Civil  
Engineering  
(Objective  
Questions)

Chandresh  
Agrawal  
The book in its  
present form  
is due to my  
interaction  
with the

students for  
quite a long  
time.It had  
been my long-  
cherished  
desire to write  
a book  
covering most  
of the topics  
that form the  
syllabii of the  
Engineering  
and Science  
students at  
the degree  
level.Many  
students,altho

ugh able to  
understand  
the various  
topics of the  
books,may not  
be able to put  
their  
knowledge to  
use.For this  
purpose a  
number of  
questions and  
problems are  
given at the  
end of each  
chapter.
