Short stories have long been regarded as a potent form of writing. Concentrated and distilled yet engaging the reader at a pace that commands attention in the pages it occupies. Narrative and characters are still

fully fleshed and the story is no longer, or shorter, than it absolutely must. Handed down from the oral tradition they have been variously regarded as 'apprentice pieces' written by authors on their way to becoming better writers as well as fodder for innumerable periodicals over the decades for those who liked their reading in more succinct chunks or perhaps with a 'cliffhanger ending' to keep the interest until the next exciting instalment. Today they are regarded as works in their own right and, in the pens of the most highly skilled, to be greatly admired. The Russians of course have produced some of the very greatest writers and some of the

best - and longest - novels. In this series we take the very best of those Russian Short stories and present them here.

Russian Folk-tales Xist Publishing

The founding father of modern Russian literature, Alexander Pushkin has exerted –

through his novel in verse Eugene Onegin, his plays, his short stories and his narrative poetry – a long-lasting influence well beyond the borders of his motherland. A slightly lesser-known, but by no means less important aspect of his writing is his vast production of shorter verse, a genre at which he excelled and arguably still remains unsurpassed. This volume, part of Alma's series of the complete poetic works of Alexander Pushkin, collects the poems Pushkin wrote during his time in St Petersburg as a young intellectual and his subsequent stay in the Caucasus and the Crimea, and includes many significant poems of his early maturity, such as 'My Homeland', 'Something or Nothing?' and 'A Storm', each presented in a verse translation opposite the original Russian text. Enriched with notes, pictures and an appendix on Pushkin's life and works, this will be essential reading for anyone wishing to delve deeper into the Russian bard's genius.

Best Russian Short Stories Edited by Thomas Seltzer. Conceive the joy of a lover of nature who, leaving the art galleries, wanders out among the trees and wild flowers and birds that the pictures of the galleries have sentimentalised. It is some such joy that the man who truly loves the noblest in letters feels when tasting for the first time the simple delights of Russian literature. French and English and German authors, too, occasionally, offer works of lofty, simple naturalness; but the very keynote to the whole of Russian literature is simplicity, naturalness, veraciousness.
