 Penguin  
 This is the very first anthology of Ethiopian poetry in English, packed with all the energy, wit and heartache of a beautiful country and language. From folk and religious poems, warrior boasts, praises of women and kings and modern plumbing; through a flowering of literary poets in the twentieth century; right up to thirty of the most exciting contemporary Amharic poets working both inside and outside the country. These poems ask what it means to be Ethiopian today, part of a young fast-growing economy, heirs to the one African state which was never colonised, but beset by deep political, ethnic and moral problems.

 Almost unnoticed, in the wake of the overthrow of Emperor Haile-Selassie, the coming to power of the military, and the ongoing independence struggle in Eritrea, a band of students launched an insurrection from the northern Ethiopian province of Tigray. Calling themselves the Tigray People's Liberation Front (TPLF), they built

close relations with Tigray's poverty-stricken peasants and on this basis liberated the province in 1989, and formed an ethnic-based coalition of opposition forces that assumed state power in 1991. This book chronicles that history and focuses in particular on the relationship of the revolutionaries with Ethiopia's peasants. A Novel Simon and Schuster  
 The greatest

battle needs the greatest of warriors The siege of Troy is in its ninth year. But Troy still stands. When Agamemnon is threatened with mutiny by disillusioned troops, he changes tactics. Ordering attacks on Troy's allies, he deprives the city of reinforcement s, trade and supplies. Yet even this does not draw the Trojans out from behind their walls. Meanwhile Odysseus, Eperitus and

<p>their men have become hardened soldiers. Odysseus just wants to return home to his island Kingdom of Ithaca. But while Agamemnon is still determined to revenge himself upon Troy for the theft of Helen by Paris, Odysseus is held by the oath that he himself created. Eperitus too is tormented: sworn to protect the very man who murdered his daughter. As the war</p>	<p>continues, Odysseus realises that sheer numbers will never overwhelm Troy. God's Word said that there would be "last days" like these; one only needs to read The Revelation of St. John, chapter 10, verse 10: "And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter." <u>The Creative Lives of Modern Ethiopia's Literary Giants and Pioneers</u>	HarperCollins This book introduces the basic mathematical tools used to describe noise and its propagation through linear systems and provides a basic description of the improvement of signal-to- noise ratio by signal averaging and linear filtering. Ethiopia and the superstition of the people. Deeply symbolic, this novel evokes the rich contrasts of life in present day Ethiopia. *Pegasus Bridge* Dag Heward-Mills In the early morning hours of June 6, 1944, a small detachment of British airborne troops stormed the German defense forces and paved the way for the Allied invasion of Europe. *Pegasus Bridge* was the first

engagement of D-Day, the turning point of World War II. This gripping account of it by acclaimed author Stephen Ambrose brings to life a daring mission so crucial that, had it been unsuccessful, the entire Normandy invasion might have failed. Ambrose traces each step of the preparations over many months to the minute-by-minute excitement of the hand-to-hand confrontations

on the bridge. This is a story of heroism and cowardice, kindness and brutality -- the stuff of all great adventures. **The Greatest Story Ever Told--So Far** Red Sea Press(NJ) This is a fascinating portrait of Ethiopian writers of fiction of the 20th century and an in-depth analysis of the history of the development of Amharic literature and those who have shaped it. The range

of writers covered varies from the aristocrats, educators and pioneers to the latest revolutionary writers. A vivid picture of the personal development and progress of these writers is given, as well as the impact these writers have had on Ethiopian society at large in changing old ideas, contributing towards the modernization of the country and revolutionizing the

educational, social and political systems. All in all, this volume presents the portraits and sketches of thirty-two Ethiopian writers, including such notable literary giants as Hiruy Welde-Sillase, Girmacchew Tekle-Hawariyat, Kebede Mikael, Haddis Alemayehu, Abbe Gubennya, Mammo Widdneh, Tsegaye Gebre-Medhin, Mengistu Lemma, Dannyachew

Werqu, Birhanu Zerihun, and last but not least Be'alu Girma.

 Contains the articles by Ellen G. White which appeared in the book A Solemn Appeal Relative to the Solitary Vice and Abuses and Excesses of the Marriage Relation, published in 1870 by the Steam Press of Battle Creek. Articles include Appeal to Mothers,

The Marriage Relation, Obedience to the Law of God, Female Modesty, and Sentimentalism. About the Author Ellen Gould (Harmon) White, co-founder of the Seventh-day Adventist Church, writer, lecturer, and counselor, and one upon whom Seventh-day Adventists believe the gift of prophecy was bestowed, was born in Gorham, Maine, November 26, 1827, one of eight children

of Robert and Eunice Harmon. During her seventy years of active service to the church, she found time to write voluminously. She is credited with having written 100,000 manuscript pages. This remarkable legacy to the church could alone have occupied Ellen White's entire life, had she dedicated her time to little else but writing. However, her service for the church embraces

much more than writing. Her diaries tell of her public work, her travels, her personal labor, hostessing, contacts with neighbors, as well as of her being a mother and housewife. God blessed her abundantly in these activities. Her ambitions and concerns, her satisfactions and joys, her sorrows--her whole life--were for the advancement of the cause she loved. Ellen G White is reputed to

be the most translated woman author and the most translated author in American history. After a full life dedicated to the service of God and others, she died on July 16, 1915, confidently trusting in Him whom she believed.

Oromay This is the first complete English translation of Bealu Girma's classic. Originally

published in 1983 in Ethiopia, the novel served as a critical account of the Red Star Campaign, the Communist Derg government's attempt at a final comprehensive victory over the secessionist rebellion in Eritrea. A passionate and turbulent story of love and war, Oromay mocked high-level members of Ethiopia's communist regime and criticized the Derg's actions in Eritrea. The

criticism contained in this incisive political allegory put Bealu in considerable danger owing to the repressive environment in which it was published. The novel was almost immediately banned after publication. Government officials attempted to confiscate all available copies but bootleg versions continued to circulate. In the aftermath, Bealu was fired from his job in

Ethiopia's Ministry of Information and a few months later disappeared. It is generally believed that he was abducted and killed on the orders of government officials in retaliation for Oromay. Bealu's life had a dramatic arc of its own. Born in rural Ethiopia to an Ethiopian mother and Indian father, he was a graduate of Addis Ababa University and later studied journalism in the United

States. In addition to serving as editor of several of Ethiopia's most respected magazines and newspapers (including Addis Zemen and The Ethiopian Herald) he also worked as a civil servant in Ethiopia's Ministry of Information. This position allowed him access to government officials during both the Imperial and Communist governments. Prior to

Oromay, he wrote five other popular and critically-acclaimed Amharic-language novels: *Beyond the Horizon*, *The Bell of Conscience*, *The Call of the Red Star*, *Haddis*, and *The Author*. His integrity as a journalist, courageous criticism of repressive regimes, and martyrdom to the cause of literary freedom make him a significant figure in modern Ethiopian history and

Amharic literature. Sub-Saharan Africa Report The Wife's Tale: A Personal History Demon activity is unmasked in this classic new book by Dag Heward-Mills. Using the testimony of the mad man of Gadara, he shows the way to victory over demons and evil spirits.
