James A. Michener, the acclaimed author of sweeping historical blockbusters, chronicles his personal involvement in one of the most dramatic elections of the twentieth century: the presidential race between John F. Kennedy and Richard Nixon. A relative newcomer to politics, Michener served as the Democratic chairman in his native Bucks County, Pennsylvania, in a rural battleground precinct where the major controversies of the day—notably Kennedy’s Catholicism—brought cultural divides to the forefront. First published shortly after the 1960 election, *Report of the County Chairman* remains an intimate, gripping account of the power of grassroots political involvement. Praise for *Report of the County Chairman* “A candid account of the Kennedy/Nixon campaign.”—*The Philadelphia Inquirer* “Fascinating . . . The personalities are vividly and vigorously sketched—the workers, the volunteers, the hatchet men, the pros and . . . key figures on the barnstorming tour.”—*Kirkus Reviews* “Instructive . . . Anti-Catholicism was not just a Southern problem. In Pennsylvania, accounts of increasing anti-Catholicism were widespread. No one documented this sentiment more clearly than famed Pennsylvania novelist James Michener.”—*The Morning Call* (Allentown, Pennsylvania)  
*Consolidated Report of the County Engineer's Department of the County of Maui, Territory of Hawaii*  
Vols. for 1877/78, 1886/87 contain school laws.
