Essentials of Organizational Behavior Pearson Education

A well-written, balanced introduction to organizational behavior in today's workplace! This leading text offers a streamlined, skill-building approach that arms readers with practical knowledge and hands-on experience with OB. An OB Skill Building Workbook provides numerous case studies for critical thinking, experiential exercises, and self-assessment inventories. Plus, each copy of the book includes the Fast Company Handbook of the Business Revolution, a collection of articles on the cutting edge of OB.

Organizational Behavior in Education Wiley

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever-changing business environment. Organizational Behavior is designed to meet the scope and sequence requirements of the introductory course on Organizational Behavior. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad business discipline, and the Organizational Behavior course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.

Leading Human Resources Irwin Professional Publishing

Organizational Behavior is a multidimensional product to allow for student development in knowledge, analysis, synthesis and personal development with pedagogical features designed to bring Organizational Behavior to life. This product reframes the content of organizational behavior to reflect the inherent interdependence of factors that explain human behavior. Traditional OB topics are introduced as part of an integrated framework for answering practically-relevant questions about why people behave as they do and how to effectively self manage and influence others.

Economics for Today Prentice Hall

Organizational Behaviour by Buchanan and Huczynski is one of the best established books in this field. The authors' popular blend of social science underpinning, challenging assumptions, applying theory to practice, and using movies to explore topical issues, makes this an ideal introduction to the subject. This text can be used by undergraduate, postgraduate, and professional students as it assumes no prior knowledge of the social sciences in general, or of organizational behaviour. Now also available in enhanced ebook format with regular testing, and with links to video content for a

more memorable learning experience. What's new in this edition? New features critical thinking invitations to question, challenge assumptions, consider other options cutting edge summarizing recent key research findings what did they find? asking you to predict the results of real life research projects employability check relating chapter content to employability competencies audio box links to short podcasts exploring topical issues video box links to online videos exploring chapter themes in more depth stop and search suggestions for YouTube content exploring key topics New content Living to 100 - what are the implications for work and organizations? Future-proof your career - skills that are still going to be in demand in a digital world Born to be an entrepreneur - or can you learn how to become one? Tattoo or not tattoo - how attitudes towards body art are changing Gastronomic bonding - team building by members preparing and eating food together Sexual harassment - the hidden costs for employers Agile organization - rapidly changing management structures in response to a turbulent environment Dis-org - Google's experiment of running a company without managers Do women make better leaders than men? - they have the right personality traits Detroit, Estée Lauder, McDonald's, Thai Union - case studies of successful organizational change Should leaders play politics, or be squeaky clean? - great leaders 'bend the rules'

Organization Theory and Design McGraw-Hill Education

This text encourages participate teaching and active learning through a structured style and format, with each chapter containing a list of key concepts and objectives.

Management and Organisational Behaviour Pearson Higher Ed

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

ORGANIZATIONAL BEHAVIOR, 10TH ED Cengage Learning Canada Inc

Wolves belong in packs - they are social animals. They live, hunt, eat, and play together. But these social elements are learned. When a wolf is still a pup, rough-and-tumble play helps to develop its relationships with fellow pups and to establish its place in the pecking order. These pups will grow up to be members of the same pack, and what is established while they are young continues on to adulthood. Organizational behaviour in people is learned, too - and, like the wolf pups, learning is best done through practice. *Fundamentals of Organizational Behaviour: Key Concepts, Skills & Best Practices* sets a new standard for fundamental OB texts. Incorporating lean, efficient coverage of core OB concepts with an array of rich learning tools, this text is flexible and engaging. The Second Canadian Edition has been designed to promote active learning, integrating student friendly material with experiential exercises. Unique and engaging features of the text are combined with an integrated tool kit for mastering organizational behaviour and tackling exams. Excelling at organizational behaviour is a hands-on active process. *Fundamentals of Organizational Behaviour: Key Concepts, Skills & Best Practices* gives students the material, the skills, and the abilities to lead

the pack.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

Organizational Behavior Prentice Hall

Organizational Behavior in Education, 11/e gives future and current educational administrators, superintendents, principals, and assistant principals an authoritative, well-established, timely look at organizational behavior and how leaders can create more effective school cultures. It offers the most up-to-date thinking and the most in-depth exploration of organizational leadership as it relates to decision making, organizational change, managing conflict and communications, and motivating self and others to achieve organizational goals. The authors challenge readers to develop and analyze the successful implementation of school reform, while helping them gain a professional understanding of the organizational theory and research that are the bedrock of modern practice. The new Eleventh Edition features updated research and developments in the field; an extensively revised, more systematic and logical presentation of organizational theory and its historical development; discussion of the new ELCC Standards and Elements that apply to program accreditation in Ed Leadership programs; APA format for all references and citations; new presentations of important research in the field; and more.

An Experiential Approach Prentice Hall

As a discipline of academy inquiry, International Management applies management concepts and techniques to their contexts in firms working in multinational, multicultural environments.

Hodgetts' Luthans: International Management was the first mainstream International Management text in the market. Its 6th edition continues to set the standard for International Management texts with its research-based content and its balance between culture, strategy, and behavior.

International Management stresses the balanced approach and the synergy/connection between the text's four parts: Environment (3 chapters): Culture (4 chapters), Strategy and Functions (4 chapters) and Organizational Behavior /Human Resource Management (4 chapters).

Behavior in Organizations Tata McGraw-Hill Education

The authors' goal in writing Organizational Behavior and Management 10e is to improve students' ability to understand, interpret, and predict the behavior of people working in organizations. The book combines text, self-learning exercises, group-participation exercises, and cases in an integrated way designed to enhance learning and retention of organizational behavior concepts and skills. A solid research base and an appendix on research techniques make this book suitable for a graduate studies course.

Organizational Behaviour John Wiley & Sons

This long established market leader has set standards that few texts have equalled in terms of accessibility of writing style, clarity of presentation and popularity with students and teachers alike. Written from a managerial perspective and packed with contemporary references to management research and practice, it continues to prove the student's OB text of choice. This eighth edition brings fresh evidence to explore theory in practice, and a wide range of brand new and intriguing examples and case studies on issues and organisations that are engaging, relevant and contemporary. It also provides an abundance of online student self-assessment resources. The breadth of appeal of this text makes it ideal for Management and Organisation courses from HND level through undergraduate and up to MBA.

Leadership and School Reform McGraw-Hill/Irwin

Prepare your students today to become strong, effective managers tomorrow with the powerful concepts and practical applications found in Griffin/Moorhead's ORGANIZATIONAL BEHAVIOR: MANAGING PEOPLE AND ORGANIZATIONS, Tenth Edition. This reader-oriented text helps you equip your students with the skills and solid understanding to meet the management challenges of a new century. The book's applied approach balances classic management ideas with the most recent OB developments and contemporary trends, such as the effects of the recession; how to manage people

in these challenging times; the new role of stress on motivation and leadership; and effects of downsizing. Students delve into the core concepts of human behavior and industrial psychology within the help of memorable real examples and cases drawn from relevant organizations and managers such as Steve Jobs, Eddie Bauer, Cirque du Soleil, snopes.com, Whole Foods, Nike, and Goldman Sachs. Fresh new cases, proven end-of-chapter exercises, activities, and an optional case and exercises help you equip your students with the assets, tools, and resources to compete effectively amid a world of change. Students grasp the fundamental of human behavior in organizations and the ability to develop new answers to new challenges as they learn to understand the people who comprise an organization, understand change, and understand how organizations must respond to change. Equip and energize the next generation of managers for the most exciting task of tomorrow: managing people effectively within competitive organizations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Organizational Behaviour Cengage Learning

Organizations must adapt to changing and often challenging environments. This third Canadian edition helps students understand and design organizations for today's complex environment. The concepts and models offered in this text are integrated with changing events in the real world, presenting the most recent thinking and providing an up-to-date view of organizations. Detailed Canadian examples and cases capture the richness of the Canadian experience, while international examples accurately represent Canada's role in the world.

International Management: Culture, Strategy and Behavior W/ OLC Card MP McGraw-Hill Ryerson

Forty years in the making, Management of Organizational Behavior is a readable text that makes behavioral sciences come alive through real life examples and progressive ideology.

Management of Organizational Behavior Cengage Learning

This text, now in its tenth edition, presents classic and emerging organizational behaviour trends and research, making the subject accessible and meaningful for students. The CD-ROM accompanying this book includes a self-assessment test, and there is also a supporting website.

Understanding and Managing Life at Work Cengage Learning

"Well-established as a standard textbook in the preparation of effective and thoughtful school administrators, the tenth edition of Organizational Behavior in Education continues its tradition of offering students of educational administration the most current thinking and the most in-depth exploration of organizational leadership as it relates to decision-making, organizational change, managing conflict, and motivating others. As readers are challenged to develop and analyze the successful implementation of school reform, they gain a professional understanding of the organizational theory and research that are the bedrock of modern practice." "This thoroughly revised edition updates the research and theory behind organizational effectiveness in schools as it pertains to change, leadership, and new issues in school reform including comprehensive school reform models, charter schools, and school vouchers. This new material contains current emerging developments in the fast-paced world of contemporary school reform and keeps students abreast of emerging trends." "This text is laden with history, theory, and description. It serves as a foundation for the student's future decisions....I personally believe it gives them a sense of the development of theory over time in the various areas covered. It gives them a basis for forming their own leadership styles, understanding that perhaps they are not a clear-cut, one size fits all, but perhaps a bit of many theories and models. This text gives them this sense of the richness of theory and the realization that there is no one size fits all answers. However, it lays a foundation on which they can predicate future administrative decisions, reforms, and procedures."---Patricia Helene Earl, Marymount University"--BOOK JACKET.

Organizational Behavior Organizational Behavior

Introduction to management and organizations -- Management history -- Organizational culture and environment -- Managing in a global environment -- Social responsibility and managerial ethics -- Managers as decision makers -- Foundations of planning -- Strategic management -- Organizational structure and design -- Managing human resources -- Managing teams -- Managing change and innovation -- Understanding individual behavior -- Managers and communication -- Motivating employees -- Managers as leaders -- Introduction to controlling -- Managing operations.

Organizational Behavior and Management Prentice Hall

Introduce your students to management using the classic theory, current research, student-friendly presentation, and memorable examples in Griffin's MANAGEMENT -- the book that has already helped almost two million students prepare for successful business careers. This powerful, leading text combines traditional management coverage with well-known, careful examination of today's emerging management topics. The new 10th edition of MANAGEMENT now examines the latest on organizational justice and negotiation as well as the impact of the 2008-2009 economic recession and global warming on business. The book's well-organized, inviting approach organized around the functions of management helps students strengthen their management skills with an effective balance of theory and practice as well as numerous proven learning features. Students continue to study the growing service sector, ethics, global management and the impact of technology on management as they examine challenges today's managers face. Hundreds of well-researched popular examples -- from large establishments, such as Coca-Cola, to emerging companies such as Google and Facebook -- bring concepts to life. Examples from smaller companies and non-profit organizations underscore the author's philosophy that strong management is critical to the success of any type of organization.
