Is God changeable?
Does He have different
gospels for different
people? The story of
redemption takes you
behind the scenes in
the struggle between
God and Satan. It
explains how the
conflict began, what
the issues are, and
how the outcome is
already assured. It
traces the theme of
God's relationship with
man from the garden
of Eden to the return of
Christ and beyond.

"The Lord has shown
me that Satan was
once an honored angel
in heaven, next to
Jesus Christ. His
countenance was mild,
expressive of
happiness like the
other angels. His
forehead was high and
broad, and showed
great intelligence. His
form was perfect. He
had noble, majestic
bearing. And I saw that
when God said to his
Son, Let us make man
in our image, Satan
was jealous of Jesus.
He wished to be
consulted concerning
the formation of man.
He was filled with
envy, jealousy and
hatred. He wished to
be the highest in
heaven, next to God,
and receive the highest
honors. Until this time

all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White

The Prophecies of Daniel and the Revelation Literary Licensing, LLC

The Waldenes were among the first of the people of Europe to obtain a translation of the Holy Scriptures. Hundreds of years before the Reformation they possessed the Bible in manuscript in their native tongue. Here the light of truth was kept burning amid the darkness of the Middle Ages. Here, for a thousand years, witnesses for the truth maintained the ancient faith.

2017 Reprint of the original from 1893. Is the Bible from Heaven?

Is the Earth a Globe? In Two Parts - Does Modern Science and the Bible Agree? Also, an Accurate Chronology of All Past Time Containing a Classification of All the Eclipses from Creation. Alexander Gleason, creator of the Gleason New Standard Map of the World, makes the case for a flat earth. Includes an accurate chronology of all past time containing a classification of all the eclipses from creation. Over 400 pages of Gleason's original text and illustrations. From the Preface: 'It shall not be the object of this work to promulgate the creeds of men, but such truth as shall prove to be according to that which we shall, without doubt, find to be the standard, regardless of

whatever has been our preconceived opinions. If, in the course of this work, we shall show, that there is a God, a Divine ruler and maker of all things, and that the book which we call the Bible is His will and word to you and to all; then do not chide me if I shall depart from the text or title of this work to show some of the mistakes of men.'

finalist David I. Kertzer comes the gripping story of Pope Pius XI's secret relations with Italian dictator Benito Mussolini. This groundbreaking work, based on seven years of research in the Vatican and Fascist archives, including reports from Mussolini's spies inside the highest levels of the Church, will forever change our understanding of the Vatican's role in the rise of Fascism in Europe. The Pope and Mussolini tells the story of two men who came to power in 1922, and together changed the course of twentieth-century history. In most respects, they could not have been more different. One was scholarly and devout, the other thuggish and profane.

Yet Pius XI and "Il Duce" had many things in common. They shared a distrust of democracy and a visceral hatred of Communism. Both were prone to sudden fits of temper and were fiercely protective of the prerogatives of their office. ("We have many interests to protect," the Pope declared, soon after Mussolini seized control of the government in 1922.) Each relied on the other to consolidate his power and achieve his political goals. In a challenge to the conventional history of this period, in which a heroic Church does battle with the Fascist regime, Kertzer shows how Pius XI played a crucial role in making Mussolini's dictatorship possible and keeping

him in power. In exchange for Vatican support, Mussolini restored many of the privileges the Church had lost and gave in to the pope's demands that the police enforce Catholic morality. Yet in the last years of his life—as the Italian dictator grew ever closer to Hitler—the pontiff's faith in this treacherous bargain started to waver. With his health failing, he began to lash out at the Duce and threatened to denounce Mussolini's anti-Semitic racial laws before it was too late. Horrified by the threat to the Church-Fascist alliance, the Vatican's inner circle, including the future Pope Pius XII, struggled to restrain the headstrong pope from destroying a partnership that had

served both the Church and the dictator for many years. The Pope and Mussolini brims with memorable portraits of the men who helped enable the reign of Fascism in Italy: Father Pietro Tacchi Venturi, Pius's personal emissary to the dictator, a wily anti-Semite known as Mussolini's Rasputin; Victor Emmanuel III, the king of Italy, an object of widespread derision who lacked the stature—literally and figuratively—to stand up to the domineering Duce; and Cardinal Secretary of State Eugenio Pacelli, whose political skills and ambition made him Mussolini's most powerful ally inside the Vatican, and positioned him to succeed the pontiff as the controversial Pius XII,

whose actions during World War II would be subject for debate for decades to come. With the recent opening of the Vatican archives covering Pius XI's papacy, the full story of the Pope's complex relationship with his Fascist partner can finally be told. Vivid, dramatic, with surprises at every turn, The Pope and Mussolini is history writ large and with the lightning hand of truth.

More than 25 years

ago society was introduced to William Ellis Foy. Foy was an African-American minister of the nineteenth century whom historical records had generally overlooked. The popular book *The Unknown Prophet* demonstrated that Foy received powerful revelations from God about coming tribulation, judgment, and heaven awaiting those who were faithful to God. Foy's message was straightforward—be faithful, because Jesus is coming again! The groundbreaking research in *The Unknown Prophet* did much to clear up misconceptions and set the record straight about William Foy. It told the largely unknown story of this

sensitive young man of color. Furthermore, he faced incredible trials and struggles yet faithfully fulfilled his time-specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive ministry until his death in the late 1800s.

William Foy's story, his ministry and message, still speaks today. This second edition is the response to a desire for an updated version, providing hope and encouragement for the twenty-first-century reader. It contains new and valuable documents and images, including the only known photo of William Foy's son. Your faith will be enriched as you read these pages.

- This book is printed in a 16 pt. large font for easier reading. The History of the Church of Jesus Christ of Latter-day Saints is also the history of the opening and progress of the Dispensation of the fullness of Times; and as that dispensation bears an important relation to all dispensations which have preceded it, let us here ascertain in what that relation consists. By doing so we shall have a better appreciation of the full import of those events

which make up the history of the Church. In publishing the History of the Church of Jesus Christ of Latter-day Saints, it is felt that a solemn duty is being performed to the Saints and to the world. The events which make up the history of the Church in this age are the most important that history can chronicle. It is due therefore both to the Saints themselves and to the world that a faithful and complete history of the facts in which the Church of Jesus Christ of Latter-day Saints had its origin, together with the events through which it was subsequently developed, and all the circumstances, experiences and trials through which it passed be made known

to mankind. Elder B. H. Roberts consulted diaries, printed sources, and remembrances of Church members to prepare a history of the Church that centered mainly on the life of Joseph Smith. Before it was published, Elder Anthon H. Lund and President Joseph F. Smith read and approved the work. The resulting seven volumes, over forty-five hundred pages, known as the History of the Church has since become a great resource to Church members and historians alike.

continues the
inspirational parable he
began in The Celestine

Prophecy, further exploring spirituality, intuition, synchronicity and visualization - and illuminating both the world outside us and within us. Part of the Storycuts series, this is the 'pocket' edition of The Tenth Insight. The Tenth Insight: A Pocket Guide (Storycuts) Yesterday's World Publishing
This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, Questions on Doctrine was widely acclaimed

and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of Questions on Doctrine, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new

footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of Question on Doctrine beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library. **Seventh-Day Adventists Answer Questions on**

Seeking the Lost, Keeping Them, Making Them Disciples By: Dr. Benoit Petit-Homme
God bless Dr. Benoit Petit-Homme for all the work he has done in putting this book together. I believe that any church or leader who will follow these biblically-grounded principles will see beautiful results in changed lives for the kingdom. Teresa L. Reeve, PhD, Associate Dean, Seventh-day Adventist Theological Seminary, Associate Professor of New Testament Contexts, Andrews University, United States of

America Dr. Benoit Petit-Homme's contribution to the discipleship crisis is a compelling re-examination of scripture, church history, and 21st century pastoral experience. Practical and convincing, his straightforward style brings real solutions to the evangelistic Achilles' heels of attrition. He reminds us of what has been forgotten and calls us back to our relational roots. Pr. Ron Kelly, Senior Pastor, Village Seventh-day Adventist Church, Berrien Springs, Michigan, United States of America
Seeking the Lost, Keeping Them, Making Them Disciples by Dr. Benoit Petit-Homme is a handy Christ-based discipleship resource

that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping, retaining, and nurturing new believing Christians. This is a must-read for church officers, pastors, and ministry directors in the Christian church. Ron C. Smith, PhD., D.Min, President, Southern Union Conference of SDA Every year, many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community. Unfortunately, it is also true that every year many new converts leave a church relatively shortly after joining. The specific reasons that each person leaves the church could fill a book

by themselves, but they all boil down to one thing: a lack of focus on the part of the church community on turning converts into disciples of our Savior. A disciple of Christ does more than attend church services. A disciple is an active member of the church community. A disciple is a witness to others. A disciple seeks to grow the church by seeking to lead everyone they meet to Christ. Dr. Benoit Petit-Homme is a committed disciple of Christ, and after extensive study of exactly why new converts leave the church, he has developed a process by which any church can make disciples. All it takes is a little extra work, a bit of encouragement, and an unwavering faith in

the Lord.

Ellen White on Leadership GENERAL PRESS

This book is a story of how Adventists came to view themselves as a prophetic people, of their growing awareness of a responsibility to take their unique message to all the world, and of their organizational and institutional development as they sought to fulfill their prophetic mission. By

the end of this volume, you as a reader and I as a author will find ourselves in the flow of Adventist history. -
 Millerite Roots. Era of Doctrinal Development. Era of Organizational Development. Era of Institutional and Lifestyle Development. Era of Revival, Reform, and Expansion. Era of Reorganization and Crisis. Era of Worldwide Growth. The Challenges and Possibilities of Maturity.
