape the looming influence of his mother, and anxious to complete the thesis that will make his name, he moves toward the final act of vanity which will trigger a catastrophe. A deadpan comedy often subtly

calling up the works of Heller or Vonnegut at their best, *Beyond Sleep* is a unique and illuminating examination of how hard it is to be a true pioneer in the modern world. *Beyond Sleep* is a masterpiece. Messenger Amsterdam University Press
Written from the point of view of a ten-year-old boy who lives with his grandmother, Marcel is a striking debut novel describing the vivid history of a family in a Flemish village. The mysterious death of

Marcel, the family favourite, has always haunted the young boy. With the help of his schoolteacher, he starts to discover the secrets of Marcel's 'black' past. The story of his death on the Eastern Front for the sake of Flanders, and the shame this brought upon his family gradually become clear. Erwin Mortier unravels this shameful family past in an unusually sensitive and evocative manner. A Dry White Season Virago
A hypnotic page-turner

about the grinding gears of historical change and ruthless palace intrigue in Persia, c. 1848. The King, young Shah Naser, takes to the throne of Persia at a turning point of history: he inherits an enchanted medieval world of harems, eunuchs, and treasures as well as a palace of secret doors, sudden deaths, and hidden agendas. Within the court is danger enough: outside all manner of change threatens—industrialization, colonization. Russia and England conspire to open the King's empire;

his mother and his vizier take opposing sides. The poor King—almost an exact contemporary of Queen Victoria—is trapped. He likes some aspects of modernity (electricity, photography) but can't embrace democracy. He must be a sovereign: he must keep his throne. The King cannot face change and he cannot escape it. With this gleaming and seemingly simple story, breathlessly paced and beautifully told, Kader Abdolah, the acclaimed Iranian émigré novelist,

speaks of deeper truths. A novel which has many timely things to say about eras of change and upheaval, *The King* is an unforgettable book. *1900 - 1950* Hogarth In *Exodus*, Paul Collier, the world-renowned economist and bestselling author of *The Bottom Billion*, clearly and concisely lays out the effects of encouraging or restricting migration. Drawing on original research and case studies, he explores this volatile issue from three perspectives: that of the

migrants themselves, that of the people they leave behind, and that of the host societies where they relocate.

Being a practicing Muslim in the West is sometimes challenging, sometimes rewarding and sometimes downright absurd. How do you explain why Eid never falls on the same date each year; why it is that Halal butchers also sell teapots and alarm clocks; how do you make clear to the plumber that it's essential the toilet is installed within sitting-

arm's reach of the tap? Zarqa Nawaz has seen and done it all. And it's not always easy to get things right with the community either: Zarqa tells of being asked to leave the DBW (Dead Body Washing) committee after making unsuitable remarks; of undertaking the momentous trip to Mecca with her husband, without the children, thinking (most incorrectly) that it will also be a nice time to have uninterrupted sex; of doing the unthinkable, and creating Little Mosque

on the Prairie, a successful TV sitcom about that very (horrified, then proud) community. You have to laugh. **Leeskringkoffer: Abdolah, Kader - Het huis van de moskee** De Bezige Bij Amsterdam The trial of Adolf Eichmann began in 1961 under a deceptively simple label, "criminal case 40/61." Hannah Arendt covered the trial for the New Yorker magazine and recorded her observations in Eichmann in Jerusalem: The Banality of Evil. Harry

Mulisch was also assigned to cover the trial for a Dutch news weekly. Arendt would later say in her book's preface that Mulisch was one of the few people who shared her views on the character of Eichmann. At the time, Mulisch was a young and little-known writer; in the years since he has since emerged as an author of major international importance, celebrated for such novels as *The Assault* and *The Discovery of Heaven*. Mulisch modestly called his book on case 40/61 a

report, and it is certainly that, as he gives firsthand accounts of the trial and its key players and scenes (the defendant's face strangely asymmetric and riddled by tics, his speech absurdly baroque). Eichmann's character comes out in his incessant bureaucratizing and calculating, as well as in his grandiose visions of himself as a Pontius Pilate-like innocent. As Mulisch intersperses his dispatches from Jerusalem with meditative accounts of a divided and ruined Berlin, an eerily rebuilt

Warsaw, and a visit to the gas chambers of Auschwitz, Criminal Case 40/61, the Trial of Adolf Eichmann becomes as a disturbing and highly personal essay on the Nazi extermination of European Jews and on the human capacity to commit evil ever more efficiently in an age of technological advancement. Here presented with a foreword by Debrah Dwork and translated for the first time into English, Criminal Case 40/61 provides the reader with an unsettling

portrait not only of Eichmann's character but also of technological precision and expertise. It is a landmark of Holocaust writing.

No source code? No problem. With IDA Pro, the interactive disassembler, you live in a source code-optional world. IDA can automatically analyze the millions of opcodes that make up an executable and present you with a

disassembly. But at that point, your work is just beginning. With The IDA Pro Book, you'll learn how to turn that mountain of mnemonics into something you can actually use. Hailed by the creator of IDA Pro as "profound, comprehensive, and accurate," the second edition of The IDA Pro Book covers everything from the very first steps to advanced automation techniques. You'll find complete coverage of IDA's new Qt-based user interface, as well as

increased coverage of the IDA debugger, the Bochs debugger, and IDA scripting (especially using IDAPython). But because humans are still smarter than computers, you'll even learn how to use IDA's latest interactive and scriptable interfaces to your advantage. Save time and effort as you learn to: -Navigate, comment, and modify disassembly -Identify known library routines, so you can focus your analysis on other areas of the code -Use code graphing to quickly make

sense of cross references and function calls -Extend IDA to support new processors and filetypes using the SDK -Explore popular plug-ins that make writing IDA scripts easier, allow collaborative reverse engineering, and much more -Use IDA's built-in debugger to tackle hostile and obfuscated code Whether you're analyzing malware, conducting vulnerability research, or reverse engineering software, a mastery of IDA is crucial to your success. Take your skills to the next

level with this 2nd edition of The IDA Pro Book.

The King: A Novel Books

The bracing and inventive new novel of suspicions and secrecy from Herman Koch, the New York Times bestselling author of *The Dinner*. When Robert Walter, popular mayor of Amsterdam, sees his wife toss her head back with laughter while chatting to one of his aldermen at a New Year's reception, he

immediately suspects the worst. Despite their long and happy marriage, Robert is convinced that Sylvia is cheating on him—with the respectable alderman who is dedicated to the environment, no less. The man who wants to spoil the capital's skyline with wind turbines. The New Year's reception marks the end of the “happy family” era that the mayor has enjoyed for so long. His wife and their daughter, Diana, however, are not aware of his suspicions and carry on as

usual. Robert starts spending a lot of time and energy “behaving normally.” Naturally, his normal behavior is far more suspicious. Normally Robert's not really present when he's at home--he's preoccupied with his phone, the newspapers, and his own thoughts. But now Robert is so sure he'll miss the clues if he doesn't pay attention that he starts to be almost alarmingly attentive and interested--ultimately losing himself in increasingly panicked and paranoid trains of

thought. Written with Herman Koch's trademark originality, playfulness, and edge, *The Ditch* is a wildly clever—and guttingly familiar—story of a man whose sadistic skill for undermining himself and his marriage comes to cost him nearly everything. Praise for *The Ditch* “Provocation, life in

the spotlight and tasty cuisine are also present and accounted for in Koch’s spiky new book, *The Ditch*. . . . Koch again seeks to show the fault lines beneath the surface of ostensibly civilized society.”—The New York Times Book Review “Clever, rollicking, and intense . . . an unreliable tale for the ages.”—Vanity

Fair “Koch has crafted a pitch-perfect tone for a man consumed by jealousy. . . . A shadowy tale of the power of projection.”—Kirkus Reviews “A compelling exploration by a master stylist of what jealousy and distrust can do even to a solid relationship.”—Booklist
