*A Widow for One Year* Harvard Business Review Press

When a child hears a noise in the night he gets up to investigate. He calls his father to help him and they work through all the things that the 'noise' could be, eventually realising that it is nothing to be scared of. An empowering book about over coming ones fears handled with brilliant originality by John Irving and Tatjana Hauptmann.

Random House Trade Paperbacks

"I am doomed to remember a boy with a wrecked voice—not because of his voice, or because he was the smallest person I ever knew, or even because he was the instrument of my mother's death, but because he was the reason I believe in God; I am a Christian because of Owen Meany." In the summer of 1953, two eleven-year-old boys—best friends—are playing in a Little League baseball game in Gravesend, New Hampshire. One of the boys hits a foul ball that kills the other boy's mother. The boy who hits the ball doesn't believe in accidents; Owen Meany believes he is God's instrument. What happens to Owen, after that 1953 foul ball, is extraordinary and terrifying.

*A Novel* Simon and Schuster

John Irving returns to the themes that established him as one of our most admired and beloved authors in this absorbing novel of fate and memory. In *Avenue of Mysteries*, Juan Diego—a fourteen-year-old boy, who was born and grew up in Mexico—has a thirteen-year-old sister. Her name is Lupe, and she thinks she sees what's coming—specifically, her own future and her brother's. Lupe is a mind reader; she doesn't know what everyone is thinking, but she knows what most people are thinking. Regarding what has happened, as opposed to what will, Lupe is usually right about the past; without your telling her, she knows all the worst things that have happened to you. Lupe doesn't know the future as accurately. But consider what a terrible burden it is, if you believe you know the future—especially your own future, or, even worse, the future of someone you love. What might a thirteen-year-old girl be driven to do, if she thought she could change the future? As an older man, Juan Diego will take a trip to the Philippines, but what travels with him are his dreams and memories; he is most alive in his childhood and early adolescence in Mexico. As we grow older—most of all, in what we remember and what we dream—we live in the past. Sometimes, we live more vividly in the past than in the present. *Avenue of Mysteries* is the story of what happens to Juan Diego in the Philippines, where what happened to him in the past—in Mexico—collides with his future.

*In One Person* Harper Collins

"The most convincing portrait I know of contemporary America . . . a great American novel."—James Atlas, *The Atlantic Monthly* A reissue of Russell Banks' classic novel about love and sex, racism and poverty, and the failures of the American dream, now with P.S. and as a Harper Perennial Modern Classic. Russell Bank's searing tale of uprootedness, migration, and exploitation in contemporary America brings together two of the dominant realms of his fiction—New England and the Caribbean—skillfully braided into one taut narrative. *Continental Drift* is the story of a young blue-collar worker and family man who abandons his broken dreams in New Hampshire and the story of a

young Haitian woman who, with her nephew and baby, flees the brutal injustice and poverty of her homeland.

*The Ballantine Reader's Circle Reader* Penguin

A commemorative hardcover edition of the only collection ever published of the celebrated novelist's shorter works. Here is a treat for devoted fans of John Irving. First published twenty years ago, *Trying to Save Piggy Sneed* contains a dozen short works by the author, beginning with three memoirs. The longest of the memoirs is "The Imaginary Girlfriend," his candid account of his twin careers in writing and wrestling, which, as the *Denver Post* observed, is filled "with anecdotes that are every bit as hilarious as the antics in his novels . . . [and] combines the lessons of both obsessions." The middle portion of the book is fiction. Over a career that spans thirteen novels, these are the six stories that Mr. Irving considers finished. Among them is "Interior Space," for which he won the O. Henry Award. In the third and final section are three homages: one to Günter Grass and two to Charles Dickens. To each of the twelve pieces, he has contributed author's notes, which provide some perspective on the circumstances surrounding the writing of each piece. For readers who prefer a hardcover, this commemorative edition is a book to treasure. For new readers, it is a perfect introduction to the author of works as moving and mischievous as *The World According to Garp*, *A Prayer for Owen Meany*, and *In One Person*. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*The Cider House Rules* Simon and Schuster

It is 1967 and two Viennese university students want to liberate the Vienna Zoo, as was done after World War II. But their good intentions have both comic and gruesome consequences, in this first novel written by a twenty-five year old John Irving, already a master storyteller.

*Continental Drift* Random House Digital, Inc.

An American classic first published in 1985 by William Morrow and adapted into an Academy Award-winning film, *The Cider House Rules* is among John Irving's most beloved novels. Set in rural Maine in the first half of the twentieth century, it tells the story of Dr. Wilbur Larch—saint and obstetrician, founder and director of the orphanage in the town of St. Cloud's, ether addict and abortionist. It is also the story of Dr. Larch's favorite orphan, Homer Wells, who is never adopted. "A novel as good as one could hope to find from any author, anywhere, anytime. Engrossing, moving, thoroughly satisfying." —Joseph Heller, author of *Catch-22*

**A Novel** Vintage Canada

*Until I Find You* is the story of the actor Jack Burns – his life, loves, celebrity and astonishing search for the truth about his parents. When he is four years old, Jack travels with his mother Alice, a tattoo artist, to several North Sea ports in search of his father, William Burns. From Copenhagen to Amsterdam, William, a brilliant church organist and profligate womanizer, is always a step ahead – has always just departed in a wave of scandal, with a new tattoo somewhere on his body from a

local master or “scratcher.” Alice and Jack abandon their quest, and Jack is educated at schools in Canada and New England – including, tellingly, a girls’ school in Toronto. His real education consists of his relationships with older women – from Emma Oastler, who initiates him into erotic life, to the girls of St. Hilda’s, with whom he first appears on stage, to the abusive Mrs. Machado, whom he first meets when sent to learn wrestling at a local gym. Too much happens in this expansive, eventful novel to possibly summarize it all. Emma and Jack move to Los Angeles, where Emma becomes a successful novelist and Jack a promising actor. A host of eccentric minor characters memorably come and go, including Jack’s hilariously confused teacher the Wurtz; Michelle Maher, the girlfriend he will never forget; and a precocious child Jack finds in the back of an Audi in a restaurant parking lot. We learn about tattoo addiction and movie cross-dressing, “sleeping in the needles” and the cure for cauliflower ears. And John Irving renders his protagonist’s unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches. This is an absorbing and moving book about obsession and loss, truth and storytelling, the signs we carry on us and inside us, the traces we can’t get rid of. Jack has always lived in the shadow of his absent father. But as he grows older – and when his mother dies – he starts to doubt the portrait of his father’s character she painted for him when he was a child. This is the cue for a second journey around Europe in search of his father, from Edinburgh to Switzerland, towards a conclusion of great emotional force. A melancholy tale of deception, *Until I Find You* is also a swaggering comic novel, a giant tapestry of life’s hopes. It is a masterpiece to compare with John Irving’s great novels, and restates the author’s claim to be considered the most glorious, comic, moving novelist at work today.

Three Complete Novels Franklin Classics

An important new study for students and general readers of John Irving, one of America's most noted contemporary novelists.

The Way Things Were Greenwood

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Avenue of Mysteries** Simon and Schuster

Fiction excerpts from eighteen acclaimed authors whose works appeared as Ballantine Reader's Circle titles in 1999; with a personal introduction to each author from their editor on what delights them about their authors' fiction.

*The Terror* Simon and Schuster

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SAN FRANCISCO CHRONICLE, THE CHICAGO TRIBUNE, THE ST. LOUIS POST-DISPATCH, THE KANSAS CITY STAR, AND BOOKLIST Homer and

Langley Collyer are brothers—the one blind and deeply intuitive, the other damaged into madness, or perhaps greatness, by mustard gas in the Great War. They live as recluses in their once grand Fifth Avenue mansion, scavenging the city streets for things they think they can use, hoarding the daily newspapers as research for Langley’s proposed dateless newspaper whose reportage will be as prophecy. Yet the epic events of the century play out in the lives of the two brothers—wars, political movements, technological advances—and even though they want nothing more than to shut out the world, history seems to pass through their cluttered house in the persons of immigrants, prostitutes, society women, government agents, gangsters, jazz musicians . . . and their housebound lives are fraught with odyssean peril as they struggle to survive and create meaning for themselves.

**20th Anniversary Edition** Samuel French, Inc.

A Hindi film star and an American missionary are twins separated at birth; a dwarf — a former circus clown — mistakes the missionary for the movie star. And stalking one of them is a serial killer...

**An Excerpt from the Novel-in-progress** Vintage Canada

*The Imaginary Girlfriend* is a candid memoir of the writers and wrestlers who played a role in John Irving's development as a novelist and as a wrestler. It also portrays a father's dedication—Irving coached his two sons to championship titles. It is an illuminating, concise work, a literary treasure.

*In One Person* Harper Collins

This inspired bio musical about *The One and Only* begins with Groucho as an old man doing his famous Carnegie Hall show. It then goes back to the beginnings of the Marx Brothers and their struggles to make it in vaudeville, their rise to stardom and their eventual break up. All classic Groucho songs are included. One actor plays Groucho, another plays Chico and Harpo, and one actress plays all the wives, girlfriends and Margaret Dumont. A hit in New York, across the U.S. and in London, this show will delight Marx Brothers fans and the as yet uninitiated.

*A Novel* Ballantine Books

On a New England campus, Viennese housewife Utchka and her aspiring writer husband live a rather placid life with their two children. Until, that is, they meet Severin Winter, Professor of German and wrestling coach, and his delicate wife Edith at a faculty party. Utchka and Severin are rather taken with one another, and, conveniently, their spouses appear to be similarly smitten. A bizarre ménage à quatre is the result of these convoluted desires, and what starts out as a bit of fun is soon subject to the darker machinations of obsession, ..

*Setting Free the Bears* Skyhorse

'The brown bears paced, brushing their thick coats against the bars; their heads swayed low to the ground, in rhythm with some ritual of stealth they were born knowing and pointlessly never forgot' It is 1967 and two Viennese university students decide to liberate the Vienna Zoo, as was done after World War II. The eccentric duo, Graff and Siggy, embark on an adventure-filled motorbike tour of Austria as they prepare for "the great zoo bust." But their grand scheme will have both comic and gruesome consequences, as they are soon to find out...

*Setting Free the Bears* A Novel Ballantine Books

*A Son of the Circus* Vintage Canada

Now available as an ebook for the first time ever in America, the bestselling coming-of-age classic

novel by John Irving—the 40th anniversary edition with a new introduction by the author. “He is more than popular. He is a Populist, determined to keep alive the Dickensian tradition that revels in colorful set pieces...and teaches moral lessons.”—The New York Times The opening sentence of John Irving’s breakout novel *The World According to Garp* signals the start of sexual violence, which becomes increasingly political. “Garp’s mother, Jenny Fields, was arrested in Boston in 1942 for wounding a man in a movie theater.” Jenny is an unmarried nurse; she becomes a single mom and a feminist leader, beloved but polarizing. Her son, Garp, is less beloved, but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line—“we are all terminal cases”—*The World According to Garp* maintains a breakneck pace. The subject of sexual hatred—of intolerance of sexual minorities and differences—runs the gamut of “lunacy and sorrow.” Winner of

the National Book Award, *Garp* is a comedy with forebodings of doom. In more than thirty languages, in more than forty countries—with more than ten million copies in print—*Garp* is the precursor of John Irving’s later protest novels.

[A Novel](#) Knopf Canada

Fred 'Bogus' Trumper is a wayward knight-errant in the battle of the sexes and the pursuit of happiness. He also happens to have a complaint more serious than Portnoy's. Yet he stubbornly clings to the notion that he'll make something of his life, and is about to commit himself to a second marriage that bears remarkable resemblance to his first. *The Water-Method Man* is a work of consummate artistry and comic invention, bizarre imagery and sharp social and psychological observation.
