MERCER NATHANIAL

A treatise on harmony ... Translated by Mrs. C. Clarke from the French. The musical portion revised by J. Pittman Legare Street Press

And he unflinchingly confronts the Wagner whose paranoia, egocentricity, and anti-Semitism are as repugnant as his achievements are glorious."--Jacket.

Course of Musical Composition; or Complete and methodical treatise of practical harmony ... translated ... with the remarks of Carl Czerny, translated from the German by the late Arnold Merrick, and edited by John Bishop BoD - Books on Demand

This book is a collection of powerful and thought-provoking essays on the nature of art, music, and culture. With deep insight and poetic language, the author explores the tension between harmony and dissonance, beauty and ugliness, order and chaos, and reveals the hidden connections that bind them together. This work has been selected by scholars as being culturally important, and is

part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
