When we report something, we may need to make changes to: time (now, tomorrow) place (here, this room) direct speech. reported speech. She said, "I saw

Mary yesterday." She said she had seen Mary the day before. He said: "My mother is here." He said that his mother was there.

Reported Speech - English Grammar Exercises

Reported speech or indirect speech reports something that was said, but does not use the actual words that the speaker uttered.. Lynn asked whether Pippa had been to the

new shopping mall.; Pippa replied that she hadn't, but she had heard that there were some really cool shops there.;

Reported speech always has two clauses. The words that are spoken are put in a reported clause.

Time and Place in Reported Speech | Grammar | EnglishClub

Words in inverted commas are Reported Speech. Reported word shows that

words which were used in conversation. In Direct speech those words are exactly as spoken by speaker himself/herself . Let's have a look at few Examples of Reporting Speech and Reported Speech in below given table:

Direct and Indirect Speech - Complete Guide with Examples ...

In reported speech the tense usually changes because when we use reported

speech, we are usually talking about a time in the past (the person spoke in the past). So the verbs usually have to be in the past too.

Examples :
Direct speech : " I'm going home ", he said. Indirect speech : He said he was going home.

Tense change :
Reported Speech - Perfect English Grammar
Indirect speech focuses more on the content of what someone said

rather than their exact words. In indirect speech, the structure of the reported clause depends on whether the speaker is reporting a statement, a question or a command.
