Being an adult aged male virgin can HURT. The older you get without having had sex, the more it can HURT, and the more difficult it can become to experience intimacy. In this book, find out exactly WHY it can hurt so much, and how to discover that it is OK to need sex. Find out why Adult Male Virgins (AMVs) are often mistaken for closet homosexuals and abuse victims. It is time to commit yourself to finally losing your virginity. Find out how to handle the topic of sex when it

comes up. We also will take a step-by-step journey through your first time including your first moves, first kiss, how to make sure that both you and her are comfortable, extensive analysis of foreplay, and how to spot and get rid of those things that keep you a virgin. This program has all those answers and more.

**Business Stripped Bare** Penguin

This book is a study of female virginity loss and its representations in popular Anglophone literatures. It explores dominant cultural narratives around what makes a “good” female virginity loss experience by examining two key forms of popular literature:

autobiographical virginity loss stories and popular romance fiction. In particular, this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination, leading to the emergence of a dominant paradigm which dictates that for women, sexual desire and love are and should be intrinsically linked together: something which has greatly affected cultural scripts for virginity loss. This book examines the ways in which this paradigm has been negotiated, upheld, subverted, and resisted in depictions of virginity loss in popular literatures, unpacking the romanticisation of the idea of “the right one”

and “the right time”.  
**The First Time** Crown Currency  
 Back in High School, Cheerleader Gina Perez was sheltered and zealously protected by her mother, Angel, who was a devout Catholic. Although Gina wasn't allowed to date, when Gina met Freddie Papadakis, the rival football team's captain, her brother and sister told her the secret they used to sneak their dates into the house at night. With that new knowledge, she was primed to make a youthful mistake. After the truth was exposed, Freddie was forced to give up his scholarship and join the marines, and the young lovers were torn apart. For the next eight years, Gina spent her time rebuilding her life and broken heart. Little did

she know, in all that time, her mother was intercepting secret letters from Freddie. Almost a decade has passed and Freddie returns from a tour of duty with his goal is to find Gina, the love of his life. In the meantime, Gina's dad gives her the letters he saved from the trash, proving Freddie had never forgotten her. Now that she knows the truth, will Gina give Freddie a second chance?

*Losing It* Bloomsbury Publishing USA

In revealing less-than-storybook experiences of losing their virginity, 22 young women and men effectively topple traditional views toward virginity and defy the relentless onslaught of social conditioning in our culture. Health

professionals offer their analyses, leaving the reader to determine the appropriate approach to building fulfilling relationships.

**Shameless** Lulu.com  
Pop-culture

phenomenon, social rights advocate, and the most prominent LGBTQ+ voice on YouTube, Tyler Oakley brings you Binge, his New York Times bestselling collection of witty, personal, and hilarious essays. For someone who made a career out of over-sharing on the Internet, Tyler has a shocking number of personal mishaps and shenanigans to reveal in his first book: experiencing a legitimate rage blackout in a Cheesecake Factory; negotiating a tense

standoff with a White House official; crashing a car in front of his entire high school, in an Arby's uniform; projectile vomiting while bartering with a grandmother; and so much more. In *Binge*, Tyler delivers his best untold, hilariously side-splitting moments with the trademark flair that made him a star.

Your fat is not your fault. Are you eating all the right things—low-fat yogurt, egg-white omelets, whole-grain bread, even tofu—but still can't lose the weight? Your favorite "diet" foods may be to blame. In this groundbreaking program, nutrition and fitness expert JJ Virgin reveals the real secret behind weight

gain—food intolerance.

A negative reaction to certain foods like dairy or gluten can sabotage your health by triggering inflammation and causing a host of nasty symptoms like bloating, breakouts, headaches, achy joints and—worst of all—stubborn weight gain. On *The Virgin Diet*, you'll eat plenty of anti-inflammatory, healing foods to reclaim your health and reset your metabolism, while avoiding the 7 foods that are most likely to cause food intolerance. You'll never feel hungry or deprived, and in just one week, you'll drop up to 7 pounds, lose belly bloat, gain energy, clear up inflammation and look and feel years younger. And that's just the beginning!

## **How I Lost My Virginity...**

Icon Books Ltd

The unusual, frequently outrageous autobiography of one of the great business geniuses of our time, Richard Branson. In little more than twenty-five years, Richard Branson spawned nearly a hundred successful ventures. From the airline business (Virgin Atlantic Airways), to music (Virgin Records and V2), to cola (Virgin Cola), and others ranging from financial services to bridal wear, Branson has a track record second to none. Many of his companies were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which

customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. In this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Family, friends, fun, and adventure are equally important as business in his life. Losing My Virginity is a portrait of a productive, sane, balanced life, filled with rich and colorful

stories, including: -  
 Crash-landing his hot-air balloon in the Algerian desert, yet remaining determined to have another go at being the first to circle the globe - Signing the Sex Pistols, Janet Jackson, the Rolling Stones, Boy George, and Phil Collins -  
 Fighting back when British Airways took on Virgin Atlantic and successfully suing this pillar of the British business establishment -  
 Swimming two miles to safety during a violent storm off the coast of Mexico -  
 Staging a rescue flight into Baghdad before the start of the Gulf War And much more.  
 Losing My Virginity is the ultimate tale of personal and business survival from a man who combines the business prowess of

Bill Gates and the promotional instincts of P. T. Barnum.

### **How I Lost My Virginity to Miachel Cohen**

Grove Press  
 It was the nineties and I was a young horny teenage boy, just having turned 18. I had finally met a girl to whom I was going to lose my virginity too and found myself alone in a park late at night with her that evening. This true story details the steamy events of that night, as well as all the titillating events that lead up to my first time having sex. (This story contains acts of MF sex, kissing, and oral sex) (First Time Virgin Public Sex)  
*The Adult Male Virgin Handbook* Icon Books Ltd  
 An intimate analysis of the first time Nervous, inexperienced,

confused. For most, losing your virginity is one of life's most significant moments, always to be remembered. Of course, experiences vary, but Laura Carpenter asks: Is there an ideal way to lose it? What would constitute a "positive" experience? What often compels the big step? And, further, what does "going all the way" really mean for young gays and lesbians? In this first comprehensive study of virginity loss, Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight, gay or bisexual. *Virginity Lost* offers a rare window into one of life's most intimate and significant

sexual moments. The stories here are frank, poignant and fascinating as Carpenter presents an array of experiences that run the gamut from triumphant to devastating. Importantly, Carpenter argues that one's experience of virginity loss can have a powerful impact on one's later sexual experiences. Especially at a time of increased debate about sexual abstinence versus safe sex education in public schools, this important volume will provide essential information about the sex lives of young people. *How I Lost My Virginity* Skylar Shadows This valuable book for teens and their parents offers vivid portraits by 150 women, who tell of their "first time". By

sharing their stories, they offer a much-needed woman's perspective and impart a heartfelt wisdom that can lead to positive, healthy discussions of sexuality between parents and teens.

*Losing My Virginity-  
The Autobiography*  
Penguin

"Impressionistic and engaging ...

Fankhauser boldly offers new wisdom." - Bromleigh

McCleneghan, pastor and author of *Good Christian Sex* --- On the 8th day, God created sexual intercourse. And it was good. But for girls like Dani

Fankhauser who were told sex was only to happen once you cross the threshold of marriage, that "goodness"

seemed...questionable. As young women, we

learned how to say "No" to sex, but not how to ask a guy to put on a condom. We were told to limit physical affection because it undermined love, but not how to deal with our own desires and drive. Our own bodies, and their capacity for pleasure, were left a mystery. In

SHAMELESS,

Fankhauser writes about the questions she had that couldn't be answered by mainstream culture or by Christian communities - about shame, love, intimacy, and STDs.

The Consummate Virgin Farrar, Straus and Giroux

Whether stud or dud, hot dish or cold fish, you're never the same after you first "do the deed." But how wild, weird, or earth

shattering was it for your neighbor, the person next to you on the bus, or your veterinarian? In *How to Lose Your Virginity... and How Not To*, compiled from 1,000 face-to-face interviews across North America, Shawn Wickens makes us transfixed voyeurs in scores of others' seminal "coming" of age moments. From Kelsie Testa in *Jerk Magazine*: "A compilation of shocking yet heartwarming tales of orifices, secretions, and vulgarity that pleasantly ends in an orgasm. From condom follies to mixed-race orgies, Wickens proves that no formula exists when it comes to this seminal and 'ground-breaking' event.... One central message remains the same for

all of these first-timers: losing your virginity is weird and exhilarating, whether you lost it with your middle-school bus driver named Frank at age 13 or you waited until marriage." Featured in the *New York Daily News*, *The Huffington Post* and *Jezebel.com*. Breakthru Radio calls *How to Lose Your Virginity*, "...an entertaining and enlightening read for virgins and non-virgins alike." A portion of the proceeds is donated to RAINN (Rape and Incest National Network)  
*I Regret the Day I Lost My Virginity* NYU Press  
I will never forget the pain I felt when I lost my virginity to my teacher at the age of eight. It is an experience that has stayed with me for years, and I am still

filled with anger and resentment about what happened. Now, I am ready to take my revenge. In this book, I will share my story of how I was taken advantage of, and how I am now determined to get justice for what happened to me. Join me on my journey of revenge as I detail the events that led to this traumatic experience.

*Virginity Lost*

Bloomsbury Publishing

A provocative social history examines the history of virginity and of noted virgins in Western culture, describing the unique fascination civilization has had for virginity from a social, political, economic,

philosophical, medical, and legal standpoint. Reprint.

**Losing My Virginity**  
Penguin

This is a typewritten zine that tells ten short stories about a lesbian woman's sexual experiences. While several are about partner sex, including fisting and using dildos, other stories focus on masturbation as a child and one on the Bruce Springsteen video for "Dancing in the Dark." The zine is printed on heavy paper and features hand colored drawings of dinosaurs, televisions, airplanes, and other symbols of childhood.

Not long ago the Big Thicket of East Texas was still one of those places singular in its

southernness, like the Mississippi Delta or the Carolina Low Country. Now its old-timers and their ways are nearly gone. They will not be forgotten, though, for in My Grandfather's Finger Edward Swift recalls a Big Thicket populated by family and friends as gloriously vibrant and enigmatic as the land itself. From Camp Ruby to nearby Woodville and all the swamps, bayous, and forests in between, Swift shows us a place and time so fecund with humor, tragedy, and good talk that, in growing up there, he had no choice but to become a novelist. We meet, among many others, Mother, a widowed war bride who would spring-clean the inside of her house with a garden hose, and Aunt

Coleta, childlike and always surrounded by an entourage of kids half enchanted by her and half scared witless. Then there are Uncle Frank, who, with self-fulfilling flair, would have drawn a pistol at the merest suggestion that his family was dysfunctional, and, of course, Grandfather, who lost his finger to a machete and his mind to cough medicine. A mystical world of carnivals, talking fiddles, houses on wheels, atomic bombs, and total-immersion baptisms, Edward Swift's *Big Thicket* was also a world in which he was loved unconditionally--and that alone makes it worth getting to know. Independently  
Published  
A confident and  
mesmerizing fiction  
debut, from the winner

of the Plimpton Prize Set in the South, at the crossroads of a world that is both secular and devoutly Christian, April Ayers Lawson's stories evoke the inner lives of young women and men navigating sexual, emotional, and spiritual awakenings. In "The Negative Effects of Homeschooling," Conner, sixteen, accompanies his grieving mother to the funeral of her best friend, Charlene, a woman who was once a man. In "The Way You Must Play Always," Gretchen, who looks young even for thirteen, heads into her weekly piano lesson in nervous anticipation of her next illicit meeting with her teacher's brother, Wesley. Thin and sickly, wasting from a brain tumor, Wesley spends his

days watching pornography and smoking pot, and yet Gretchen can only interpret his advances as the first budding of love. And in the title story, Jake grapples with the growing chasm between him and his wife, Sheila, who was still a virgin when they wed. At a cocktail party thrown by a wealthy donor to his hospital, he ponders the intertwining imperatives of marriage--sex and love, violation and trust, spirituality and desire--even as he finds himself succumbing to the temptations of his host. Self-assured and sensual, *Virgin and Other Stories* is the first work of a young writer of unusual mastery.
