The True Adventures of Radio 1 Nesfa Press

"One of those can't-put-it-down-until-the-last-page-is-turned monsters that has readers all over the country missing sleep."—Minneapolis Tribune
 Corky is a brilliant entertainer with a bright future ahead of him. He has good looks, many women, and enormous talent. He also had a secret and a certainty: a secret that must be hidden from his public at all costs; and a certainty that the dark forces of magic were out to destroy him. "Fascinating . . . This dazzling psychological thriller cannot be put down! . . . The most imaginative and enjoyable novel I've read since Marathon Man. . . . [A] bizarre journey into the world of illusion."—St. Louis Post-Dispatch "Kept me up half the night. . . . A brilliantly alarming novel!"—Cosmopolitan
Hit and Run Adventures in the Screen Trade
 From screenwriting & budgeting to marketing, Simens provides encyclopedic, precise, & creative instruction for putting your vision up on the screen.
The Temple of Gold Hal Leonard Corporation
 Hit and Run tells the improbable and often hilarious story of how two Hollywood film packagers went on a campaign to reinvent themselves as studio executives -- at Sony's expense. Veteran reporters Nancy Griffin and Kim Masters chronicle the rise of Jon Peters, a former hairdresser, seventh-grade

dropout, and juvenile delinquent, and his soulless soul mate, Peter Guber -- and all the sex, drugs, and fistfights along the way. It is the story of the ultimate Hollywood con job and the standard by which every subsequent business blunder has been measured. Hit and Run delivers rock-solid business reporting liberally laced with inside gossip and outrageous scandal -- plus a new afterword bringing us up to date on the latest fallout from the Guber-Peters legacy.

Carl Gottlieb's account of the making of Steven Spielberg's classic shocker is a compelling insider's story of the making of a film phenomenon. *Jaws* grossed \$100 million, won 3 Oscars and launched its 26-year-old director. Screenwriter Carl Gottlieb was on board throughout the production process, and chronicled his year-long adventure: a riveting portrait of a famously arduous shoot, complicated by clashing creative temperaments, pressures from the studio, bad weather - and sharks.

"We need good screenwriters who understand character." Everywhere Andrew Horton traveled in researching this book—from Hollywood to Hungary—he heard the same refrain. Yet most of the standard how-to books on screenwriting follow the film industry's earlier lead in focusing almost exclusively on plot and formulaic structures. With this book, Horton, a film scholar and successful screenwriter, provides the definitive work on the character-based screenplay. Exceptionally wide-ranging—covering American, international, mainstream, and "off-Hollywood" films, as well as television—the book offers creative strategies and essential practical information. Horton begins by placing screenwriting in the context of the storytelling tradition, arguing through literary and cultural analysis that all great stories revolve around a strong central character. He then suggests specific techniques and concepts to help any writer—whether new or experienced—build more vivid characters and screenplays. Centering his discussion around four film examples—including *Thelma & Louise* and *The Silence of the Lambs*—and the television series, *Northern Exposure*, he takes the reader step-by-step through the screenwriting process, starting with the development of multi-dimensional characters and continuing through to rewrite. Finally, he includes a wealth of information about contests, fellowships, and film festivals. Espousing a new, character-based approach to screenwriting, this engaging, insightful work will prove an essential guide to all of those involved in the writing and development of film scripts.

In this classic bestselling screenwriting guide—now revised and updated—author and film consultant Viki King helps screenwriters go from blank page to completed manuscript through a series of clever and simple questions, ingenious writing exercises, and easy, effective new skills. Viki King's Inner Movie Method is a specific step-by-step process designed to get the story in your heart onto the page. This method doesn't just show how to craft a classic three-act story but also delves into how to clarify the idea you don't quite have yet, how to tell if your idea is really a movie, and how to stop getting ready and start. Once you know what to write, the Inner Movie Method will show you how to write it. This ultimate scriptwriting survival guide also addresses common issues such as: how to pay the rent while paying your dues, what to say to your spouse when you can't come to bed, and how to keep going when you think you can't. *How to Write a Movie in 21 Days*, first published in 1987, has been translated in many languages around the world and has become an industry-standard guide for filmmakers both in Hollywood and internationally. For accomplished screenwriters honing their craft, as well as those who have never before brought their ideas to paper, *How to Write a Movie in 21 Days* is an indispensable guide. And Viki King's upbeat, friendly style is like having a first-rate writing partner every step of the way.

The phenomenon of Spike Lee continues with this revealing and engaging look at his outstanding career, his creative process, and the screenplay for his dynamic movie *Do the Right Thing*. Spike Lee burst full formed into the screen world with his award-winning, commercially successful independent film *She's Gotta Have It*. In the few short years following this stellar debut he has established himself as a force to be reckoned with in the film industry and in American popular culture. This book reveals Spike Lee as a Hollywood iconoclast and gifted visionary and takes us through the dramatic sequence of events that brought the movie *Do the Right Thing* to fruition. It is a testimonial to his developing genius, written in the stingingly funny and informed language of Spike Lee.

Magic Open Road Media

An "extraordinary" novel of five friends coming of age in 1960s New York City, from a New York Times–bestselling, Academy Award–winning author (The Plain Dealer). William Goldman, the versatile author who gave us classic thrillers like *Marathon Man*, the immortal comedy of *The Princess Bride*, and the infamous Hollywood tell-all *Adventures in the Screen Trade*, offers a beautiful and sweeping novel inspired by his own coming-of-age, set against the backdrop of the New York theater world. In *Boys and Girls Together*, five friends—each of them young, creative, ambitious, and troubled—make their way to Manhattan in pursuit of their dreams. Aaron, the playwright; Walt, the director; Rudy and Jenny, both actors; and Branch, their producer, all come together to struggle, fight, love, create art, and face the hard truths of life. A popular sensation when it was first published in 1964, *Boys and Girls Together* remains a masterwork of heartbreaking emotional honesty. This ebook features a biography of William Goldman.

Yes, you can write a great screenplay. Let Syd Field show you how. "I based *Like Water for Chocolate* on what I learned in Syd's books. Before, I always felt structure imprisoned me, but what I learned was structure really freed me to focus on the story."—Laura Esquivel
Technology is transforming the art and craft of screenwriting. How does the writer find new ways to tell a story with pictures, to create a truly outstanding film? Syd Field shows what works, why, and how in four extraordinary films: *Thelma & Louise*, *Terminator 2: Judgement Day*, *The Silence of the Lambs*, and *Dances with Wolves*. Learn how: Callie Khouri, in her first movie script, *Thelma & Louise*, rewrote the rules for good road movies and played against type to create a new American classic. James Cameron, writer/director of *Terminator 2: Judgement Day*, created a sequel integrating spectacular special effects and a story line that transformed the *Terminator*, the quintessential killing machine, into a sympathetic character. This is how an action film is written. Ted Tally adapted Thomas Harris's chilling 350-page novel, *The Silence of the Lambs*, into a riveting 120-page script—a lesson in the art and craft of adapting novels into film. Michael Blake, author of *Dances with Wolves*, achieved every writer's dream as he translated his novel into

Five Screenplays with Essays Taylor & Francis

In this "dishy...superbly reported" (Entertainment Weekly) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed *Easy Riders, Raging Bulls*, Peter Biskind "takes on the movie industry of the 1990s and again gets the story" (The New York Times). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and "sensationally entertaining" (Los Angeles Times) *Down and Dirty Pictures* is a must-read for anyone interested in the film world.

Who Killed Hollywood? and Other Essays Simon and Schuster

"Fun and gossipy." —The Wall Street Journal * "A masterful history." —Publishers Weekly (starred review) * "Engaging." —Newsweek A "brisk, insightful, and deliciously detailed take" (Kirkus Reviews) on a transformative decade on Broadway, featuring behind-the-scenes accounts of shows such as *Rent*, *Angels in America*, *Chicago*, *The Lion King*, and *The Producers*—shows that changed the history of the American theater. The 1990s was a decade of profound change on Broadway. At the dawn of the nineties, the British invasion of Broadway was in full swing, as musical spectacles like *Les Miserables*, *Cats*, and *The Phantom of the Opera* dominated the box office. But Andrew Lloyd Webber's *Sunset Boulevard* soon spelled the end of this era and ushered in a new wave of American musicals, beginning with the ascendance of an unlikely show by a struggling writer who reimagined Puccini's opera *La Bohème* as the smash Broadway show *Rent*. American musical comedy made its grand return, culminating in *The Producers*, while plays, always an endangered species on Broadway, staged a powerful comeback with Tony Kushner's *Angels in America*. A different breed of producers rose up to challenge the grip theater owners had long held on Broadway, and corporations began to see how much money could be made from live theater. And just as Broadway had clawed its way back into the mainstream of American popular culture, the September 11 attacks struck fear into the heart of Americans who thought Times Square might be the next target. But Broadway was back in business just two days later, buoyed by talented theater people intent on bringing New Yorkers together and supporting the economics of an injured city. "Told with all the wit and style readers could wish for" (Booklist) Michael Riedel presents the drama behind every mega-hit or shocking flop. From the bitter feuds to the surprising collaborations, all the intrigue of a revolutionary era in the Theater District is packed into *Singular Sensation*. Broadway has triumphs and disasters, but the show always goes on.

From "America's nerviest journalist" (Newsweek)--a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space. "Tom Wolfe at his very best" (The New York Times Book Review) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made *The Right Stuff* a classic.
