consensus that... There seems to be a consensus that the plan should be rejected. by consensus They have always governed by consensus.

Consensus - definition of consensus by The Free Dictionary
Consensus definition: A consensus is general agreement among a group of people. | Meaning, pronunciation, translations and examples
Consensus | Definition of Consensus at Dictionary.com
Consensus decision-making or consensus politics (often abbreviated to consensus) refers to group decision-

making processes in which participants develop and decide on proposals with the aim, or requirement, of acceptance by all. The focus on avoiding negative opinion differentiates consensus from unanimity, which requires all participants to positively support a decision.
Consensus reached on updating definition of rape | Cyprus Mail
Definition of consensus:

Middle ground in decision making, between total assent and total disagreement. Consensus depends on participants having shared values and goals, ...
consensus noun - Definition, pictures, pronunciation and ...
The legal definition of Consensus is A decision achieved through negotiation whereby a hybrid resolution is arrived on an issue, dispute or

disagreement, comprising typically of concessions made by all parties, and to which all parties then subscribe unanimously as an acceptable resolution.
