 Samuel French, Inc.  
 This unique discography provides a systematic numerical listing and cross-referencing of all released recordings in the Decca 5000 and 17000 hillbilly music series as well as records released under Decca's Champion 45000 and Montgomery Ward series, also devoted to hillbilly music. A total of 1514 discs are covered ranging from records released by such major hillbilly music stars as Jimmie Davis, the Sons of the Pioneers, and Ernest Tubb to those by less well-known solo artists and groups. Each listing includes information about recording dates, master numbers, unissued titles, song titles and legends, songwriter credit, and release dates.

 THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class

decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Educational Music Magazine Hal Leonard Corporation  
 'Hillbilly Hollywood' is the first serious look at the origins of country & Western style in California in the 1930s and '40s and the stories of the tailors Nudie and Turk. We may think of Nashville as the country & Western capital of America, but L.A. had more hillbilly singers at work in the early years--in the movies, at the recording studios and on C&W radio shows. The style adopted by these music pioneers, a colorful mix of cowboy and show business, still defines fancy Western wear. Book cover has real rhinestones on a black cowboy-shirt-like cloth background and a die-cut frame over vintage photograph. Winner of many design awards.

 The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it was published by All India Radio, New Delhi. In 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener as a Bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. *Senior Scholastic*

Now with a new preface: The "furious, fiercely funny, provocative" novel about female rebellion written decades before the #MeToo movement (Dani Shapiro, author of Inheritance). Sasha Davis, smart and pretty, was once an all-American teenage beauty queen. Full of potential, she was the only student at her Midwestern high school to attend college on the East Coast. But

soon her promise begins to falter. After starting graduate school in New York, Sasha gets married and drops out to take a clerical job. Consigned to the role of trophy wife, and already feeling old at twenty-four, she lives in fear of turning thirty—the year, in her mind, when her beauty will fade and life as she knows it will end. Only after a lot of sexual adventures—as well as a second marriage and motherhood—will she finally begin to figure out what's gone wrong . . . Poignant and breathtakingly honest, *Memoirs of an Ex-Prom Queen* remains a feminist landmark—a unique blend of "fun" (Jezebel) and "devastating" (The Boston Globe). "This story, told with astringent wit, explores every facet and cliché of what it means to grow up female and beautiful." —San Francisco Chronicle "A vivid reminder of just how much—and sometimes, how little—has changed for women . . . Typing prowess and wedding-night virginity may no longer be expected, but Shulman's tale of Sasha Davis's struggle to find herself amid conflicting cultural messages about beauty, brains, and sex will be resonant for many more years to come." —Andi Zeisler, author of *We Were Feminists Once* "An extraordinary novel." —Newsweek
