Max Lucado's first book that journeys from the birth of Christ to His resurrection. Drawing from his classic writing on Jesus combined with new reflections and breathtaking art, Max Lucado again opens our eyes—and hearts—to the life and work of the Savior in a way that will change lives forever. “Jesus was, at once, common and not; alternately normal and heroic. One minute blending in with the domino players in the park, the next commanding the hell out of madmen, disease out of the dying, and death out of the dead.” Who was this man who spoke as easily with kids and fishermen as widows and waves? It is the question that has echoed down through the centuries to us today, and here is a visually stunning book that answers aspects of that question.

SATAN HAS NO POWER WHEN WE ARE IN CHRIST! The expression "in Christ" is one of the key phrases in the Epistles. However, many of us find that who we were before we found Christ so dominates our minds that we forget we are now in Him. We belittle our redemption and magnify our failures. Our weakness is ever with us. We have the "cross" religion, rather than the resurrected life of the Son of God. With love, patience, and grace, legendary Bible teacher E. W. Kenyon explains What We Are in Christ and what this means from heaven's point of view. God is our ally no matter what our circumstances. "We are in Him now, seated in the highest place in the universe, and all it requires is simple faith on our part to bring the power of God to bear upon our needs, whether for spirit, soul, body, finances or deliverance," Kenyon says. No matter where you are in your faith journey, you will find reassurance and joy when you realize What We Are in Christ! [The Wonders of the Holy Name](#) St Pauls BYB
