ONE-LINE SUMMARY: A thieving duo's world turns upside down when an Elven rogue uncovers the heinous dealings of a megacorporation (The Other Side of Life, Book 1). SYNOPSIS: Anya and Leticia are partners-in-crime who steal for a living. Their world turns upside down after a chance encounter with fellow rogue, Ithilnin--the enigmatic leader of an Elven band of thieves. A scuffle to prove who's "the better thief" transforms into more than Anya and Ithilnin ever bargained for. They retrieve the missing piece of an ancient poem, before getting caught in the secret dealings of a megacorporation. What they uncover threatens to alter the very essence of not just human life, but the other side as well. Elven intrigue, cyberpunk action, and a deadly dose of danger come together in The Other Side of Life [Book #1 in the (Cyberpunk) Elven Trilogy]. GENRE: Urban Fantasy / Cyberpunk / YA with adult crossover appeal REVIEW: "Dear Jess: You are a very good writer - I like your plotting, your concept, the characters...pretty much everything. You are very gifted." - Dr. Uwe Stender, 2010

The Other Side of Yet Anna Bloom

"A knockout of a book." —Viet Thanh Nguyen, Pulitzer Prize-winning author of *The Sympathizer* and *The Committed* "Fiona and Jane is the book I did not know I was waiting to be written. . . . Read this remarkable work of fiction and feel the world open up around you." —Angela Flournoy, author of National Book Award

finalist *The Turner House* "Unsentimental, subtly subversive, and always surprising. . . . I love this book." —Cathy Park Hong, author of Pulitzer Prize finalist *Minor Feelings* A witty, warm, and irreverent book that traces the lives of two young Taiwanese American women as they navigate friendship, sexuality, identity, and heartbreak over two decades. Best friends since second grade, Fiona Lin and Jane Shen explore the lonely freeways and seedy bars of Los Angeles together through their teenage years, surviving unfulfilling romantic encounters, and carrying with them the scars of their families' tumultuous pasts. Fiona was always destined to leave, her effortless beauty burnished by fierce ambition—qualities that Jane admired and feared in equal measure. When Fiona moves to New York and cares for a sick friend through a breakup with an opportunistic boyfriend, Jane remains in California and grieves her estranged father's sudden death, in the process alienating an overzealous girlfriend. Strained by distance and unintended betrayals, the women float in and out of each other's lives, their friendship both a beacon of home and a reminder of all they've lost. In stories told in alternating voices, Jean Chen Ho's debut collection peels back the layers of female friendship—the intensity, resentment, and boundless love—to probe the beating hearts of young women coming to terms with themselves, and each other, in light of the insecurities and shame that holds them back. Spanning countries and selves, Fiona and Jane is an intimate portrait of a friendship, a deep dive into the universal perplexities of being young and alive, and a bracingly honest account of two Asian women who dare to stake a claim on joy in a changing, contemporary America. *The Adventure of Lily's Meeting Her First Best Friend* Penguin
The adventure of Lily's meeting her first best friend. She meets a new friend out of town. And the two little girls form a friendship. *Flamingo and Friends* Children's Book Press
"I know many things. Including the fact that you have something that belongs to me" Twelve-year-old Jamal has always lived in his twin brother, Malik's, shadow. All he wants in the world is to know, just for one day, what it's like to be his more popular, more talented, and more confident brother. So when a mysterious man named Dr. Facilier appears and offers Jamal the opportunity to do

just that, Jamal jumps at the chance. But when he wakes up the next morning to find his dream has come true, he learns it comes at a terrible cost. There's a reason people say "Never make a deal with the Shadow Man." And Jamal is about to find out why. Grab your night-light, dear reader, and prepare to be CHILL-ed!

Other Side of the Line Hogarth

Three young children, Mal, Ari and Martha, have been "touched" and are in possession of enormous talents, bestowed on them by a chance encounter with the Young Master. Now Ari, Mal and Martha find themselves in the wrong place and time because Ari has done the unthinkable, resulting in a perpetual red dawn. But that is the least of their worries! Ari is on the run, while Mal and Martha attempt to keep their enemy at bay. The Strange Man is back and he's got even more sinister tricks up his sleeve ...

The Politics of Friendship Cedar House Press

Midge and Moo are best friends. They came home from the hospital together when Midge was just two days old. They do everything together. When Mommy says, "Stop right there! You are tracking in mud all over the floor." Midge tells Moo, "Bad Moo! You got mud all over the floor!" Midge learns what it is like to have a partner in crime, a best friend, and someone who is there for you no matter what. Snuggle up with your little one and spend the day with Midge and Moo. Part of the *Adventures of Midge and Moo* series.

Fiends on the Other Side (Disney Chills, Book Two) Simon and Schuster

Jem has escaped from slavery. Now it's up to him to decide what he believes, who he trusts, and what freedom really means. In 1739, England and Spain are on the verge of war and former slaves are arriving at Fort Mose in St. Augustine, where the Spanish will give them their freedom in exchange for their loyalty. Fourteen-year-old Jem has escaped a cruel master but is now in the custody of Phaedra, a difficult and angry woman. He thought he was free, he thought he was a man, but Phaedra takes every

opportunity to remind him that he's still a child. As the threat of war becomes more real, Jem starts to understand the meaning of freedom. Krista Russell's action-packed historical adventure, provides readers with a chance learn, along with Jem, the complex connections that make a community and the significance of true freedom.

Book Three in the Touched Series HarperCollins

"O, my friends, there is no friend." The most influential of contemporary philosophers explores the idea of friendship and its political consequences, past and future. Until relatively recently, Jacques Derrida was seen by many as nothing more than the high priest of Deconstruction, by turns stimulating and fascinating, yet always somewhat disengaged from the central political questions of our time. Or so it seemed. Derrida's "political turn," marked especially by the appearance of *Specters of Marx*, has surprised some and delighted others. In *The Politics of Friendship* Derrida renews and enriches this orientation through an examination of the political history of the idea of friendship pursued down the ages. Derrida's thoughts are haunted throughout the book by the strange and provocative address attributed to Aristotle, "my friends, there is no friend" and its inversions by later philosophers such as Montaigne, Kant, Nietzsche, Schmitt and Blanchot. The exploration allows Derrida to recall and restage the ways in which all the oppositional couples of Western philosophy and political thought—friendship and enmity, private and public life—have become madly and dangerously unstable. At the same time he dissects genealogy itself, the familiar and male-centered notion of fraternity and the virile virtue whose authority has gone

unquestioned in our culture of friendship and our models of democracy The future of the political, for Derrida, becomes the future of friends, the invention of a radically new friendship, of a deeper and more inclusive democracy. This remarkable book, his most profoundly important for many years, offers a challenging and inspiring vision of that future.

My Friend Ella Manjul Publishing

It is a truth universally acknowledged that a good white person of liberal leanings must be in want of a Black friend. In the biting, hilarious vein of *What Doesn't Kill You Makes You Blacker* and *We Are Never Meeting in Real Life* comes Ben Philippe's candid memoir-in-essays, chronicling a lifetime of being the Black friend (see also: foreign kid, boyfriend, coworker, student, teacher, roommate, enemy) in predominantly white spaces. In an era in which "I have many black friends" is often a medal of Wokeness, Ben hilariously chronicles the experience of being on the receiving end of those fist bumps. He takes us through his immigrant childhood, from wanting nothing more than friends to sit with at lunch, to his awkward teenage years, to college in the age of Obama, and adulthood in the Trump administration—two sides of the same American coin. Ben takes his role as your new black friend seriously, providing original and borrowed wisdom on stereotypes, slurs, the whole "swimming thing," how much Beyoncé is too much Beyoncé, Black Girl Magic, the rise of the Karens, affirmative action, the Black Lives Matter movement, and other conversations you might want to have with your new BBFF. Oscillating between the impulse to be "one of the good ones" and the occasional need to excuse himself to the restrooms, stuff his mouth with toilet paper, and scream, Ben navigates his own Blackness as an "Oreo" with too many opinions for his father's liking, an encyclopedic knowledge of CW teen dramas, and a mouth he can't always control. From cheating his way out of swim tests to discovering stray family members in unlikely places, he finds the punchline in the serious while acknowledging the blunt truths of existing as a Black man in today's world. Extremely timely, Sure, I'll Be Your Black Friend is a conversational take on topics both light and heavy, universal and deeply personal, which reveals incisive truths about the need for connection in all of us.

Amy's Best Friend, Prayers of a Child Createspace Independent Publishing Platform

Jade and her friends take you on another adventure, this time it

takes her to the Forest of Wonder, where she has been set the challenge of collecting seven missing crystals in order to free the dwarf from his stony state. The Keeper of the forest cast a spell which turned him into stone; he can only be released if all the crystals come together. You will meet talking toadstools and trees, you'll be introduced to the wildlife that lives within the forest. Jade knows it won't be easy; but she is a brave dragon and willing to take the adventure in her stride.

The Four Loves HarperCollins

Author of over a dozen bestsellers, Academy Award-winning screenwriter, and creator of some of television's greatest hits, Sheldon has seen and done it all, and now in this candid memoir, he shares his story for the first time.
