Delve Deeper into God's  
Word In this verse-by-  
verse commentary,  
Robert Gundry offers a  
fresh, literal translation  
and a reliable exposition  
of Scripture for today's  
readers. Paul's letter to  
the Romans has been  
appropriately termed the

cathedral of the Christian  
faith. Gundry's  
commentary on this  
profound book will help  
readers grasp one of the  
most valued parts of  
Scripture. Pastors, Sunday  
school teachers, small  
group leaders, and  
laypeople will welcome  
Gundry's nontechnical  
explanations and  
clarifications. And Bible  
students at all levels will  
appreciate his sparkling  
interpretations. This

selection is from Gundry's  
Commentary on the New  
Testament.

Romans A&C Black  
Deeply conversant in the  
full range of questions  
and interpretations of the  
letter, Jewett's  
commentary explores the  
crucial and controverted  
passages that have  
always animated studies  
of Romans. Jewett also  
incorporates the exciting  
new insights from  
archaeology of the city of

Rome, social history of early Christianity, social-scientific work on early Christianity, and the interpretation and reception of Paul's letter through the ages. Breaking free from abstract approaches that defend traditional theologies, Jewett shows that the entire letter aims to elicit support for Paul's forthcoming mission to the "barbarians" in Spain. His work specifically focuses on Paul's missionary plans and how they figure in the letter, on Paul's critical and

constructive tack with the Roman community, and finally and especially on how Paul's letter reframes the entire system of honor and shame as it informed life in the Roman Empire at the time. The latter remains a pertinent message today. The first commentary to interpret Romans within the imperial context as well as in the light of the situation in Spain, this landmark commentary, twenty-five years in the making, will set the standard for interpretation of Romans

for the next generation. *Romans (Everyday Bible Commentary series)* Wm. B. Eerdmans Publishing  
Romans is almost universally celebrated to be one of the greatest Christian writings ever penned. It is the most detailed explanation of the gospel and the relationship between faith and righteousness in the New Testament. Paul accomplishes this by relying heavily on Old Testament passages that provided a foundation for many of the arguments he used to enlighten the

Israelites of God's plan to include the Gentiles as his people along with them. It takes one on a journey to explore how that gospel works to bring man to a place of salvation through obedience by baptism into Christ (Gal 3:27). Its impact on the lives of many noted religious leaders throughout history during the Protestant Reformation and Restoration Movements cannot be underestimated. Such leaders as Augustine, John Chrysostom, John and Charles Wesley, Martin

Luther, John Calvin, and Thomas and Alexander Campbell have all expressed the profound impact Romans had on their lives. Luther sparked the greatest religious revival at the time, the Protestant Reformation at Wittenberg in 1517 when he nailed 95 theses to the door of Castle Church which he said was inspired by his reading of the book of Romans. The Campbells began the Restoration Movement during the early 19th century around the time of the "Great Awakening"

in the early frontier days, with a call of restoring the pure gospel that Paul explained in the book of Romans. The overarching theme throughout its 16 chapters is to reveal God's sovereign plan of justification and sanctification to both Jew and Gentile in the church through the gospel where the righteousness of God is revealed. (Romans 1:17) It is God's blueprint as to how we obtain and maintain faith and what it means to live a righteous life before God.

*Romans* Harrison House  
 This substantive evangelical commentary on Romans by a leading biblical scholar is one of the most popular in the award-winning BECNT series and has been praised as a great preaching commentary. This new edition, updated and revised throughout, reflects Thomas Schreiner's mature thinking on various interpretive issues. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek

text, extensive research, thoughtful verse-by-verse exegesis, and a user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility--making it a useful tool for pastors, church leaders, students, and teachers.

*Romans* Wipf and Stock Publishers

In this book, Peter Stuhlmacher stresses the Old Testament and postbiblical Jewish traditions as the primary backdrop to Paul's

thought, as these traditions were known by Paul himself or mediated to him through Jesus and the early church. The themes of the righteousness of God and the corresponding justification of both Jews and Gentiles are viewed as the center of Romans. Finally, Stuhlmacher seeks to place the apostle's theology within its historical context. He overcomes the false dichotomy that has often characterized the study of Romans, mediating between the view that it is

a general theological treatise that functions as Paul's last testament to his Christian faith, on the one hand, and the view that it is one particular and occasion-bound expression of Paul's thinking.

Sproul's sermons at St. Andrew's Chapel are the foundation of these never-before-published expositions on Paul's epistle to the Romans. Chrysostom had it read aloud to him once a week.

Augustine, Luther, and Wesley all came to assured faith through its impact. The Reformers saw it as the God-given key to understanding the whole of Scripture. Throughout church history the study of the book of Romans has been pivotal to understanding Christian life and doctrine. Convinced that "Paul's fullest, grandest, most comprehensive statement of the gospel" is just as vital today, R. C. Sproul delivered nearly sixty sermons on Romans from October 2005 to April

2007 at St. Andrew's Chapel, where he has pastored for more than a decade. These never-before-published, passage-by-passage expositions will enrich any study of this weighty epistle. Part of the St. Andrew's Expository Commentaries series.

**Romans** Reverend Dr Gary Staats

Martin Luther said Romans was so important that every Christian should memorize it. Romans outlines many of the basics of the faith and has been a favorite of

Christians throughout history. But reading Romans without knowing the historical background is like watching an old comedy without knowing the cultural references—still enjoyable, but not nearly as vibrant. Encounter Paul's crowning epistle in full color through Romans from the Everyday Bible Commentary series. In it you'll receive enlightening verse-by-verse commentary from Alan F. Johnson that's both straightforward and insightful. You'll gain:

Cultural and historical backgrounds  
 Insights from the original language  
 Help with the difficult passages  
 And more! You don't have to go to seminary to encounter God in exciting, new ways through His Word. Discover how much more enjoyable your personal study will be with understandable, quality Bible commentary for everyday life.

**A Commentary on ROMANS SPCK**

Careful scholarship and spiritual insight characterize this enduring commentary on Romans,

generally considered to be Paul's most profound letter. In The Epistle to the Romans John Murray offers an exposition of Romans deeply penetrating in its elucidation of the text yet accessible to scholars, pastors, and students alike. In his introduction to the commentary proper, Murray discusses the authorship, occasion, purpose, and contents of Romans and provides important background information on the church at Rome. Murray then provides a verse-by-verse

exposition of the text that takes into account key problems that have emerged in the older and newer literature. In ten appendices that close the volume Murray gives special attention to themes and scholarly debates that are essential for a full-orbed understanding of Romans -- the meaning of justification, the relation of Isaiah 53:11 to the message of Romans, Karl Barth on Romans 5, the interpretation of the "weak brother" in Romans 14, and more. This

combined edition of Murray's original two-volume work, formerly published as part of the New International Commentary on the New Testament series, will hold continued value as a scholarly resource in the study of Romans for years to come.

B&H Publishing Group  
Witherington gleans fresh insights from reading the text of Paul's epistle in light of early Jewish theology, the historical situation of Rome in the

middle of first century A.D., and Paul's own rhetorical concerns.  
Abingdon New Testament Commentaries: Romans  
CUA Press

This is an abridged version of Cranfield's magisterial 3 volume commentary on Romans for the International Critical Commentary series. This shorter version preserves the same standard of scholarship as the ICC, however the technical notes and foreign language material have been removed making it

accessible to students of all levels.

**Mark** Westminster John Knox Press

Among the most significant contributions Melanchthon made to the life of the church were his biblical commentaries.

This volume from Melanchthons hand offered a model for the proclamation of the Gospel and a vital help for understanding the whole body of biblical teaching to Wittenberg students in the sixteenth century.

Romans Crossway

Of all of Paul's letters,

Romans is the one most immersed in the Old Testament. David G. Peterson situates Romans within the grand redemptive story of the Bible: creation, sin, Abraham's call and covenant, Israel's reception of and failure to keep the law, and God's great promises of salvation. Peterson reads Romans as Paul's exposition and defense of the gospel with unique theological insights into the Trinity, righteousness and justification, Israel and the church, apostolic

ministry, and true worship and holy living. The Evangelical Biblical Theology Commentary (EBTC) series locates each biblical book within redemptive history and illuminates its unique theological contributions. All EBTC volumes feature informed exegetical treatment of the biblical book and thorough discussion of its most important theological themes in relation to the canon--all in a style that is useful and accessible to students of Scripture. Commentary on the

Epistle to the Romans, Books 1-5 Moody Publishers

This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical

setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow.

text.

The Person and Work of Christ in Romans - A Christological Commentary Fortress Press

About the Contributor(s): Karl Barth (1886-1968), the Swiss Reformed professor and pastor, was once described by Pope Pius XII as the most important theologian since Thomas Aquinas. As principal author of 'The Barmen Declaration', he was the intellectual leader of the German Confessing Church - the Protestant group that resisted the

Third Reich. Barth's teaching career spanned nearly five decades. Removed from his post at Bonn by the Nazis in late 1934, Barth moved to Basel where he taught until 1962. Among Barth's many books, sermons, and essays are 'The Epistle to the Romans', 'Humanity of God', 'Evangelical Theology', and 'Church Dogmatics'. *Romans* Wm. B. Eerdmans Publishing

A commentary on Romans.

*A Commentary on the Epistle to the Romans* Wm. B. Eerdmans Publishing

"Above all, Romans is a letter about Spirit-enabled participation and transformation in Christ and his story, and thus in the mission of God in the world." This commentary engages the letter to the Romans as Christian scripture and highlights

the Pauline themes for which Michael Gorman is best known—participation and transformation, cruciformity and new life, peace and justice, community and mission. With extensive introductions both to the apostle Paul and to the letter itself, Gorman offers background information

on Paul's first-century context before proceeding into the rich theological landscape of the biblical text. In line with Paul's focus on Christian living, Gorman interprets Romans at a consistently practical level, highlighting the letter's significance for Christian theology, daily life, and pastoral ministry.

Questions for reflection and sidebars on important concepts make this especially useful for those preparing to preach or teach from Romans—the “epistle of life,” as Gorman calls it, for its extraordinary promise that, through faith, we might walk in newness of life with Christ.
