Es así de sencillo: la riqueza y la realización personal están al alcance de todas aquellas personas que lo deseen; basta simplemente con desvelar un secreto, el secreto del éxito. Hill aprendió este secreto y lo sistematizó para hacerlo accesible a todo el mundo. Así, "La Ley del Exito" es una obra diseñada para arrastrar al triunfo, entendido no sólo como triunfo económico, sino, sobre todo, como logro de esta íntima satisfacción que permite el equilibrio personal y que significa la base de las empresas más comprometidas... y más deseadas. Este libro es un "Manual practico para pasar a la acción", una guía personal con la que cada lector podrá aplicar a sus propias necesidades las enseñanzas de la obra. Enseñando por primera vez, la famosa formula de Andrew Carnegie para ganar dinero basada en los PROBADOS TRECE PASOS para lograr HACERSE RICO. El manual mas famoso y efectivo para hacer dinero. Nunca hubo otro libro

como éste ni nunca podrá haberlo. Miles de personas han aplicado sus famosos principios en aras de su propio enriquecimiento. Para escribirlo, Napoleon Hill entrevistó a 500 millonarios que le revelaron el origen de su riqueza. Uno de los libros más válidos de nuestro tiempo.

Napoleon Hill summed up his philosophy of success in *Think and Grow Rich!*, one of the bestselling inspirational business books ever. A recent USA Today survey of business leaders named it one of the five most influential books in its field, more than 40 years after it was first published. Now, in Napoleon Hill's *Keys to Success*, his broadly outlined principles are expanded in detail for the first time, with concrete advice on their use and implementation. Compiled from Hill's teaching materials, lectures, and articles, Napoleon Hill's *Keys to Success* provides mental exercises, self-analysis techniques, powerful encouragement, and straightforward advice to anyone seeking personal and financial improvement. In addition to Hill's many personal true-life examples of the principles in action, there are also contemporary illustrations featuring dynamos like Bill Gates, Peter Lynch, and Donna Karan. No other Napoleon Hill book has addressed these 17 principles so completely and in such precise detail. For the millions of loyal Napoleon Hill fans and for those who discover him each year, Napoleon Hill's *Keys to Success* promises to be a valuable and important guide on the road to riches.

The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the

author's most popular works, along with *The Three Musketeers*. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

George Orwell was a much-respected English novelist, who wrote some of the finest pieces in literary criticism, fiction. Orwell's work is known for its simplicity and wit. He wrote with smartness on subjects such as anti-fascism, democratic socialism etc. His best works include "ANIMAL FARM". It's an allegorical novella. It got published in August 1945. The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings,

sheeps and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on "the nature of life on this earth" and "How any animal is now living". The author has nicely elaborated through these Characters about the animals' misery and slavery. Animals complain that despite their hard labour, why then do they continue in the miserable condition? They also complain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. So, remove Man from the scene and the root cause of hunger and overwork will be abolished for ever. The book narrates about the agony of ill-treated farm animals. Then what decision they take and how this Animal Farm born, everything has become very interesting. The ultimate satire on fascism. A must-read book. In 1952, W. Clement Stone and Napoleon Hill joined forces and philosophies. Stone added his Positive Mental Attitude (PMA) concept to Hill's principles, resulting in the classic book, Success Through a Positive Mental Attitude. The two men spent the next ten years writing and lecturing about achieving success through PMA. Their formula was to become the foundation for virtually all modern motivational writing. Believe and Achieve is not the last word on creating success; that story will continue to evolve as long as the human race endures. Instead, the Napoleon Hill Foundation hopes that it will be nothing

more than the first words in the next chapter of your life: the first of many chapters in which success is the theme. *Becoming the Person Others Will Want to Follow* Babelcube Inc.

The timeless and practical advice in *The Magic of Thinking Big* clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

This title contains two books, which are the following: Book 1: Have you seen any signs from the universe? Are things going your way or do you wish that things would be better? These are some of the things people asking themselves when they want to work on their future. I hope you have asked yourself the same things, because the secret key is in the

chapters of this book. The first part of this book will go over finding your soulmate. Once you have found him or her, be sure to fight to keep the relationship intact and don't lose it. Next, the book will talk about reasons that you might not be rich yet. Sure, there are the obvious ones, like the economy or your job, but there may be hidden factors that are blocking you from achieving the income level that you are after. In the last section of this guide, you will be shown what kinds of signs the universe puts in your path. To ignore them, would be foolishness. Therefore, learn more about them, and you will have greater success in aligning your with the universe's. Book 2: How can you be happier? What does science say about it? These and many other questions will be answered. There is a literal Q&A in this book about the law of attraction, joy, and other topics related to it. Another topic in this book, is vibrations. As some of us know (maybe you do, too), the law of attraction is based on vibrations. Those vibrations are sent out and attract the things we want because of our thoughts and behavior. Raising our vibrations, therefore, would be crucial to accomplish our dreams. Here, you will learn how to do that, because it is definitely possible.

Follow the thoughts of essayist, poet and American Transcendentalism founder Ralph Waldo Emerson as he discovered his own belief system in the anthology *Self-Reliance and Other Essays*. In 'Self-Reliance', Emerson explained that standing on one's own two feet against society was essential to forming a strong union with God. Once this essay was published, it received both wild praise and hurtful backlash from different factions of America. However, Emerson pushed through the negative criticism,

stood against the crowd, and found himself stronger in his faith than he ever had before. Emerson found that self-reliance, no matter the situation, would always help the individual persevere and become stronger. Because Emerson wrote for the common man, many of his essays and poems are relatively simple and straight-forward; he wanted audiences to understand his thoughts and identify with his beliefs. He also wanted to wake them up from the conventional modern life that he believed had often placated them. Emerson's writings were meant to help the reader transcend to a more thoughtful mindset. His essays discuss themes of philosophy, poetry, history, politics, ethics, and literary criticism, all of which helped break people from what he believed were their mediocre lives. He saw that humanity could become stronger as a whole if people would take the steps to make themselves and their minds stronger.

With the help of industrialist Andrew Carnegie, the author of this remarkable book spent two decades interviewing hundreds of people renowned for their wealth and achievement. Napoleon Hill's all-time bestseller in the personal success field offers priceless advice on positive thinking and overcoming adversity by distilling the collective wisdom of Henry Ford, Thomas Edison, John D. Rockefeller, and other successful figures from the worlds of finance, industry, and the arts. Growing rich, Hill explains, is about far more than just making money. "Whatever the mind can conceive and believe," he asserts, "it can achieve with positive mental attitude." Hill outlines 13 principles of success involving goal setting, developing

entrepreneurial thinking, and exercising effective leadership. A must for any reader of The Secret, this guide will

transform the way you think about time, money, and relationships, setting your feet on the path to financial freedom.
