Of Derivatives -
BetterExplained**

Derivatives The Theory
And Practice Derivatives:
Theory and Practice and
its companion website
explore the practical uses
of derivatives and offer a

guide to the key results
on pricing, hedging and
speculation using
derivative securities. The
book links the theoretical
and practical aspects of
derivatives in one volume
whilst keeping
mathematics and
statistics to a
minimum. Derivatives:
Theory and Practice |
Wiley Derivatives is the
best book I have read on
derivatives theory and

pricing. It includes clearly
written and readable
theory on derivatives
pricing, from plain vanilla
to exotic options. Worked
examples using Excel or
Visual Basic span the gap
between theory and
implementation, which is
often overlooked in other
textbooks. Derivatives:
