Loud in the House of Myself: Memoir of a Strange Girl Zulu ProverbsThe Rich Man of PietermaritzburgAn urban swindler finds his way to the village of Nyanyadu in rural South Africa where he dupes the villagers with the promise of untold riches.In the Beginning... We Misunderstood Alone at Christmas Greg Bennett feels his life has been a waste. Sixty years old and he has no one to spend Christmas with, no one who cares. Greg knows he's made mistakes, hurt people, failed in all the ways that matter. As a young man, he fathered a child he never acknowledged. He deserted a friend in his hour of need. He abandoned his own brother, whom he hasn't seen in years. Listlessly wandering the streets of San Francisco, Greg finds himself in church—and whispers a simple heartfelt prayer. A prayer that wends its way to the Archangel Gabriel, who assigns his favorite angels—Shirley, Goodness and Mercy—to Greg Bennett's case. Because Gabriel knows full well that Greg's going to need the assistance of all THREE! Shirley, Goodness and Mercy are determined to create a miracle for Greg. In their usual inimitable way, they set about to show him what life, joy and Christmas are all about!

The Golden Gate Bridge. The impossible bridge, some call it. They say it can't be built. But Robert's father is building it. He's a skywalker--a brave, high-climbing ironworker. Robert is convinced his pop has the most important job on the crew . . . until a frightening event makes him see that it

takes an entire team to accomplish the impossible. When it was completed in 1937, San Francisco's Golden Gate Bridge was hailed as an international marvel. Eve Bunting's riveting story salutes the ingenuity and courage of every person who helped raise this majestic American icon. Includes an author's note about the construction of the Golden Gate Bridge.

Featuring a special introduction by Peter James, *Dead Letter Drop* is Peter James' first ever novel, originally published in 1981. Max Flynn, undercover agent, has the unenviable job of spying on his own side. When to kill, who to kill, whether to kill are all questions which have to be answered at great speed if he wants to stay alive. But why does an innocuous airline ticket No. 14B matter so much? Who has gone to the trouble of committing suicide? And could Flynn's beautiful companion be a spy? The hazy, murky world of counter espionage leaves no room for errors of judgement and Flynn knows he's finished if he makes one false move.

Jeanne-Marie Bouvier de la Motte-Guyon (commonly known as Madame Guyon) was a French mystic and one of the key advocates of Quietism.

Quietism was considered heretical by the Roman Catholic Church, and she was imprisoned from 1695 to 1703 after publishing a book on the topic, 'A Short and Easy Method of Prayer.' Guyon believed that one should pray all the time, and that in whatever one does, one should be spending time with God.

#1 New York Times bestselling queen of romance Julie Garwood "knows how to reach out and touch readers' hearts" with this "laugh-out-loud little read...all delight, pure fun, and yummy" (RT Book Reviews), the first of her beloved Clayborne brothers novellas to be available as a separate ebook—at an irresistible price! THE CLAYBORNE ARE BACK, AND LOVE IS IN BLOOM! First introduced in Julie Garwood's magnificent New York Times bestseller *For the Roses*, the Clayborne brothers of Blue Belle, Montana, have been embraced by millions worldwide. Their story begins in *One Pink Rose*. Travis Clayborne may be the youngest of the Clayborne brothers, but he's most definitely his own man—unless it means saying no to his beloved Mama Rose. And that's why Travis is escorting young Bostonian Emily Finnegan to Golden Crest, Montana to her new home as a mail-order bride. Emily has made it perfectly clear that she's taken charge of her destiny and nothing is going to interfere, not even falling in love with a perfect stranger. But they don't call it the wild west for nothing...

The Formal Basis of Modern Architecture Penguin Random House South Africa

This never-before-seen collection of poems offers the lyrical insights and spiritual wisdom of the Nobel Prize-winning author of *Siddhartha*, *Steppenwolf*, and *The Glass Bead Game*—who inspired millions as he forged cultural bridges between the East and West Vowing at an early age “to be a poet or nothing at all,” Hermann Hesse rebelled against formal education, focusing on a rigorous program of independent study that included literature, philosophy, art, and history. One result of these efforts was a series of novels that became counterculture bibles that remain widely influential today. Another was a body of evocative spiritual poetry. Published for the first time in English, these vivid, probing short works reflect deeply on the challenges of life and provide a spiritual solace that transcends specific denominational hymns, prayers, and rituals. The *Seasons of the Soul* offers valuable guidance in poetic form for those longing for a more meaningful life, seeking a sense of homecoming in nature, in each stage of life, and in a renewed relationship with the divine. Extensive quotations from his prose introduce each theme addressed in the book: love, imagination, nature, the divine, and the passage of time. A foreword by Andrew Harvey reintroduces us to a figure about whom some may have believed everything had already been said. Thoughtful commentary throughout from translator Ludwig Max Fischer helps readers understand the poems within the context of Hesse's life.

The Love Diary of a Zulu Boy is by turns erotic, romantic, tragic and comic. Inspired by the real-life drama of a romance between a Zulu boy and an Englishwoman, the book consists of various interrelated short stories on interracial relationships in modern-day South Africa. As the author reflects on love across the colour line, it triggers memories of failed affairs and bizarre experiences: love spells, toxic masculinity, infidelity, sexually transmitted diseases, a phantom pregnancy, sexless relationships, threesomes and prostitution, to name but a few. A unique book for the South African market, *The Love Diary of a Zulu Boy* is written with an honesty rarely encountered in autobiographical writing.

How the Internet Works Lexicon Publishers

For years, the evangelical church and its members have debated whether the Bible should be interpreted literally or symbolically in regards to the age of the earth. In their groundbreaking new book, *In the Beginning . . . We Misunderstood*, authors Johnny V. Miller and John M. Soden say that all these arguments have missed the point. Rather, what Christians really need to know is how to interpret the Bible in its original context. Exposing the fallacies of trying to make the biblical text fit a specific scientific presupposition, Miller and Soden offer a new approach to interpreting Genesis 1 that explores the creation account based on how the original audience would have understood its teaching. First, the authors present a clear explanation of the past and present issues in interpreting the first chapter of the Bible. Second, Miller and Soden break down the creation account according to its historical and cultural context by comparing and distinguishing both the Egyptian and Mesopotamian settings. Finally, they explore common objections to help readers understand the significance that the creation account has for theology today. Christians need not look any further than Genesis 1 to find clues to its meaning. Both irenic and bathed in Scripture, *In the Beginning . . . We Misunderstood* will equip every believer to navigate the creation wars, armed with biblically sound explanations.
