UPNE
La Llorona, the Crying Woman, is the legendary creature who haunts rivers, lakes, and lonely roads. Said to seek out children who disobey their parents, she has become a "boogeyman," terrorizing the imaginations of New Mexican children and inspiring them to behave. But there are

other lessons her tragic history can demonstrate for children. In Rudolfo Anaya's version Maya, a young woman in ancient Mexico, loses her children to Father Time's cunning. This tragic and informative story serves as an accessible message of mortality for children. La Llorona, deftly translated by Enrique Lamadrid, is familiar and newly informative, while Amy Córdova's rich illustrations illuminate the story. The legend as retold by Anaya, a man as integral to southwest tradition as La Llorona herself, is storytelling anchored in a very human experience. His book helps parents explain to children the reality of death and the loss of loved ones.

Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels

between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the

short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*.

The Homesman is a devastating, humane story of early pioneers to America's West in the 1850's. It celebrates the ones we hear nothing of—the brave women whose hearts and minds were broken by that life of bitter hardship. When a nineteen-year-old mother loses her three children to diphtheria in three days, or a woman left alone for two nights has to shoot wolves as they crash through the window, it is no wonder they should lose their minds. After a dreadful winter, the Rev. Dowd

finds there are four such cases in his parish and, as yet, no asylum in this frontier town. A 'homesman' must be found to escort the women East to civilization. Not a job anyone would volunteer for, it falls to Mary Bee Cuddy, ex-teacher, spinster-indomitable, resourceful, "plain as an old tin pail." Brave as she is, Mary Bee knows she cannot succeed alone, and the only companion available is the low-life and untrustworthy "George Briggs," a claim-jumper. Thus begins a trek East, against the tide of colonization, against hardship, Indian attacks, ice storms, loneliness, and the unceasing aggravation of a disparate group of mad women, which

provides a series of tough, fast-paced adventures and introduces two wonderful, idiosyncratic characters. Coming to cinemas in 2014 with an incredible cast - featuring Tommy Lee Jones, Meryl Streep, Hilary Swank and John Lithgow. Not to be missed!

He kidnaps her, sweeping her away to his hunting lodge in Scotland, where he vows to bend her to his will. There he seduces her anew. With the help of Dr Anna Savard, her dearest friend, cousin, and fellow physician, she plans to continue her work aiding the disadvantaged women society would rather forget. As Sophie sets out to construct a new life for herself, Anna's husband, Detective Sergeant Jack Mezzanotte calls on them both to consult on two new cases: the wife of a prominent banker has disappeared into thin air, and the corpse of a young woman is found with baffling wounds that suggest a killer is on the loose. In New York it seems that the advancement of women has brought out the worst in some

men. And Sophie and Anna are soon drawn into a dangerous game of cat and mouse . . . Oxford suffragists in which a fiercely independent vicar's daughter takes on a powerful duke in a fiery love story that threatens to upend the British social order. England, 1879. Annabelle Archer, the brilliant but destitute daughter of a country vicar, has earned herself a place among the first cohort of female students at the renowned University of Oxford. In return for her scholarship, she must support the rising women's suffrage movement. Her charge: recruit men of influence to champion their cause. Her target: Sebastian Devereux, the cold and calculating Duke of Montgomery who steers Britain's politics at the Queen's command. Her

challenge: not to give in to the powerful attraction she can't deny for the man who opposes everything she stands for. Sebastian is appalled to find a suffragist squad has infiltrated his ducal home, but the real threat is his impossible feelings for green-eyed beauty Annabelle. He is looking for a wife of equal standing to secure the legacy he has worked so hard to rebuild, not an outspoken commoner who could never be his duchess. But he wouldn't be the greatest strategist of the Kingdom if he couldn't claim this alluring bluestocking without the promise of a ring...or could he? Locked in a battle with rising passion and a will matching her own,

Annabelle will learn just what it takes to topple a duke.... "There is nothing quite so satisfying as seeing such a man brought to his knees by a beautiful woman with nothing to her name except an inviolable sense of her own self-worth."—NPR
