ANNA DEON

*Goodness and the Literary
Imagination* Penguin
What exactly is goodness?
Where is it found in the
literary imagination? Toni
Morrison, one of American
letters' greatest voices,
pondered these
perplexing questions in
her celebrated Ingersoll
Lecture, delivered at

Harvard University in
2012 and published now
for the first time. Perhaps
because it is
overshadowed by the
more easily defined evil,
goodness often escapes
our attention. Recalling
many literary examples,
from Ahab to Coetzee's
Michael K, Morrison seeks
the essence of goodness
and ponders its significant
place in her writing. She
considers the concept in
relation to unforgettable

characters from her own
works of fiction and
arrives at conclusions that
are both eloquent and
edifying. In a lively
interview conducted for
this book, Morrison further
elaborates on her
lecture's ideas, discussing
goodness not only in
literature but in society
and history—particularly
black history, which has
responded to centuries of
brutality with profound
creativity. Morrison's

essay is followed by a series of responses by scholars in the fields of religion, ethics, history, and literature to her thoughts on goodness and evil, mercy and love, racism and self-destruction, language and liberation, together with close examination of literary and theoretical expressions from her works. Each of these contributions, written by a scholar of religion, considers the legacy of slavery and how it continues to shape our memories, our

complicities, our outcries, our lives, our communities, our literature, and our faith. In addition, the contributors engage the religious orientation in Morrison's novels so that readers who encounter her many memorable characters such as Sula, Beloved, or Frank Money will learn and appreciate how Morrison's notions of goodness and mercy also reflect her understanding of the sacred and the human spirit.

The Awakener is Helen Weaver's long awaited memoir of her adventures with Jack Kerouac, Allen Ginsberg, Lenny Bruce, and other wild characters from the New York City of the fifties and sixties. The sheltered but rebellious daughter of bookish Midwestern parents,

Weaver survived a repressive upbringing in the wealthy suburbs of Scarsdale and an early divorce to land in Greenwich Village just in time for the birth of rock 'n' roll—and the counterculture movement known as the Beat Generation. Shortly after her arrival Kerouac, Ginsberg, and company—old friends of her roommate—arrive on their doorstep after a non-stop drive from Mexico. Weaver and Kerouac fall in love on sight, and Kerouac moves in.

"...[Weaver] paints a romantic picture of Greenwich Village in the 1950s and '60s, when she worked in publishing and hung out with Allen Ginsberg and the poet Richard Howard and was wild and loose, getting high and falling into bed almost immediately with her crushes, including Lenny Bruce...Her descriptions of the Village are evocative, recalling a time when she wore 'long skirts, Capezio ballet shoes and black stockings,' and used to 'sit in the Bagatelle and have

sweet vermouth on the rocks with a twist of lemon.' Early on, she quotes Pasternak: 'You in others: this is your soul.' Kerouac's soul lives on through many people—Joyce Johnson, for one—but few have been as adept as Weaver at capturing both him and the New York bohemia of the time. He was lucky to have met her."—Tara McKelvey, *The New York Times Book Review* "There is a tendency for memoirs written by women about The Great Man to be self-abnegating

exercises in a kind of inverted narcissism—the author seeking to prove her worth as muse, as consort, as chosen one. Not so with Helen Weaver’s beautiful, plainspoken elegy for her time spent with Jack Kerouac, who suddenly appeared at her door in the West Village one white, frosty morning with Allen Ginsberg, who knew Weaver’s roommate, in tow.”—New York Post
 “Helen Weaver’s book was a revelation to me!...This is the most graphic, honest,

shameless, and moving documentary of what the newly liberated women in cities got up to—how they lived, loved, and created. Who knew? It is time they did! And here’s how.”—Carolyn Cassady
 “Weaver recreates the excitement of a time when things were radically changing and shows us what it was like living with an eccentric genius at the turning point of his life. Eventually she asks Jack to leave but they remain friends, and over the years her respect for his writing grows even

as Kerouac's reputation undergoes a gradual transition from enfant terrible to American icon. She comes to realize that by writing *On the Road* he woke America up—along with her—from the long dream of the fifties. And the Buddhist philosophy that once struck her as Jack's excuse for doing whatever he liked because 'nothing is real, it's all a dream' eventually becomes her own." "Helen Weaver's memoir is a riveting account of her love affair and friendship with Jack Kerouac. She is

both clear-eyed and passionate about him, and writes with truly amazing grace."—Ann Charters
 Helen Weaver has translated over fifty books from the French of which one, Antonin Artaud: Selected Writings (Farrar, Straus and Giroux) was a Finalist for the National Book Award in translation in 1976. She is co-author and general editor of the Larousse Encyclopedia of Astrology and author of The Daisy Sutra, a book on animal communication. She lives in Kingston, New York.

 After spending months as a fire lookout on a remote mountain, Jack Duluo returns to his life in San Francisco and discovers how his isolation has affected his life. As he hitches, walks, and talks his way across the world, Duluo perceives the angel that is in

everything. It is life as he sees it.
Scenes Along the Road
 Perigee Books
 Highlighting a lesser-known aspect of one of America's most influential authors, this new collection displays Jack Kerouac's interest in and mastery of haiku. Experimenting with this compact poetic genre throughout his career, Kerouac often included haiku in novels, correspondence, notebooks, journals, sketchbooks, and recordings. In this

collection, Kerouac scholar Regina Weinreich supplements an incomplete draft of a haiku manuscript found in Kerouac's archives with a generous selection of Kerouac's other haiku, from both published and unpublished sources. With more than 500 poems, this is a must-have volume for Kerouac enthusiasts everywhere. Wretchedness Marion Boyars Publishers From California to Mexico and on to opium-ridden Tangiers, Kerouac chronicles the frenetic

parties, the drink and the drugs, the poetry and the mountain vigils with unsurpassable energy.

Desolation Angels

Penguin (FAQ). The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting-edge works that shaped this fascinating cultural and literary movement. Disillusioned with the repression and conformity encompassing post-World War II life in the United States, the Beat writers sought

creative alternatives to the mind-numbing banality of modern culture. Beat Generation writers were no strangers to controversy: Both Allen Ginsberg's prophetic, William Blakean-style poem "Howl" (1956) and William S. Burroughs' groundbreaking novel *Naked Lunch* (1959) led to obscenity trials, while Jack Kerouac's highly influential novel *On the Road* (1957) was blamed by the establishment for corrupting the nation's youth and continues to this day to serve as a

beacon of hipster culture and the bohemian lifestyle. The Beat writers shared a vision for a new type of literature, one that escaped the boundaries of academia and employed an organic use of language, inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism (Kerouac coined this writing style "spontaneous prose"). In search of deeper meaning, Beat Generation writers experimented not only with language but also with spirituality, art,

drugs, sexuality, and unconventional lifestyles. Although the movement as a whole flamed out quickly in the early 1960s, replaced by the onset of the hippie counterculture, the Beats made an indelible mark on the nation's consciousness and left a long-lasting influence on its art and culture. This book details the movement its works, creative forces, and its legacy.

The Damascus Road

Pantheon

With the publication of *On the Road* in 1957, Jack

Kerouac became at once the spokesman and hero of the Beat Generation. Along with such visionaries as William S. Burroughs and Allen Ginsberg, Kerouac changed the face of American literature, igniting a counterculture revolution that even now, decades later, burns brighter than ever in *Desolation Angels*.

No Nature Anchor

A fascinating blend of literary and social criticism, history, and biography, *Naked Angels* is a revealing introduction

to the lives and work of Jack Kerouac, Allen Ginsberg, and William S. Burroughs and an unsurpassed look at the powerful influence they had on the 1960s and be...

Historical Dictionary of the Beat Movement

Liturgical Press

Originally subtitled "An Adventurous Education, 1935-1946," *Vanity of Duluo* is a key volume in Jack Kerouac's lifework, the series of autobiographical novels he referred to as *The Legend of Duluo*. With

the same tender humor and intoxicating wordplay he brought to his masterpieces *On the Road* and *The Dharma Bums*, Kerouac takes his alter ego from the football fields of small-town New England to the playing fields and classrooms of Horace Mann and Columbia, out to sea on a merchant freighter plying the sub-infested waters of the North Atlantic during World War II, and back to New York, where his friends are the writers who would one day become known as the

Beat generation and where he published his first novel. Written in 1967 from the vantage point of the psychedelic sixties, *Vanity of Duluo* gives a fascinating portrait of the young Kerouac, dedicated and disciplined in his determination from an early age to be an important American writer.

A novel. Introd. by Seymour Krim University of Virginia Press

The Beat Movement was and is a literary and arts movement, the most

radical and innovative of the 20th century, and because it was so open to new ideas of poetics and aesthetics, it has adapted from decade to decade. The history of the Beat Movement is still being written in the early years of the 21st century. Unlike other kinds of literary and artistic the Beat Movement is self-perpetuating. After the 1950s generation, a new generation arose in the 1960s led by writers such as Diane Wakowski, Anne Waldman, and poets from the East Side Scene. In

the 1970s and 1980s writers from the Poetry Project at St. Mark's Church and contributors to World magazine continued the movement. The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics. Today poets and writers in San Francisco still gather at City Lights Bookstore and in Boulder at the Jack Kerouac School of Disembodied Poetics and continue the movement. It is now a postmodern movement and probably

would be unrecognizable to the earliest Beats. It may even be in the process of finally shedding the name Beat. But the Movement continues. The Historical Dictionary of the Beat Movement covers the movements history through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on significant people, themes, critical issues, and the most significant novels, poems, and volumes of poetry

and prose that have formed the Beat canon. This book is a vital reference tool for any researcher interested in learning more about the Beat Movement.

Desolation Angels, a Novel by Jack Kerouac
Penguin

Hired by the corrupt mayor of former Detroit to stop the Desolation Angels from taking over the town, Ryan Cawdor and his band of rebels soon discover that there is no good side to be fighting for as they are caught in the bloody

crossfire. Original. *Wake Up City Lights* Publishers
After half of the world's population is killed by a plague, seven teenagers seek a better life in a nightmarish future by deciphering coded messages and trying to avoid the Slashers. Original.

A Drinking Life Penguin
"Jay Parini brings to full human life a fascinating and ever-controversial figure, whose tireless and epic preaching of the message of Jesus brought Christianity into existence

and changed human history forever"--from back cover.

Big Sur Harpercollins Pub Limited

"Each book by Jack Kerouac is unique, a telepathic diamond. With prose set in the middle of his mind, he reveals consciousness itself in all its syntactic elaboration, detailing the luminous emptiness of his own paranoiac confusion. Such rich natural writing is nonpareil in later half XX century, a synthesis of Proust, Céline, Thomas Wolfe, Hemingway,

Genet, Thelonius Monk, Basso, Charlie Parker, and Kerouac's own athletic sacred insight. This entire short novel *Tristessa's* a narrative meditation studying a hen, a rooster, a dove, a cat, a chihuahua dog, family meat, and a ravishing, ravished junky lady, first in their crowded bedroom, then out to drunken streets, taco stands, & pads at dawn in Mexico City slums."

—Allen Ginsberg

Retiring to a seaside cabin near San Francisco, Jack

Duluoz looks for tranquility, but finds only horror and despair.

A Novel Putnam Adult

Jack Kerouac's classic novel about friendship, the search for meaning, and the allure of nature First published in 1958, a year after *On the Road* put the Beat Generation on the map, *The Dharma Bums* stands as one of Jack Kerouac's most powerful and influential novels. The story focuses on two ebullient young Americans--mountaineer, poet, and Zen Buddhist Japhy Ryder, and Ray

Smith, a zestful, innocent writer--whose quest for Truth leads them on a heroic odyssey, from marathon parties and poetry jam sessions in San Francisco's Bohemia to solitude and mountain climbing in the High Sierras.

Desolation Angels A Novel

A record of the writer's actual dreams is populated by characters from his novels.

Desolation Angels

Everyman's Library

From the bard of the Beat

Generation, Jack Kerouac's Maggie Cassidy is an autobiographical novel of young love, published in Penguin Modern Classics. Though publishers stopped Maggie Cassidy's Jack Duluoz and On the Road's Sal Paradise from sharing the same name, Kerouac meant the books to be two parts of the same life. While On the Road made Paradise (and Kerouac) a hero for generations to come of the disaffected and restless, Maggie Cassidy is an affectionate portrait of the teenager

that made the man - of friendship and first love growing up in a New England mill town. Duluoz is a high school athletics and football star who meets Maggie Cassidy and begins a devoted, inconstant, tender adolescent love affair. It is one of the most sustained, poetic pieces of Kerouac's 'spontaneous prose'. Jack Kerouac (1922-69) was an American novelist, poet, artist and part of the Beat Generation. His first published novel, The Town and the City,

appeared in 1950, but it was On the Road, published in 1957, that made Kerouac famous. Publication of his many other books followed, among them The Subterraneans, Big Sur, and The Dharma Bums. Kerouac died in Florida at the age of forty-seven. If you enjoyed Maggie Cassidy, you might like Kerouac's The Subterraneans and Pic, also available in Penguin Modern Classics. 'A very unique cat - a French Canadian Hinayana Buddhist Beat Catholic

savant' Allen Ginsberg
